BANQUET TO CHOIR.

On the evening of the 17th of Feb. the trustees of the Presbyterian Church, Marshfield, and their friends, tendered a banquet to the members of the Choir. Despite the unfavourable condition of the roads quite a number gathered to the Manse, where the banquet was held. At nine o'clock, supper being announced, all repaired to the dining-room to partake of the feast of good things. Mr. Spencer presided and in a few words explained the object of the gathering, and called on W. J. Gibson who read the Duncan Darrach on behalf of the trustees presented the organist, Mrs. J. T. Ferguson with a very handsome parlor mirror.

ADDRESS
To the Leader, Organist and members of the choir of St. Columba Church:—
Dear Friends:—As trustees and members of this congregation, we have invited you to the Manse this evening in social gathering, and we take this opportunity to assure you of the appreciation in which your services to our congregation are held. You have been asked by the Session to do this work—so essential to the proper conducting of the service of Praise in the public worship of God.

In our opinion, you do your work nobly, not only, we trust, with eye service as men-pleasers—but in singleness of heart praising the Lord—remembering that in rendering this service in the Church you do a noble work for God. To you, Mr. Ferguson, and through you, as leader, we tender this banquet to the several members of the choir. To them we cordially extend heartiest greeting. Possessed of the high, noble and sweet gift of song they could not use and exercise it in a better or more God glorifying sphere, and we the congregational friends, appreciate their services, and wish them well in every relation of life. You will all accept this our festive courtesy in the spirit in which it is given—that of hearty fellowship and well-wishing.

To yourself, as leader of this band of workers, we assure our sympathy in your noble calling, and ask you to go on as you have in the past, to press forward, to not become weary in well-doing, but to reach out and up to even yet higher attainments leading onward those under your direction to larger, greater and better things. Our hearty sympathy and best wishes are yours. Your gifts are of a high order. They are well used in the divinely ordained service. Please accept our greetings and good wishes.

To you, Mrs. Ferguson, the organist, we affirm the great value of your services to the congregation as a talented worker in the Lord's service. We esteem you your admiral qualifications, and the faithfulness with which you have served, and hope that you may long be spared to minister in your sphere. We pass to you this small gift as a token of our regard and fervent wishes.

To you all may you continue in harmony in one accord, in fervent zeal and kindred fellowship, faithfully ministering to the glorifying of God in the Church on earth till you receive the great reward of Him you praise in song.

John Stetson, Chairman
W. J. Gibson, Sec'y.

Mr. Ferguson on rising to reply heartily thanked the trustees for their kind words of appreciation and hoped it would stimulate the members to press forward and do even better work than in the past. He also thanked the trustees on behalf of Mrs. Ferguson for their very beautiful gift. Supper being ended the remainder of the evening was very pleasantly spent in games, music and song. Before leaving a vote of thanks was tendered to the host and hostess and the ladies who had gone to such trouble in preparing the supper. Mrs. Spencer replied in her humorous and able manner and hoped that they would have more of those social gatherings. After singing the National Anthem the company left for their homes feeling that it was good to have been there.

And Further Resolved that in the conduct of such negotiations the condition laid down by the Legislature of Newfoundland should not of necessity be considered an insuperable obstacle.

The condition above referred to is as follows:—The government of Canada shall purchase the immediate property in the Reid line of and operate the same in connection with a line of steamers from Port au Basque to North Sydney as an extension of the I. C. R.

The White Plague Follows Colds

Neglect the Cold and Consumption Finds an Easy Starting Point—You Can Cure the Cold by Using

DR. CHASE'S SYRUP OF LINSEED AND TURPENTINE.

Consumption begins with a cold. If you check the cold you prevent consumption.

By the use of Dr. Chase's Syrup of Linseed and Turpentine you can cure the cold and avoid the risk of serious developments.

It lessens the coughs, aids expectoration, clears the choked up air passages, and thoroughly cures the cold.

There are many newer medicines than Dr. Chase's Syrup of Linseed and Turpentine, but few that have been so long before the public, and none with such a grand record of success in curing disease and consequent enormous sales.

Especially in the treatment of croup, bronchitis and severe chest colds this great prescription of Dr. Chase has easily taken the lead. It is far more than an ordinary cough mixture, and can be depended on even in the most serious cases.

Don't be satisfied with new and untried remedies, when you can obtain Dr. Chase's Syrup of Linseed and Turpentine from any dealer at 25 cents a bottle.

Mrs. Clarence Slaunwhite, Mahone Bay, N. S., writes: "My husband has been using Dr. Chase's Syrup of Linseed and Turpentine for bronchial trouble and finds that it has done him a great amount of good."

Mr. William Brock, Chaudiere Junction, Que., writes: "I wish to say that I have been using Dr. Chase's Syrup of Linseed and Turpentine this winter with very great benefit. Being exposed to all sorts of weather I frequently catch cold and have found this the best remedy for both throat and chest troubles."

To protect you against imitations the portrait and signature of Dr. A. W. Chase, the famous receipt book author are on every box.
