

**GIRLS! CLEAN AND BEAUTIFY HAIR
NO DANDRUFF--25 CENT DANDERINE**

Stop washing hair! Try this! Makes hair glossy, soft and abundant.

Surely try a "Danderine Hair Cleanse" if you wish to immediately double the beauty of your hair. Just moisten a cloth with Danderine and draw it carefully through your hair, taking off small strands at a time, this will cleanse the hair of dust, dirt, or any excessive oil—in a few minutes you will be amazed. Your hair will be wavy, fluffy and abundant and possess an incomparable softness, lustre and luxuriance.

Besides beautifying the hair, one application of Danderine dissolves every particle of dandruff; invigorates the scalp, stopping itching and falling hair.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation; it goes right to the roots invigorates and strengthens them; its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful.

You can surely have pretty, soft, lustrous hair, and lots of it, if you will just get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter and try it as directed.

**Two Minds with
but a Single Thought—**

and that was

He: "Well, well! No more darned old socks, my dear. See what I bought!"

She: "Oh Jack—Penman's hose! And I just bought some for you this afternoon. I was getting some for myself, and thought I'd surprise you with half a dozen pairs. Just think, Jack! You won't need any more hose for ever and ever so long—Penman's wear so well!"

Can You Stand the Test?

These are times that bring to the front the best manhood of Canada. Whether you stay at home or go to the Front it is the hour of trial that calls for mental stamina and physical endurance. You cannot get them from books or sermons. The body must be daily nourished by foods that build good muscle, bone and brain.

SHREDDED WHEAT

contains the maximum amount of body-building material in the smallest bulk and at the lowest price. It is ready-cooked and ready-to-serve—a food for youngsters and grown-ups, for athletes and invalids, for any meal, in any season.

For breakfast heat the Biscuit in oven to restore crispness and then pour hot milk over it, adding a little cream. Salt or sweeten to suit the taste. Better than mushy porridges that are boiled down without chewing. A hot, nourishing breakfast for a chilly day. Deliciously nourishing for any meal with sliced bananas, baked apples or canned or preserved fruits of any kind.

TUESDAY.

HANDSOME SUM.—The proceeds of the recent high tea held in the Market Building in aid of the Charlotetown Hospital netted a handsome sum, \$261.74 being realised. This is the largest sum yet realised in this manner by the Hospital, and it will enable this worthy institution to materially further its grand and noble work.

SUMMERSIDE, Nov. 3 (1.45 a.m.)—Citizens were startled this morning by a general alarm for a fire in the wood working factory of Messrs M. F. Schurman & Co. The fire was discovered in a wing of the building which had been used largely for storing purposes. When the firemen arrived, which they did with their usual smartness, the blaze in the vicinity of such a large quantity of dry lumber looked exceedingly threatening, but "the boys" went to work systematically and in a few minutes had succeeded in subduing the flames. A considerable quantity of stored lumber was destroyed, and some machinery damaged. The main building in which the factory proper is located was not damaged. The origin of the fire is unknown. At this late hour it was impossible to ascertain any particulars as to insurance or an estimate of the damage.

SOURIS ITEMS.—Mr. Tennant of the Department of Agriculture, Ottawa, accompanied by Mr. D. J. Mullin, Inspector of Schools, came to Souris on Saturday, after spending the week visiting schools and lecturing upon Nature Topics.—Mr. Ronald Gillis, St. Peter's, spent Sunday visiting friends in Souris.—Mr. Joseph Donette, St. Charles, who for the past month has been employed by Mr. Frank Mullally, Souris River, returned to his home by the afternoon train Saturday.—Mr. Angus D. McCormack, St. Margaret, paid Souris a business trip on Saturday.

Miss Delle Garrett, Souris, was a passenger west on Saturday afternoon.—Rev. E. E. Styles of Souris was a passenger to York, Saturday afternoon.—Rev. E. A. Westmoreland, York, preached in the Methodist Church, Souris on Sunday evening.—Miss Perry was a passenger returning to her home in St. Charles on Saturday afternoon.

P. W. C. DEBATE.—Resolved that organizations (as trade unions, societies, etc.) the more beneficial that detrimental to society, was the resolution chosen for the P. W. C. debate which was held Tuesday, Oct. 27. The meeting was presided over by the President, J. Sydney Bonnell. During the hour the audience listened with keen interest to the many forceful arguments set forth by the different speakers. The resolution was supported by Milne Campbell, assisted by Bessie Forsythe, Harold Leach and Malcolm McDonald. The leader of the negative side was Raymond Newsome, assisted by Ruth McPhail, John Buchanan and P. McIntyre. After the several speeches had been delivered, a vote was then taken and resulted in 33 in favour of the resolution and 39 opposed to it. The critic, Leith Webster, then expressed his approval of the debate, commenting especially on the preparation given to the speeches. After listening to words of exhortation and advice from the Hon. President, Dr. Robertson, the debate was brought to a close.

LORDS' DAY ALLIANCE.—The local Lord's Day Alliance met in Annual Session in the Y.M.C.A. at 4 p.m. yesterday. Rev. T. W. Brown, President, in the chair. The secretary, Mr. J. A. Lawson, read the minutes of last meeting, and a financial statement, showing that over one hundred dollars was given to the head office during the past year. Rev. G. W. Mingie, Secretary for the Y.M.C.A. and the lower Provinces, being present, spoke of the good work that was being done in Canada, and of the state of the funds of the Dominion Lord's Day Alliance. The following officers were elected for the ensuing year, viz: Rev. G. C. Taylor, President; the

**Severe Pains
Around The Heart
ARE NEARLY ALWAYS CAUSED
BY STOMACH TROUBLE.**

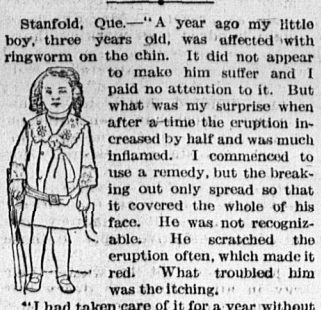

Don't let a pain in the region of the heart frighten you into thinking you have heart disease. Just as a pain in the back seldom indicates kidney trouble, so pain near the heart is scarcely ever present in organic heart disease. The pain is nearly always caused by stomach trouble for the stomach and heart are connected by many nerves, and gas on the stomach causes pressure on the heart.

The alarming pains will disappear if you tone up the stomach, eat the right things and don't worry. Dr. Williams' Pink Pills for Pale People are the best stomach tonic. One or two Pills after each meal soon produces a healthy appetite, the food does not distress you, you are no longer troubled with gas, sour risings in the throat, and those misleading pains around the heart. Strength and energy return, and the rich, red blood carries renewed vitality to every part of the body. Mrs. Henry Connolly, Brookvale, P. E. I., says: "For a number of years I was a great sufferer from indigestion which, despite all the treatment I took, was gradually growing worse. I would sometimes feel as though I was smothering, and when the trouble came on I would suffer from violent palpitation and pains around the heart which greatly alarmed me. I was under doctor's treatment for a long time, but with no benefit. A friend suggested Dr. Williams' Pink Pills and I decided to try them. In about a month I felt much better and by the time I had taken another four boxes I was in the best of health and able to eat all kinds of nourishing food. It is now several years since I was cured and I have never felt a symptom of indigestion since. I take every opportunity of recommending Dr. Williams' Pink Pills to friends who are ailing."

If your dealer does not keep these Pills you can get them by mail at 50 cents a box or six boxes for \$1.25 from The Dr. Williams' Medicine Co., Brockville, Ont.

**RINGWORM COVERED
CHILD'S FACE**

Much Inflamed. Child Not Recognizable. Troubled with Itching. Used Cuticura Soap and Ointment. Free from Trouble.

Stanford, Que.—"A year ago my little boy, three years old, was affected with ringworm on the chin. It did not appear to make him suffer and I paid no attention to it. But what was my surprise when after a time the eruption increased by half and was much inflamed. I commenced to use Cuticura Soap and Ointment, but the itching only spread so that it covered the whole of his face. He was not recognizable. He scratched the eruption often, which made it red. What troubled him was the itching.

"I had taken care of it for a year without doing him any good. Then I sent for some Cuticura Soap and Ointment. I washed his face morning and evening with Cuticura Soap and warm water before applying the Cuticura Ointment. At the end of a month he was completely free from the trouble." (Signed) Mrs. Alfred Trepanier, Mar. 10, 1914.

Samples Free by Mail

For red, rough, chapped and bleeding hands, itching, burning palms, and painful finger-ends with shapeless nails, a one-night Cuticura treatment works wonders. Soak hands, on retiring, in hot water and Cuticura Soap. Dry, anoint with Cuticura Ointment and wear soft hangings or old, loose gloves during the night. Sample of each mailed free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. D, Boston, U. S. A."

pastors of the city churches, vice-presidents; Mr. J. A. Lawson, Secy-Treas., and the following Executive: C. G. Moore, E. T. Higgs, Dr. Ayers, G. F. Hutcheson, W. T. Huggan, J. T. McKenzie, Dr. Blanchard, T. C. James, A. W. Stenas, A. F. Webster, Judge Hazard, W. S. Louison, W. L. Cotton, W. A. O. Morson, H. Williams, L. McKay, W. McIntosh and A. Campbell.

GOOD WORK.—At the Y. M. C. A. on Sunday evening, Dr. Brown, of Chicago, gave an interesting discourse on his experiences in the Philippine Islands as a missionary. The Doctor described the manners of the natives, their houses, methods of cooking, etc., and was humorous and entertaining. Singing and sacred music supplied by a Victrola helped to pass the time pleasantly. There were about 55 fellows present and they all thoroughly enjoyed themselves. A similar "social hour" is spent every Sunday evening directly after the church service and has proved of considerable value already. The good work which is carried on by the Association does not confine itself to the young men alone; boys are also benefited by it. On Saturday night there was a Halloween masquerade Social for the laudable purpose of keeping the boys, old and older it was for those above 12— from destroying property. "Boys will be boys;" of course they will; and no amount of warning will hinder any youngster from removing doorsteps that stand out in any way prominently. Saturday night's function drew them all together, there were well over sixty at the Y. M. C. A.—and the assembly so depleted the ranks of outside "destroyers" that the latter were disinclined to be wicked. The social was interesting and prizes were offered, one for the best-dressed, going to Leslie Hughes. The comic athletic event was won by W. Morris.

WEDNESDAY

FURTHER PARTICULARS.—The fire in M. F. Schurman's factory, at Summerside, as briefly referred to yesterday, started about 1 o'clock on Tuesday morning. The southern building, containing the principal machines of the M. F. Schurman & Co's factory. The fire alarm was sounded and the firemen promptly responded. The whole inside of the factory was found in flames and it looked as though the building would fall in at any moment, but the firemen worked heroically and succeeded in saving the framework of the building. Four machines in the building were badly damaged and the heating apparatus. On the lower floor there was a large quantity of rough lumber which was badly damaged. The upper floor contained all kinds of dressed moulding and this was all practically destroyed. The firemen worked like slaves and deservedly for their labor. The loss is not yet known and only partially covered by insurance. As yet the cause of the fire is not ascertained.

Instructions to commence recruiting for overseas service in the 26th Infantry Battalion were received last night from Headquarters, 6th Division.

Those wishing to serve their country should report at once and be ready to leave for St. John, N.B., the place of assembly, without delay. The following must obtain the consent, in writing, of their parents before being enlisted:

- (1) Men under 21 years of age.
- (2) The only son of parents, who are dependent upon him.

Married men must obtain the consent of their wives, in writing. Recruits must have a minimum height of 5 ft. 3 ins., chest measurement 33 1/2 inches or over, and between ages of 18 and 45. The pay for the first year will be \$1 per day and 10 cents field allowance. In addition to the above, the wife and family of a volunteer will receive a monthly allowance of \$20 and also an allowance from the Patriotic Fund.

Captain T. E. MacNutt, of the 82nd Regiment, has been appointed recruiting officer for the Island and will be at the Drill Hall, Charlottetown, every day from 4 to 6 o'clock and 7.30 to 9 o'clock p.m. Those who are able to assist in serving their country will therefore report at said Drill Hall by end of this week if possible and be ready to leave at once for St. John to undergo training there previous to being sent overseas.

The recruiting officer asks the co-operation of all officers, non-commissioned officers, the Provincial and Civic Authorities and the general public in making the number of men leaving the Island as large as possible.

WOUNDED ISLANDER.—The first Islander to be wounded in the war, as far as is known, is Lieutenant James Morrison, son of Mr Peter Morrison, of Georgetown. Mr Morrison is a South African veteran and enlisted in Manitoba early in the campaign. A letter received from him states that he was wounded in the leg and is in a hospital in France.

FROM FIRST CONTINGENT.—Mr. E. H. Duvar, of this city, received a letter from his son, Mr. R. H. Duvar, of E. Co., First Canadian Contingent, written on board ship on the way to England. The letter describes, very graphically, the soldier's life on board a troopship and has many interesting things to tell of new scenes and new experiences. He refers to a marconigram that had been sent to a New York paper telling that the whole fleet of Canadian transports was sunk by Germans. The marconigram was intercepted by the ship's wireless and a contradiction promptly forwarded. The Island boys, he said, enjoyed the life on board immensely and all were eagerly anticipating the landing in England as ship life was becoming monotonous.

FARMERS MEET.—Professor Theodore Ross addressed a meeting of the Farmers' Institute at "Tracadie Cross on Monday evening last. He took for his subject the improvement of farm crops through better live stock, and pointed out that the fertility in farms was being depleted by marketing hay, oats, potatoes and other raw materials. He said that it cost 25 bushels of oats to grow an acre of oats, and the farmer who raised only 25 bushels to the acre was just covering the expenses of his labour. He emphasized the importance of big crops. One of the ways by which big crops could be secured was the use of more manure, and the best way to secure more manure on the farms was by keeping live stock. Professor Ross then went fully into the care and feeding of the dairy cow and advised the farmer to use it as a machine for extracting milk from raw product. At the close of his address complimentary remarks were made by Rev. Father McIntyre and Messrs Court, Duggan and others. Professor Ross was then asked to explain how pure bred stock could be had from the Live Stock Branch. He told them to make application at once to the Live Stock Commissioner, of the Department of Agriculture, Ottawa, for a pamphlet giving the rules and regulations for the distribution of pure bred males. There were about thirty-six persons present at the meeting.

As You Listen to the Band

EDISON PHONOGRAPH
(THE INSTRUMENT WITH THE DIAMOND POINT)

And such Bands as you may enjoy too!

Highlanders Bagpipe Band
United States Marine Band
Artillery Band of Mexico
Garde Republicaine Band
Sousa's Band
National Military Band
Police Band of Mexico
New York Military Band
and Johann Strauss' Orchestra.

The new Edison Phonograph has the diamond reproducing point, unbreakable and long playing records, superior motors and construction, concealed horns, and the Cabinets are made in true Period styles, in perfect harmony with the finest furniture.

As usual, Edison owners have everything worth while in the new melodies, the old favorites, selections from the classics, and the popular dance and song hits of the day. Come in and listen to the bands. Get the complete list of Edison Records and tell us just what you want to hear. We'll gladly play all your selections—and thank you for the opportunity of letting us demonstrate the manifold superiority of the Edison.
