

THE CABOT IS AGAIN DEFEATED

The Cabot again met bad luck in her second race against the Citou in Sydney, Monday.

A ten knot breeze was blowing but the halyards of the Cabot while rounding Prince Edward buoy 7 of a mile astern gave way and the mainsail went over and the Citou finished alone.

The next race will be on Saturday when the Cabot will be fitted with her new sails and will likely do better.

PERMANENT CURE FOR NEURALGIA.

Experienced sufferers state that no remedy relieves neuralgia so quickly as a hot application of Folsom's Nervine, the strongest liniment made. Nervine is certainly very penetrating and has a powerful influence over neuralgic pains, which it destroys almost at once. Nervine is highly recommended for Rheumatism, Lumbago, Sciatica, and Toothache. Better try a 25c. bottle, it's all right.
