To Enliven The Liver

KIDNEYS AND BOWELS TO PREVENT DISEASE BY CLEANING THE SYSTEM—YOU MUST USE DR. CHASE'S KIDNEY-LIVER PILLS.

There's a need in every home of a medicine that will promptly cure biliousness, kidney derangements and constipation.

A medicine that by cleaning the filtering and excretory organs will remove all poisonous waste matter, and by so doing prevent fevers, colds and such deadly diseases as dropsy, diabetes and Bright's disease.

No medicine satisfies this need so well as Dr. Chase's Kidney-Liver Pills.

This is no idle boast, but an absolute fact that is backed up by the testimony of a hundred thousand homes.

The reputation of Dr. A. W. Chase as author and physician is the guarantee which first made this great medicine popular.

Now it stands on its record of cures—a record which has seldom if ever been paralleled in the history of medicine.

As a treatment for backaches, headaches, indigestion, aching limbs, liver derangements, kidney disorders and constipation, Dr. Chase's Kidney-Liver Pills are prompt, thorough and effective.

Once their merit is tested they are kept in the house and relied on in cases of emergency. By keeping the liver active and the bowels regular they positively prevent serious disease.

Mr. Wm. C. Purdy, Bridgetown, N.E.S., writes: "When I wrote to you for Dr. Chase's Kidney-Liver Pills, I was a sufferer from kidney disease, stomach trouble and liver and bowel disorders. By using one pill at bed-time every night my health gradually improved until I can say that I am in better health than I have been in for twenty-five years. All other medicines failed but Dr. Chase's Kidney-Liver Pills cured me."

One pill a dose. 25 cents a box at all dealers, or Edmanston, Bates & Co., Toronto. Dr. Chase's Backache Plaster promptly eradicates pain and may be used on any part of the body.

Straife in the presence of a few immediate friends of the contracting parties. Miss Lena Heckbert, Summerside was bridesmaid and Leonard Cameron, also of Summerside supported the groom. Congratulations.

The home of Archibald and Mrs. Brander, Burlington, was the scene of a gay festivity last night when their only daughter Miss Fannie M., one of the most popular young ladies of that community, was united in marriage to Fraser Mann of the same place. The marriage ceremony was performed in presence of a large number of the relatives and friends of both contracting parties by Rev. A. Steeling, Kensington. The bride was assisted by Miss Melvina J. Mann while Russell Oulton, Alberton, supported the groom. A superior display of wedding gifts testified to the popularity of the happy couple. In common with their many friends The Guardian joins in congratulations.

A Greenmount correspondent writes that Christopher Tranten has lately purchased the beautiful little farm in Greenmount Centre formerly owned by the late Edward Lynch. Mr. Tranten is a native of Sussex N. B. and in early life resided in the United States. For fifteen years he labored faithfully in the Salvation Army but owing to poor health about a year ago was compelled to give up the work he dearly loved. He is a fine jovial fellow and all will be glad to hear him here. He intends raising poultry. Thomas Hamill has returned to Boston. Though owning a large farm here and running an extensive pig business he prefers to work in the U. S. His brother, Joseph Hamill has charge of his farm, and though in poor health makes every turn tell. He has recently raised a fine foal which he sold to George C. Gordon for a handsome sum.

The half yearly examination of Cape Wolfe School took place on the 20th inst. with a large number of rate payers and quite a number of ladies present. The pupils were examined in the different branches by the teacher and visitors, and every class without exception acquitted themselves well. The samples of writing for the age of the majority of children present is hard to beat and in the reading and other lessons, but particularly in geography, both teacher and pupils are to be congratulated. The people may justly feel proud of the success of the teacher, Miss Ella Costain who belongs to the district. After the examination, recitations were given by a number of the pupils in which each sustained his part well and where all did so well it would be impossible to make special mention of any particular item. Short addresses were then given by William A. and P. J. Bulger, J. W. Lidstone, John M. Reilly and others. All expressed themselves very much pleased by the improvements in all branches since last examination and cordially thanked both teacher and pupils for the splendid afternoon's entertainment. The meeting was brought to a close with singing by the Misses Irene and Jesse McEachern and Miss Ruby Costain. - Com.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out of this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
