1 CENT SALE

THIS WEEK AT THE REXALL DRUG STORE

Wednesday — Thursday — Friday — Saturday

JUNE 3rd, 4th, 5th and 6th.

A PROFIT-SHARING METHOD OF ADVERTISING

This sale has been developed by the United Drug Co., as an advertising plan. Rather than spend large sums of money in other ways to convince you of the merit of these goods, they are spending it on this sale in permitting us to sell you two full size packages of high quality merchandise for the price of one, plus one cent. It costs money to get new customers but the sacrifice in profit is justified, because we know the goods will please you.

As an illustration: The standard price of Klenzo Dental Paste is 50c, you buy one tube at this price and by paying 1 Cent more, or 51 cents, you get two tubes, and save 49 cents. Every United Drug Co., article in this sale is a high quality guaranteed product, just the same as is sold every day at the regular price. No limit—buy all you want, but on Wednesday, Thursday, Friday and Saturday only!

For those who enjoy luxurious travel

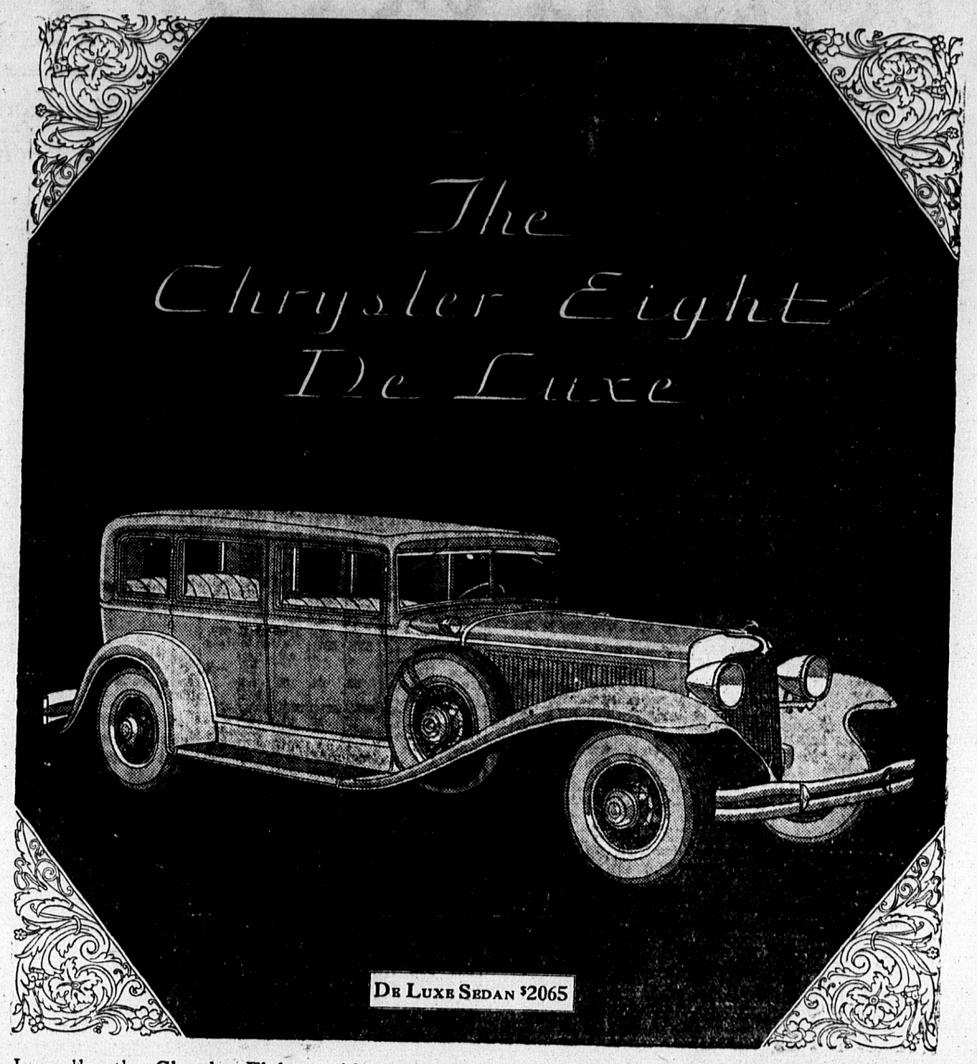
BEFORE now you may have looked at moderately-priced motor cars you thought were admirably smart, but—*look at this Chrysler Eight De Luxe.*

Before now you have driven in moderately-priced cars which seemed to be very rich and very comfortable, but we ask you—*ride in this one.*

Before now you have driven moderately-priced cars you may have considered to be highly capable in performance, but again we ask you—*drive this one.*

This de luxe edition of the Chrysler Eight is patterned after the magnificent Chrysler Imperial Eight. It has that smart double windshield with chrome-plated frames; that lengthy sweep of line; that extremely graceful effect resulting from a low center of gravity; that visible staunchness that denotes a car of fine quality—that *aristocratic* look.

It has unusually *small wheels* and unusually *large tires*, maintaining normal road clearance, but greatly enhancing the car's smartness as well as adding much to de luxe riding comfort. Equipment includes six wire wheels.



Inwardly, the Chrysler Eight De Luxe is sumptuously spaced, upholstered, trimmed and fixtured. Bedford cord or mohair upholstery of extremely rich weave and quality. Floor carpetings of high-pile luxuriousness. Soft seat backs and cushions with the deep, embracing comfort yielded by Marshall-type springs—the very finest.

It is a car of de luxe *power*, de luxe *speed*, de luxe *pick-up* and de luxe *smoothness*, as well as a car of de luxe style and appointments.

Its big, quiet engine is insulated from the frame by live rubber; has a perfectly balanced crankshaft, fully counterweighted — and generates with ease a good 95 horsepower.

Eighty miles an hour — if you want to travel at eighty miles an hour—and if you don't, the power that makes this speed possible enables you to "float" along at moderate speeds without consciousness of engine effort.

A vital factor of this large car's de luxe performance is the Chrysler Multi-Range 4-speed transmission with Dual High gears. Two high gears instead of one. A high gear for city driving and another for the open road. Both gears are of a patented internal-mesh design, which means that you can shift from either high to the other in an instant, at any speed, without clashing.

Drive this Chrysler and "Learn the Difference." Learn new things about pick-up. Learn new things about speed. Learn the difference in ease of handling—due to pivotal steering and internal self-equalizing hydraulic brakes.

When you place a Chrysler Eight De Luxe alongside of any other car of similar price you realize at once that Chrysler value, like Chrysler performance and Chrysler style, is on the plus side in Chrysler's favor.

See the Chrysler Eight De Luxe today—it is now on display.

—HIGH SCHOOL RACE TRACK —Summerside High School is coming to the front in sports this year. Mr. John A. Lea is coaching the boys and has about forty training for the Interscholastic meet which is coming off in the near future. A 100-yard track has been finished and it is anticipated that a track one fifth of a mile will be constructed around the baseball diamond, which is in the centre of the grounds. Sports should be a part of the curriculum of every school, as it develops the character of boys and girls and it is pleasing to note that the school authorities are encouraging the boys in this particular part of their school life.—S.

ROCKY POINT AND VICINITY

Seeding in this section is mostly completed, a great number have their early turnips in. Notwithstanding the low price of potatoes and slump in general, the farmers are busy putting on fertilizer and planting as large an acreage of potatoes as formerly.

The Ringwood Women's Institute has been entertained by Mrs. H Georveatt and Mrs. R. Mahler and the members entertained at the home of Mrs. Wm. Mutch. A good attendance at all meetings. Roll call was answered by my first school teacher, connundrums and short cuts on housekeeping. A book case for a library has been placed in the school. Groceries supplied fo needy family in next district. Fruits and flowers sent to the sick. Kindly acts show the spirit of the members. Plans are under way for ice cream social on June 3rd.

Mrs. White, sister of Mr. Garnet Campbell, who was reported seriously ill some time ago, has passed away at her home in Cambridge, Mass, burial taking place in that city.

We are sorry to report that we still have sick patients in our midst, namely, Misses Ella Murphy and Jessie MacMillan and Mrs. Wm. MacLean. It is sincerely hoped that a change for the better in each case will speedily take place.

Mrs. Minnie MacIsaac, who has been undergoing treatment all winter, part time in the hospital, is progressing favorably.

Herbert Georveatt, manager of the farm for R. L. Cotton, of the Summer Resorts, has been appointed light keeper for the range lights in the harbor.

Mr. Nelson Currie, Block House light keeper, had the misfortune to lose a fine cow lately.—R.
