

Take Care of the Children.

At this time of the year every mother should jealously watch the health of her children. At the very first sign of a cough or cold she should adopt measures to break it up, for it is the precursor of much more acute and dangerous complications—such as Whooping Cough or Croup—perhaps even Consumption—these surely follow in the train of neglected colds. The enervating influences of summer leave a child's system weakened—it needs toning up and invigorating, the blood is thin and ought to be enriched, the whole body requires vitalizing. For more than half a century the best known agent for this purpose has been **Shiloh's Cough and Consumption Cure**. It is a never failing remedy. It has rebuilt and strengthened more enfeebled constitutions than any other medicine during that long period. It is guaranteed to bring these great results—if it fails to do so, the purchase money will be refunded in full. Read the opinion of Betsy Forbes, an old lady, whose grand-children owe their lives to Shiloh's Cure. She writes:

When taken in time Cures Croup in a night.
S. C. Wells Co., Toronto, as follows:
"Never shall I forget the agony I experienced that night, when little Tommy was taken with the Croup. It was midnight and snowing. Our house was a mile from the nearest village; I had no one to send for the doctor. I had given Tom nearly a bottleful of syrup of ipecac, without effect. He was suffocating. Frantic with fear I pulled him out of bed, and, as a last resource, made him turn round and round. In fact, I whirled him until he grew nauseated and suddenly threw up a quantity of phlegm; his life was saved! With dear old SHILOH at hand, nowadays, we have no such terrible scenes to contend with, for it prevents them."
Sold in Canada and United States, 25c., 50c., and \$1. a bottle; in England, 1s 2d, 2s 3d and 4s 6d.

S'SIDE AND PRINCE CO.

COLD winter came with an angry sway Sunday night and judging by the present appearances came to stay. A strong south-westerly gale filled the bay with lolly which the frost promptly attended to on arrival, and the harbor is apparently fixed for the winter. A number of schooners which it was intended to leave for their home port after discharging their cargoes, will probably remain until spring. Among these are the Rose Mary, owned by J. R. Larkin, Sydney; the Caryle, owned in Lunenburg, N. S.; the Howard, L., owned by Capt. Farrow, Tryon; and one or two others. The Northumberland left for Pt. du Chene in the morning but did not return. She will attempt to reach Summerside harbor this morning.
