—IRISHTOWN.—The semi-annual examination of Irishtown school was held Friday, Jan. 19th. On account of the weather being so very disagreeable, only a few of the ratepayers were present. The pupils were examined in the different branches by their teacher, Mr. Jack Montgomery, who was very ably assisted by Mr. Henry Ready, teacher from Sea View. At the close of the examination Mr. William Proffitt, in speaking complimented the teacher and scholars very highly. Other remarks of a similar nature were made by Mr. William Payne, Mr. Geo. Condy, and Mr. Henry Ready. On the whole the examination was a great success, save only for the poor attendance of the parents. It is hoped that when the time comes for the annual examination that every ratepayer and parent will be present to encourage both teacher and pupils in the good work being done.

#### PARCEL APPRECIATED

Mrs. Neil M. Reid, Peter's Rodd, has received the following letter from John W. Reid, Somewhere in France: France, Jan. 7th, 1917.

Dear Friend,—Just a line to let you know I am well and hoping this may find you all the same.

I received the socks and tobacco on New Year's Day. I suppose you are all enjoying the comforts of home life. We have not had much comfort since we came to France, but suppose it's all in a soldier's life and I am contented with it. How is everybody getting along?

Well, you must excuse bad writing for I am not well. I can hardly hold the pen, and have been on the sick list now for a week. When you write address to 13th Battalion, B. E. F., I can't think of any news. I can only thank you very much for the parcel. I will close with love to all.

Good Bye,  
 From J. W. REID.
