CUT THIS OUT

OLD ENGLISH RECIPE FOR CATARRH, CATARRHAL DEAFNESS AND HEAD NOISES.

If you know of some one who is troubled with Catarrhal Deafness, head noises or ordinary catarrh cut out this formula and hand it to them and you may have been the means of saving some poor sufferer perhaps from total deafness. In England scientists for a long time past have recognized that catarrh is a constitutional disease and necessarily requires constitutional treatment.

Sprays, inhalers and nose douches are liable to irritate the delicate air passages and force the disease into the middle ear which frequently means total deafness, or else the disease may be driven down the air passages towards the lungs which is equaly as dangerous. The following formula which is used extensively in the damp English climate is a constitutional treatment and should prove especially efficacious to sufferers here who live under more favorable climate conditions.

Secure from your druggist 1 ounce of Parmint (Double strength.) Take this home and add to it ¾ pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day, this will often bring quick relief from distressing head noises. Clogged nostrils should open, breathing become easy and hearing improve as the inflammation in the eustachian tubes is reduced. Parmint used in this way acts directly upon the blood and mucus surfaces of the system and has a tonic action that helps to obtain the desired results. The preparation is easy to make, costs little and is pleasant to take. Every person who has catarrh or head noises or is hard of hearing should give this treatment a trial.

Comiskey Has His Back to the Wall—American League Support for Contention of the Minors is Reported

ST. LOUIS, Jan. 9.—Another new record has been created in the history of baseball finance by a report from Houston, Texas, quoting Branch Rickey, manager of the St. Louis Nationals, as stating that the club had received a bona fide offer of $300,000 and four players for Rogers Hornsby, the Cardinal's second baseman, and champion hitter of the National League.

This figure more than doubles the reported purchase price given by the New York Yankees for "Babe" Ruth,, in a deal which was conceded to put a record valuation of a player's services, and is just twice the size of an offer made by the New York Nationals for Hornsby early last season.

Got Him Out of Mighty Bad Fix

HALIFAX MAN SAYS TANLAC OVERCAME HIS TROUBLES AFTER TWO YEARS SUFFERING

"If the people who have suffered and tried other medicines until they have become downhearted and discouraged only knew what I know about Tanlac, they would lose no time in getting a bottle," declared Giuseppe Di Benedett, 182 Grafton Street, Halifx, N. S., recently.

"Nothing ever helped me until I got Tanlac ,and that's over two years in my efforts to find relief. My stomach was so out of order my food just would not digest properly, and after every meal I bloated up terribly from constipation, and always had a dull headache. Often for days at a time I was so dizzy I ws almost blind, and I was so nervous I had trembling spells when I shook like a leaf. Nights I often lay awake until two or three o'clock in the morning before I could go to sleep.

"Finally I began noticing Tanlac testimonials in the paper and decided as I had tried so many medicines, I might as well try this one. So I got a bottle and also a supply of the laxative tablets. I got better right from the start, and I want to say those tablets are the best thing I ever saw or heard or for constipation. I can eat anything I want without suffering afterward, and my appetite is simply enormous. I am completely free from constipation and all those headaches and dizzy spells and I go to sleep now almost as soon as my head touches the pillow. Tanlac certainly got me out of a mighty bad fix."

Tanlac is sold in Charlottetown by Reddin Bros., in Montague by H. J. Mabon, J. P. White, Murray River, H. M. Chisholm, North Tryon, R. H. Coohon, Murray Harbor, Lord's Company, Borden, Lord's Company, Cape Traverse, and Lord's Company, Carleton, J. W. McEwen, Bristol, A. J. McNevin, Bonshaw.

CHRISTMAS EXAMINATIONS.—A very successful school closing examination was held at Glen Williams School on Friday, December 24th. The pupils were examined in the following subjects by their teacher, Miss Mary McDonald: Reading, Spelling, Grammar, Geography, British and Canadian History, Exercises in Drawing and Penmanship were also most favorably commented on by the visitors present. That Miss McDonald has done her work faithfully and well during the last school term, was most clearly shown, as a result of the examination, and visitors and rate payers present felt fully satisfied that the school is making rapid advancement under her careful tuition. A well selected programme of songs, dialogues and recitations was rendered by the pupils in a most pleasing manner, after which Santa appeared and helped to unburden a well laden Christmas tree. There was the usual exchange of gifts between pupils and teacher, showing the love and good fellowship existing between them, sweets in abundance were distributed, and all were happy and well content.

The Charlottetown Driving Club

The annual meeting of the Charlottetown Driving Club was held on Friday night in their rooms, Queen Street with about 40 members present. The statement of the year was submitted which showed a small deficit. During the winter of 1920 eight race meets were held on the ice which gave a great deal of pleasure to the people of town and coutry. The club also put on a number of matinee races during the summer alone and in conjunction with the Orangemen, Caledonian Club, etc. In this connection they wish to express their thanks to the Charlottetown Driving Park Association for many courtesies extended. The election of officers for 1921 resulted as follows:

President—H. C. Hooper, Vice Pres A. E. Acorn, Secy-Treas—J. S. Wedlock, Racing Committee—P. S. Brown, H. Kelly, D. A. McKinnon

Track Committee—P. Conroy, W. P. Fox, J. A. McEachern

Timers—J. S. Wedlock, Ed. Acorn.

Judges—H. H. Horne, R. Steele, Leonard Wood.

Starter—P. S. Brown.

A vote of thanks was tendered to Mr. Frank Hughes for his valuable services as starter for the past several years. Many fine tributes were paid to Mr. Hughes for his fairness and his splendid services to the club.

It was decided after considerable discussion to have all the races during the winter on the three heat plan—every heat a race. This should make for fast racing and no laying up of heats.

The first race meet of the winter will be held as soon as the ice permits and will consist of two classes viz—Class B. Pace Wilfred Hal; Colonel D.; Winnifred W; Sunny Jim; Ed. Loconda and Paiola.

Class B Trot:—Mary Pickford; Juanita Aubrey; Albert J. and Harry B.

Mr. George Prowse the popular proprietor of The Toggery has intimated that he will offer a prize to the winner of the Free-for-All Trot and Pace. This will prove a stimulus to the owners of fast trotters and pacers and Mr. Prowse has the thanks of the fraternity for his kindness.

Her aged father and one sister, Margaret are living in Brooklin, Mass, and Mrs. Patrick Mullins, living in Millburn, P. E. I. also survive. Deceased was 40 years of age. She was a loving wife and kind mother. She was beloved by all who knew her. She leaves a large circle of friends who offers their sympathy to her bereaved husband. The funeral left her home on the 24th for St. Theresas cemetery. The pallbarers were Joseph Fisher, James Fisher, Leonard Ryne, Richard Elefert, Baroma O'Brien, and Thomas Kelly. The funeral service in the church and at the grave was performed by the Pastor Rev. I. R. A. McDonald. May her soul rest in peace.

MR. DONALD McQUARRIE

The death occurred in the Prince Edward Island Hospital on Dec. 14th, 1921, of Donald McQuarrie of Rice Point, aged 66 years, after an illness of five months of bladder trouble, borne with christian patience and resignation and attended by faithful nurses and matron who did all in their power to alleviate his sufferings.

The late Mr. McQuarrie, who was the son of Allan McQuarrie, Elder of Rice Point and Isabella Campbell was a successful farmer of fine standing in the community, respected and loved for his sterling qualities of heart and hand. He was a staunch member of the church of Scotland and was always foremost in furthering any good cause.

He leaves to mourn a sorrowing widow, Janet McDonald, daughter of the late John McDonald, Nine Mile Creek, and two sisters, Mrs. Hannah McNeill, Nine Mile Creek; and Mrs. Janet Latham, of this city.

The funeral took place on Wednesday to Canoe Cove Cemetery, Rev. Donald D. Lamont performing the services at the house and grave a wide circle of friends being in attendance to pay their last respects. The Guardian joins in sincere sympathy to the bereaved.

His sickness sore with patience bore
Physicians were in vain;
Till God was pleased to give him ease,
And free him from all pain.

THE LATE DONALD McPHAIL

There passed peacefully away at Bonshaw on December 27th, Mr Donald McPhail, aged 70 years. Mr McPhail was in robust health, till he contracted pneumonia and only lived six days. He was a life long resident of Bonshaw, and served as a blacksmith of that place for 60 years. One week previous to his death, he worked at his trade. Mr McPhail was a life long member of the Church of Scotland, where in his early days he was brought to a knowledge of his Lord and Saviour Jesus Christ. So that when the end was near, he was heard to sing his own familiar psalm 23; also his hymns and to praise his Saviour who brought him from darkness to light. So that death to him was only passing from this life to a higher and greater life to be forever with the Lord. The funeral sermon was conducted by his Pastor, the Rev. Jas. McDougall, who spoke from the Gospel of St. John 14 Chapter. The remains were laid to rest at Argyle Shore Cemetery. He leaves to mourn a sorrowing widow Catherine McCalder and seven sons, Daniel who resided with John J., at home. James J., Westboro, Mass.; Alexander of Lowell, Mass.; Paul of Lowell, Mass.; William of Lowell, Mass.; Malcolm of Maine. The pall bearers were Angus Cameron, John Cameron, James MacPhail, J. J. McLeod, William Boyce, John Gillis.

UNITED STATES RUBBER.—There is every reason to believe directors of United States Rubber Co., at their meeting January 7, will vote to continue the present quarterly dividend rate of $2 a share on the common. There will be placed before the directors an outline of results of the company's operations in 1920, together with other facts on the general position of the company. While there are some unfavorable factors, it will be found that United States Rubber is in a position which warrants continuance of common dividends at their present rate, for the time being at least. There has been a perceptible falling off in tire business, but, due to last winter's severe weather, which created an enormous demand for boots, rubber, overshoes, etc., 1920 footwear business exceeded any previous year. In addition there has been almost as great a demand for mechanical rubber goods, which, with footwear, constitutes more than two thirds of the company's business.

DRY FORCES SUCCEED—"Dry" forces have succeeded in putting through the Dutch Parliament after a hard fight, a law increasing the internal revenue on spirit 150 per cent and on beer 100 per cent after Jan. 1. As the present tax amounts to approximately 1.50 guilders a liter on gin manufactured in Holland and 3.50 guilders a liter on imported whiskey, cognac, etc., the effect of the increase, according to the "drys" will be to make spirits practically prohibitive for the poor. The beer tax increase is not expected to change the price materially.

This is a move in the right direction and it is to be hoped that ths resolution will be maintained through the hockey season, as the public don't like long waits.
