3-year-old S'side Child Is Injured

Miss Imelda Simmons, three-year-old daughter of Mr. and Mrs. Bernard Simmons, Ottawa Street, met with a serious and painful accident yesterday morning while playing on the street with several other children. The young child was seated in cardboard carton in which the other children had apparently been. Crossing along the street, one of the children placed another carton over the child's head completely enclosing her from view and just then a delivery team drove down the street and drew to a stop. The young child was thrown into the air and the carton in which she was seated was crushed. The child was immediately rushed to the Prince County Hospital and given medical attention. X-rays taken do not show any broken bones but great many bruises cover the child's body and it is hoped that no internal injuries will develop at a later stage.

Rural Beautification Stressed By Lt. Governor At Alberton Exhibition. Following is the text of the address given by His Honour Lieutenant Governor Bernard J. McDonald at the opening of the Alberton Exhibition on Wednesday. "Mr. President and Officers, Reverend gentlemen, ladies and gentlemen: It is a pleasure to again have the opportunity of addressing such a gathering of farmers and those who are vitally interested in farming. "You have always felt that your Alberton Exhibition attracts the attention of the most progressive farmers in West Prince County, and that here in friendly competition you receive a great amount of information which, when practiced at your own homes makes for advancement in your profession. I congratulate the President and officers of your Association who have worked so earnestly and unselfishly to keep this your very own Exhibition, and to maintain it as a success in the future. It is a pleasure to be instrumental in showing exhibitors and visitors alike the way to better things. "You have a large prize list, and the amount of your individual prizes are sufficiently large to attract the finest and best of the district has to offer. The day and the attractions provide an outing were visitors to Charlottetown on Saturday, accompanied by Mrs. B. Millman, who was the guest of her niece, Mrs. Edon Campbell and Mr. Campbell. "Mrs. George Webster and daughters Sally and Ruth, Wolfville, are spending a pleasant vacation here guests of Miss Sarah Webster. "Mr. Thomas MacKinnon and son Arnold of Arlington, Mass., are visiting in Kensington, guests of Mr. and Mrs. James MacKinnon. It is forty-two years since Mr. MacKinnon was home and he can see a great many changes in his old home town. "Mrs. Benjamin Cameron and Mrs. Perry Cann were visitors to Charlottetown on Monday. "Mrs. Walter Thompson, Mrs. Harold Tretwey, Miss Dora Somers and Miss Maxton Carr Somers and Mr. and Mrs. Carl Moore, of N. B., J. C. Lawson, R. E. Shirley, G. W. Shirley, G. S. Wainman, all of Bass River, N. S.; Clyde Harrington, Farrisboro, N. S.; Dr. G. S. Allen and daughter; Pauline, Lawrence, Mass.; Rev. and Mrs. Thomas Parker, Philadelphia. PICNIC and CHICKEN SUPPER at MONT CARMEL WEDNESDAY, AUGUST 28. Amusements, Games, Refreshments Proceeds for Church fund. Veterans Week. This week has been designated as Veterans Week. Many of our young people have seen service in the war and though having returned home have not really re-entered civil life. This Exhibition should bring to their minds what it means to be a citizen. We have here today beautiful horses, excellent cattle, production on our farms can accomplish. We have here today fine hogs, sheep and poultry, attractive exhibits of all vegetables and grains grown in the Province, and a great variety of other products of the farm. There is the products of the kitchen and the fancy work of the women of our households. Surrounded as we are with such an abundance of the good things of life, the things which are produced by our own labour and from our own red soil we cannot help but realize that we are living in a great country of plenty and that there are opportunities afforded through the medium of farming for those who wish to take up that profession. The backbone and strength of this province are our farmers. Their financial condition is the stability of the country. The men and women of the farms who worked through the war years made great contributions to the successful prosecution of the con-
