Yat Dodd's Kidney Pills Saved Edna Rathburn—Her Case was One in a Thousand—Tortured by Diabetes—A Remarkable Cure.

Hamstead, N. B. Apr. 4.—If ever any remedy for human ills was put to a stringent test, in practical experience, that medicine is Dodd's Kidney Pills, and the test case of little Edna Rathburn, of this city.

Six years ago, Edna, who was then only two years old, met with a terrible accident, two of her ribs being torn from her spine. The fractured ends refused to "knit."

In despair, Mrs. Rathburn one day decided to try if Dodd's Kidney Pills would help the child. They did. Day by day she improved under their influence, till after a time came perfect health. Not a vestige of Diabetes was left.

Now, Mrs. Rathburn says: "Our child's life was saved solely by Dodd's Kidney Pills."

Sufferers from Diabetes who read of this case can rest assured that they will find a cure just as sure as did little Edna Rathburn, in Dodd's Kidney Pills.
