

SPILLED OUT OF AUTOMOBILE.

NEW YORK, January 28.—A Madrid despatch says: "Queen Christina went out riding with her son, King Alfonso, in a automobile today and met with an accident. She fell to the ground, receiving slight injuries. King Alfonso was uninjured. Others with the party fell out and returned to the palace covered with mud. There was great alarm at the delay of the return of the party."

WITH CRICK IN THE BACK.

You are up against a whole lot of trouble unless you have a strong remedy like Nerviline to settle pain and dislodge stiffness from the muscles and joints. Just rub Nerviline on the painful spot—not much rubbing because Nerviline has more power than ordinary remedies. You won't suffer long after Nerviline is applied for it relieves almost instantly. Mr. Philip Adams of Oakland says: "If I hadn't used Nerviline I guess my back would be stiff yet. A few applications of Nerviline took out all the soreness and stiffness. I can recommend Nerviline for any kind of muscular pain, also for rheumatism. Price 25c."

AFRAID OF STRONG MEDICINES.

Many people suffer for years from rheumatic pains, and prefer to do so rather than to take the strong medicines usually given for Rheumatism, not knowing that quick relief from pain may be had simply by applying Chamberlain's Pain Balm and without taking any medicine internal. Rev. Amos Parker of Magnolia, North Carolina, suffered for eight years with a lame hip, due to severe rheumatic pains. He has been permanently cured by the free application of Chamberlain's Pain Balm. For sale by all druggists.

BLEW UP IN A RINK.

MONTREAL, January 25.—The Stadium, the rink in which Lord and Lady Grey are to visit to-night, was the scene of an accident at six o'clock last evening, that might have proved serious at a later hour. The acetylene gas engine, situated in a building adjoining the rink property, blew up and demolished a portion of the partition, separating it from the Stadium. Boards were tossed helter-skelter through the rink, and if a crowd had been present the people would certainly have been injured.
