—CENTENNIAL A SUCCESS.—The centennial celebration which was held at Traveller's Rest on the 14th, was quite a success, although the weather proved unfavorable. The speakers of the day were Messrs. W. L. Cotton, W. T. Bentley and Dr. McMillan, from Charlottetown; A. E. McLean and ex-Premier Bell, of Summerside.

—MOTOR PARTY.—Mr. and Mrs. Harold Crockett with Mr. and Mrs. Martin, Harbor Springs, Michigan, arrived in Summerside on Saturday on a visit to Mr. and Mrs. J. D. Crockett, Sherbrooke. They motored from Michigan leaving on Monday.

—BAPTIST CHURCH.—In the absence of the pastor Rev. A. A. McLeod, the pulpit in the Baptist Church on Sunday was occupied by Mr. H. Simpson, who gave an eloquent discourse. Mr. Simpson is surely a coming young man from whom much may yet be expected. —H.

—SCHOOL IMPROVEMENTS.—The Trustees of Kensington High School do not stop at their work when they say that they would like to develop the school project, they at once negotiated to have the elevated area on the north and west of the grounds depressed. So that the surface might afford a more extended land area. The Trustees certainly are practical.—Y.

—PAINFULLY INJURED.—On Wednesday, Mr. Herbert MacArthur, of Port Hill, met with a painful accident. He was riding horseback when the animal suddenly reared and fell backwards. Mr. MacArthur was pinned beneath and received serious injuries, as a result of which he was brought down to Summerside on Thursday and is now undergoing X-ray treatment in the Prince County Hospital. Many friends will join us in the hope of his speedy recovery.

—UP-TO-DATE KENSINGTON.—Broadway the main thoroughfare in Kensington, is at present a scene of energetic and practical activity. The "good roads project" is developing systematically, and the work will endure long after the spectators who now can advise so judiciously will be looking down upon the work from above. In gratitude the whole community must express words of commendation to the Town Council who took the responsibility in inaugurating the work and pushing it through towards completion. The quality of the work is the most approved, and displays evidence of permanency. This is a proof after wisdom possessed by the members of the Council, since the work that was performed upon this street in previous years was no fault of the Council. Much of this work is in vain, since it was short duration. The Council was handicapped by limited means, but we now seem to be living in a more prosperous era and we hope to see the work carried through to completion. Vendors of farm products will appreciate the firm streets over which they will be able to draw heavy loads without using inexpressible terms to emphasize the visit. When the work is completed and the driveways into yards properly installed, Broadway will present an appearance that will enhance the beauty of the Town and will have removed a cause for complaint that has endured for years.—Y.

—APPENDICITIS—His many friends will be glad to learn that Mr. Alexander J. MacNeill, New Annapolis, who was recently operated on in the Prince County Hospital for appendicitis is making satisfactory progress towards recovery.

GHOST WINS

The Ghost, owned and sailed by Ivan Reddin, showed her heels to the rest of the fleet of eighteen-footers Saturday afternoon, winning handily the first race for the Commodore's Cup.

Saturday's race was easily one of the best this year; a fresh southwest by west wind prevailing throughout.

The race for second position between P. No., Sheba and Zenith, was thrilling to the line, the former nosing the latter out by fifteen seconds, with the Sheba less than five seconds behind Zenith for third place.

Not for one moment throughout the race did the interest lag, the Ghost, however, footing out in front at the start, soon increased her lead, leaving a pretty race between the above mentioned three.

On the first leg of the race the Minago, owned and sailed by John Pineau, met with a mishap, breaking the tiller just as he was rounding the Battery Point buoy, necessitating a loss of over five minutes. Pineau, however, remained in the race, beating Zephora and Rob Roy home.

Quite a number of motor boats and other craft loaded with fans, followed the yachts over the course, and no doubt the next race will see many more added to the already large following. The wharves, too, were well crowded with enthusiastic spectators.

The following is the times by buoys. Start, 2.14.

Receives Medal For Saving Life

On Tuesday evening last before a large gathering of visitors and citizens a very notable and interesting event took place in Georgetown Town Hall when Pte. John Donovan was presented with the Royal Canadian Humane Association's bronze medal, awarded for bravery, for the rescue of Mr. A. E. Grant-Crofton from drowning at Georgetown.

After opening with "O Canada," Mr. T. E. Morrissey who ably presided as chairman made a few remarks outlining the nature of the gathering.

Very befitting and appropriate speeches were made by the following gentlemen: Senator Hughes, Mr. J. Howard McDonald, M. P. P., Colonel L. McLeod, Major Dawson, Capt. T. McDonald and Lieut. Fleming.

During the course of his remarks Senator Hughes laid great stress

Soldiers' Monument Unveiled At Tryon

Friday the 16th was a great day at Tryon. The occasion was the unveiling of a monument in memory of those who were killed in the great war and to those who enlisted and went overseas.

The monument is a beautiful one of grey granite. On the front is inscribed the names of John Lyman Wood, Percy Farrow, and Capt. Jas. Farrow, who were killed in action. On the sides are the following names who responded to the call to arms: Earle D. McPhee, Alfred Letourgy, Geo. Hennessey, Everett Howatt, Chesley Howatt, Lewis Dawson, John Foy, Lee Calbeck, Alfred Cairns, Harold Leard, Everett Bell, Morely Bell, J. Earle Thompson, Thos. Dawson, Earl Howatt, Maynard Foy, Elmer McNeill Thos. Fell Guy Holland, Morley Mullins.

The monument is erected on the Consolidated School Grounds, where it is very noticeable from the highway.

There was a large assembly of people. The gathering was presided over by Rev. J. B. Daggett. At three o'clock Lieutenant Governor Heartz arrived. After the singing of the National Anthem, the chairman introduced His Honour, Miss Ruth Robinson presented him with a bouquet and several little girls delivered a short address and at the close unveiled the monument, which had been draped with the Union Jack. The Last Post was sounded by Sgt-Major Wm. DeCoste. Speeches were made by A. E. McLean, M. P., on J.H. Myers, Hon. W. B. Lea, Rev. Dr. Heartz and Rev. Mr. Mull.

The musical programme was under the direction of Rev. J. J. Sides, D. D., and was of a high order. It was as follows:

"The Soldier's Rest," and "As One Whom His Mother Comforted," by the Bedeque Glee Club. Also solos by Gordon McCallum, Prof. Jones, B. A. and J. B. Lewis.

During the service Mr. and Mrs. Geo. W. Wood whose son was killed in action, were called to the platform. The great audience was deeply touched as they were seated by the chairman.

After the exercises an excellent meal was served by the ladies, the proceeds being donated to the Protestant Orphanage.

The Baptist Church kindly opened their grounds and buildings for the accommodation of the gathering which was much appreciated.

Much credit is due H. A. McPhee for the success of the day. As the Secretary of the committee he has given much time to the preparations which were necessary.

The Spanish government is planning the construction of 4000 kilometers of first class highways within the next five years.
