Locals Turned In Championship Ball In First Game Of Island Series Playdowns.

The Abies ran riot with Summerside last evening by defeating them in the first of the three game series for the baseball championship of the Island and the right to enter the Maritime semi-final playdowns by shutting the West-yrn champions out 9 to nil.

Big George Ayers, Abie south-paw, allowed only four hits while his team-mates garnered eleven safeties, including two home runs off the deliveries of Jim Wilson, Summerside twirler.

The circuit clouts came in rotation in the proverbial "lucky seventh" when "Pump" Bolger and George Francis, hefty Abie back-stop, poled the ball over the right field fence. Jemmett scored with Bolger while Francis secured his with the bags empty.

The Abies as a team never worked better and it is doubtful if they ever placed such a hard hitting and snappy aggregation on the field. Jemmett, playing second on the lineup, accounted for four of the Abies' runs.

The Summerside sluggers although shut out, played an excellent brand of ball and failed by inches from scoring in several innings. Falling to connect and lacking the scoring punch when the opportunity presented itself accounted for their downfall. Schurman for the losers, turned in an excellent game. The Abies appeared to find holes in Summerside's infield from the start and followed up by making every hit count.

The game was watched by a large crowd of ball fans who gave the boys a big hand on some spectacular catches.

Fifth Innings

Sluggers: Schurman, two bagger, stole third. Gallant out on foul to McInnis; nice work. Lidstone, struck out. McInnis struck out.

Abies: Jemmett singled through right, took second on error by Gallant and went to third on nice slide, later came home on McEachern's hit. Bolger struck out. McEachern singled to short left. Francis fled to centre field, Lockhart to Peters double play as McEachern took second.

Sixth Innings

Sluggers: Ward struck out. Wilson fouled to McInnis. Lockhart safe on McEachern's error. Wright grounded to Jemmett, Jemmett to McInnis.

Abies: Squarebriggs struck out. Doyle grounded to short, Schurman to Peters. Ayers stole second. Bradley fled to Lidstone, left field.

Seventh Innings

Sluggers: Peters safe on short hit to first, but was caught stealing second. Schurman bunted to pitcher, Ayers to McInnis. Gallant safe on McEachern's error. Lidstone struck out.

Abies: McInnis safe on bunt towards third. Jemmett fled to right, safe on error by Gallant. McInnis took third and stretched for home, arriving safe. "Pump" Bolger hit homer over right field fence. Jemmett came home. McEachern fled to McInnis on third Francis repeated Bolger's performance and landed another over right field fence. Squarebriggs grounded to short, Schurman to Peters. Doyle struck out.

Eighth Inning

Sluggers: McInnis bunted, Francis to Wilson. Ward fled to Jemmett. Wilson, base on pitched ball, stole second, out stealing third.

Abies: Ayers hit to centre field. Bradley fouled to catcher, Ayers out on double play. McInnis struck out.

Ninth Inning

Sluggers: Peters struck out. Wright fled to McInnis. W. Peters walked. Schurman fled to McEachern.

LOOKING 'EM OVER

MONTAGUE RACES SEPTEMBER 24TH

The races at Montague advertised for Wednesday, the 21st inst., have been postponed until the following Saturday, September 24th.

This change was made necessary owing to the fact that several Island horses at present racing at Fredericton, N. B., Exhibition, have been held over there owing to a postponement in these races due to wet weather.

The management of the Montague track has been assured of a high class list of entries. The fastest horses in the Province will meet in the Free-For-All. The 2.15 Trot will have the best trotters in that class, while the third race will have a bumper entry list.

A complete list of the entries will be published within the next few days.

CORUM ON WALKER

Bill Corum, the New York Journal's versatile columnist, is a keen judge of men. He knows the ins and outs of big time sport and the colorful personalities in its make-up. His observations after a week in Mickey Walker's camp, where the Irishman is training for his coming bout with Schmeling, make good reading. Commenting on the strangeness of the Walker-Kearns combination he says among other things:

"Kearns is like a mother hen with one chick around, Mickey, and rarely ever lets him get out of his sight. He chases him to bed at night and chases him out of it and on the road in the morning. And how that Walker dreads the thought of going to bed and the thought of leaving it once there! Next to Damon Runyon he is the most confirmed stayer-upper and stayer-downer it ever has been my pleasure to meet in open competition."

"Once the training day is started Kearns stays right at the Irishman's elbow, advising, instructing, urging him along. Without this driving and goading, Walker wouldn't train at all. Left alone he would take a fight with six wild cats as just another incident in his life. Born apparently, without the slightest semblance of physical fear, Mickey would, if allowed to go as he pleased, laugh his way into a ring full of Dempseys."

"It may sound foolish, but I believe he would be a better fighter if he were a little more afraid. And there isn't the slightest question that he would train more satisfactorily if he wasn't so oblivious to punches. He cuts more easily than any fighter I have ever seen, and yet there are times when he actually seems to court blows about the face and eyes which more often than not leave him cut and bruised."

DOWN THE BACK STRETCH

Johnny Walker, 2.15 1-2, a real trotter owned by our esteemed friend, Mr. Charles Chandler, has reverted to his original breeder ownership, Hugh Walker, North River. Johnny is a horse with a great flight of speed but has been troubled with a splint or something which prevented him making full use of his racing qualities this year. No doubt Hugh will have a lot of fun with him next winter on the ice.

Star G. 3.10 3-4 record taken at Charlottetown the third heat of the 2.22 Trot and Pace, has all the earmarks of greatness. He is by Peter G., a son of The Wolverine by Peter the Great. Peter G. is the sire of some stirring race horses including Peter Oliver 2.05, Toll Gate 2.00 1-2, sensational Canadian pacer over American tracks 1:01-3/4. Star G. has been called by some of our Canadian turf writers the Toll Gate of 1932, and they are not too far astray in the reckoning of a good judge of horseflesh, Wellington McNeill. In conversation with the writer Mr. McNeill stated that he timed Star G. the final quarter of the first heat of the 2.24 Trot and Pace in Halifax in twenty-nine and one-half seconds. Star got away two or three lengths behind and finished like a bullet in 2.11 1-2. Hush led until about three lengths from the wire when Star passed in the speedy manner described.

Halifax can boast of some good race horses. It is many years since the Garrison City could boast of the speed they now possess. Peter G. in Grattan 2.10, won the 2.18 Trot and Pace, September 5th, in handy fashion, best time 2.11 1-2. In doing so he served notice on Maritime horsemen that he will be a big factor in future racing, as he is just recovering from a severe cough which hit him shortly after his arrival at Halifax.

Beeton Grattan is by Grattan at Law who is a son of Grattan Royal 2.06 and Daisy at Law 2.06 1-2. Grattan Royal was a phenomenal sire of pacers having several near the two minute list and two in it, as well as providing the greatest stake pacers in America for several years. Daisy at Law was a good race mare but as we remember her had some cranky qualities. A full sister of Grattan at Law was Daisy Grattan who could kick like a son of a gun but had such speed that Gallant, r.f. worked her close to two minutes but could never make full use of her qualities owing to her disposition.

Frank Boutillier who has trained and driven a lot of good horses in his day and is a mighty good judge of pace and form, states that Star G. is up to a mile in 2:30, and we believe him. What a lucky fellow Harry Breen is to secure such a good horse and we are real glad that it happened as he is a fine fellow and deserves the best of luck.

The third good horse that has gone into Halifax ownership recently is King Spruce 2.11 1-4. While not a winner at Charlottetown.

LODGES TENDERED BANQUET

Function Given By Local Orange Organizations In Honour Of Visiting Grand Mistress.

In connection with the visitation to the local L. O. B. A., lodge of the Most Worshipful Grand Mistress of British America, Mrs. Grace Darracott of Winnipeg, a sumptuous banquet was given by the L.O.L. and L.O.B.A. lodges.

Mrs. Mary McLean, Provincial M.W.G.M. presided.

The toast to The King was responded to by singing "God Save the King."

The toast to the churches was proposed by Rev. W. E. Aitken. In referring to the long establishment of the church, the speaker stated that institution is the backbone of society. This institution has had a great history in many nations and in all ages. It is the history of martyrs, saviors, scholars, of architecture, painting. The object of the church is to make Christian the

ABEGWEIT ICE PRACTICE NOVEMBER 12

A Charlottetown dispatch appearing in a Halifax exchange says: "Looking ahead to the hockey season, the Abegweits hockey club in co-operation with the Forum management, will hold an indoor carnival October 3 to 8 to bolster the financial condition of its sextette."

It has been tentatively decided that the boys will start ice practice about November 12.

Have Two Teams

Charlottetown will have two teams operating under Abegweit colors, one in the Halifax-Moncton league, and the other in the Central league, with Amherst, Sussex and Summerside. Prior to taking the ice the players will undergo a month's training in the Y. M. C. A. The management of the forum is dickering with two or three well known hockey coaches but as yet has not signed any one.

GOLF

The various matches carried on throughout the season at the Belvedere Links have been productive of excellent golfing. Some of the divisions have been completed but there still remain several titles to be decided. It is expected most of these will be soon settled. Members of the local club were to have played in Summerside last Saturday but due to the unfavorable weather, had to call it off.

However, this afternoon will see a large number make the trip to the Western town and hook up in some friendly matches. As the games are scheduled to get away by two o'clock all those planning to go must leave for Summerside as soon after lunch as possible.

Following are the results of matches played to date:

Ladies President's Match

Winner—Mrs. Goodwill, 19 points.
Runner-up—Miss Nora Longworth, 17 points.

Ladies Vice President's Match

ORANGE ORDER ENTERTAIN VISITOR

The visit to Summerside on Thursday night of the Most Worshipful Grand Mistress of North America, of the L. O. B. A., Miss Grace Darracott, of Winnipeg, was the occasion of a most enjoyable entertainment and banquet in the lodge rooms. About 300 members of L. O. B. A. and L. O. L. were present.

All the lodges in Prince County and also Charlottetown lodge were represented.

Mrs. Mary McLean, provincial M. W. G. M. presided.

On the platform were Mrs. Darracott, Mrs. Weatherlie, provincial treasurer, of N. B., Mrs. McDonald, provincial Vice Grand for P. E. I., Mrs. G. S. Sharpe, prov. treasurer, and Mrs. Isabella Glidden and Mrs. W. Muttart, Honorary members.

The programme was as follows: Presentation to Mrs. Darracott from Grand Lodges, Mrs. Affleck, Charlottetown.

Address read by Mrs. Sharpe. Reading, Mrs. James Wells. Presentation from Edith Cavell Lodge, Mrs. Duncan McDonald. Address of welcome, read by Mrs. A. P. Wells.

Solo, Miss Amanda Cannon. Other musical numbers were given by Miss Bessie Smallman, Albert Huestis, and Miss Meadows.

Greetings by mayor's representative, Morley Bell.

Greetings from L. O. L., A. S. MacKay.

Mrs. McLean then introduced the speaker of the evening, Mrs. Darracott.

In an exceptionally pleasing and convincing manner she outlined the work of the Orange Lodge in British North America.

She had visited all the lodges from Vancouver east and spoke

particularly of Newfoundland, the hospitality of the people and the work accomplished there.

Her review of an Indian lodge in British Columbia composed wholly of squaws was very interesting.

The whole business of this lodge was transacted in a capable manner.

She spoke of the wonderful work done by all these lodges in founding hospitals and orphanages, the grandest work humans can perform.

Excellent speeches were made by Provincial M. W. G. M., W. W. Muttart, Rev. Mr. Nicholson, Rev. Mr. Spriggs and Mr. McCall, of Eilerslie.

Votes of thanks were given to Mrs. Darracott by Mr. Muttart, seconded by A. S. McKay, supported by John Phillips.

Following this a sumptuous banquet was served by the ladies.

The toast list was as follows: "Canada," responded to by A. E. McLean, M.P., and the singing God Save the King. Prince Edward Island responded to by L. R. Allen, M. L. A.

RUGBYISTS READY TO LINE UP

Abegweit rugbyists, aspirants for senior and intermediate honours, will have their first workout today at 3.30 p. m. at Victoria Park. It is confidently expected that there will be a large and enthusiastic turnout although circumstances will prevent a number of old-timers from being present. However, all who are able should be out and on their toes this afternoon at the initial practice, in order that the greatest enthusiasm possible may be generated.

A number of names of those expected to turn out has already been published. During the last few days, since the suggestion of an intermediate team was made, prominent mention has been made of a number of ex-stars from schools and college who gave promise at one time or another of good senior or intermediate material. Among those are: Harry Currie, "Smack" Johnson, Sam Kennedy, Keith Acorn, Jack Forsyth, Cliff Holman, Joe Peters, Jimmie McInnis, "Skipper" McCarville, Bill Burnett, Smith Watts, Joe Hunter, Murray Carmichael, Eddie Stentiford and a number of others. Nobody who feels like turning out for practice should feel that they may be "butting in" on an established clique, but should put in an appearance and try out.

P.W.C. BOYS ORGANIZE FOR ATHLETICS

The Prince of Wales College boys organized their Athletic Club yesterday morning and prepared for the first sport of the season, rugby, always the game of first consideration among the wearers of Red and Blue. Officers and an executive were elected following a few preliminary remarks from Prof. W. J. MacDonald, the coach, who indicated the difficulties under which the season's sport must be conducted and made an appeal for true sportsmanship in the attitude of the boys toward the games.

The officers elected were as follows: President, Allison Rogers; Vice-President, Eric Robin; Secretary Treasurer, Stewart Ives.

The enthusiasm which has carried the P. W. C. boys to the front on many occasions in the past was present as of yore, and the determination evidenced seems to indicate a hard battle when the college rugby fifteen clash with the Second Saints this Fall.

These speeches were exceptionally interesting and humorous.

This enjoyable gathering broke up in the wee small hours by the singing of the King.

Darky Grattan Finally Breaks Into Win Column

Heather Belle Continues Unbroken String Of Victories—Flo Abbe Leads Summary In 2.18 Class.

FREDERICTON, N. B., Sept. 16.—(By the Canadian Press)—The Free-For-All, feature event at the Fredericton Exhibition horse racing meet, was won in straight heats today by Darky Grattan, marking his first victory for H. T. Fulton of Upper Stewiacke, N. S. This race provided the fastest time of the meet to date. Flo Abbe, owned by Hood and Ballard of North Sydney, N. S., upset the dope by taking the 2.18 Trot and Pace in straight heats.

The 2.16 Trot and Pace went by an easy margin to the trotter Heather Belle, owned by Brenton McInnis of Charlottetown. It was Heather Belle's third victory in eight days.

Two Accidents
Clever handling by drivers prevented serious results from two accidents. In the 2.16 trot and pace, King Spruce collided with a fence, threw his driver and broke up the sulky. Earl Avery retained the reins, however, and averted a runaway. Johnny Conroy narrowly escaped injury in the third heat of the 2.18 class when the Willys fell half way down the home stretch and threw the driver.
