Ralston, Canada's Minister for Defence was able to extend a welcome to Mr. Ramsay MacDonald who was paying a visit to the Canadian section of the British Industries Fair, London, England. The party stopped at the exhibit of the Toronto Carpet Manufacturing Co., Ltd., where the Prime Minister admired the facsimile of the rug which was supplied to adorn the nursery of the young Princess Elizabeth. Feeling the soft pile of the Barrymore he remarked "She has a soft seat here to fall on." It might incidentally be mentioned that the original Canadian woven rug was personally selected by the Duchess of York.
