NEW YORK, Aug. 5—Geo Raymond Harbness, a real estate broker of Sea Cliff, Long Island, who shot and killed Mrs. Florence Hopp, millionaire, of Loeburg, Pa., early on the morning of July 20th., was discharged today by the coroner's jury.

It is Criminal to Neglect the Skin and Hair

THINK of the suffering tentailed by neglected skin troubles—mental because of disfiguration, physical because of pain. Think of the pleasure of a clear skin, soft, white hands, and good hair. These blessings, so essential to happiness and even success in life, are often only a matter of a little thoughtful care in the selection of effective remedial agents. Cuticura Soap and Cuticura Ointment do so much for poor complexions, red, rough hands, and dry, thin and falling hair, and cost so little, that it is almost criminal not to use them.

Although Cuticura Soap and Ointment are sold by druggists and dealers everywhere, a postal to "Cuticura," Dept. 5M, Boston, U.S.A., will secure a liberal sample of each, with 32-page booklet on Skin and Scalp Treatment.

Do Minutes Count With You?
The GILLETTE Will Save Them!
Are you one of those keen, discerning men who recognize in TIME their most valuable asset, and plan to make every minute count?
Then what about the time you lose every day over shaving?
Men who use the GILLETTE Safety Razor shave easily in five minutes—in three if they wish. How many minutes more than that do you consume in stopping and shaving so carefully with your open-blade razor? Or how many times five minutes do you lose in the barber shop?
Two, five or ten minutes lost to-day—to-morrow—365 times a year—counts up into a serious draft on a man's productive time. This in itself is reason enough, to the man whose time is valuable, for using the GILLETTE.
But when you consider that the time-saving GILLETTE shave is also the cleanest, most comfortable shave you have ever enjoyed, what reason can there be for sticking to old-fashioned, time-wasting methods?
Buy a GILLETTE—you'll enjoy it!

Guard Baby's Health In The Sun
The summer months are the most dangerous to little ones. The complaints of that season which are cholera infantum, colic, diarrhoea and dysentery come on so quickly that often a little one is beyond aid before the mother realizes he is really ill. The mother must be on her guard to prevent these troubles or if they do come on suddenly to cure them. No other medicine is of such aid to the mother during hot weather as is Baby's Own Tablets. They regulate the bowels and stomach and are absolutely safe. Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

TESTIMONIALS.
DEAR SIR:—I had a mare which had a very bad cough and heaves for almost six months, and became so thin there was nothing left apparently but skin and bones and was tempted to shoot her. A friend of mine who had used Dr. J. Woodbury's Horse Liniment, with good success, induced me to try one bottle of it which I used with the best results. I used just one and one half bottles of the liniment which effected a complete cure of both the cough and the heaves, and I have worked and driven her ever since. I strongly recommend Dr. J. Woodbury's Horse Liniment as the best Horse Liniment on the market, and advise all horse owners to try it.
Very truly,
RUDERICK MCKENZIE.
