"Y" Campaign Going Strong Closes Today

Division B. in the Y.M.C.A. financial campaign, under the leadership of George Craig put on a "burst of speed" yesterday to outstrip the field with 114.4 per cent of its objective of $1270 realized. The division took the flag from Division A which held it since the beginning of the campaign.

With one day of the four-day drive left workers turned in a total of $4,757.50, it was announced at the dinner last night. The figure represented 95.5 per cent of the $5,000 objective.

Analyzing the results of the campaign to date Clifford Schell, from the National Council, Toronto, pointed out on the 3rd day 76 per cent of the calls continued to result in subscriptions. It showed the extent the community was supporting the 83-year-old Association here, he declared, remarking that even the most optimistic of veteran campaigners would not estimate more than 75 per cent of the total calls would result in subscriptions.

A feature of the evening was the presentation of a beautiful bouquet to Mrs. Mary MacLean, president of the Ladies Auxiliary of the Y.M.C.A., under whose direction the campaign dinners have been furnished.

Division A, under the leadership of T. Roy Cudmore reported last night $311 for the day's work, making 104.7 per cent of the section's objective of $1460. Division B, headed by George Craig reported $452, or 114.4 per cent of the objective of $1270. Division C, Clifford McDonald in charge, reported $73, or a total of 93.9 per cent of the Division objective of $670. Mr. A. Belcher, reporting for the special names committee reported $120 subscribed yesterday, or 74.1 of the $1700 objective.

Division C retained the flag given for the largest per cent of workers present at the dinner.

As last night was the regular meeting night for the Y's Men's Club, Mr. Fred Holman, retiring president of the club presided, turning the meeting over to J. M. MacFadyen, chairman of the general campaign committee for reports of teams and division commanders.

Mr. MacFadyen announced he had an offer of $1,000 towards the building of a new Y.M.C.A. Building in Charlottetown. His announcement was greeted with loud applause.

Mr. E. L. Miles, chairman of the general campaign committee last year congratulated workers and leaders on the splendid results of the campaign to date and expressed his belief they would "go over the top."

The campaign is scheduled to conclude at a dinner meeting in the "Y" tonight.

REPORT GOOD CATCHES—Intrepid anglers braving muddy roads and cold weather have been returning with good catches of trout. But many were very reticent when it came to telling just where the good catches were made. On the other hand it was no trouble to find out where there were "no trout". One man the writer knows of returned with eighteen really nice fish from a morning expedition this week, and the catch was made not too far from Charlottetown. If the warm weather continues until country roads dry up members of the finny tribes would do well to retreat to safer areas. Or at least to "look before they bite."

WEATHER IMPROVING— Temperature was at the 52 above zero mark again yesterday as a south wind made rapid inroads into the tattered remnants of the winter snow blanket over the Province. Last night at 8 o'clock the temperature had dropped to 42 above, but with a rising barometer prospects were good for fair warm weather. Dirt roads throughout the Province were in bad condition, almost completely impassable for motor traffic and only "navigated" by horse drawn vehicles with difficulty. Frost coming out of the ground was responsible for most of the trouble. Although no official record was available independent observers in various sections of the Province told of four to four and a half feet of frost in the ground. Railroad men here said tracks in the Province were only just beginning to be troubled by frost coming out of the roadbed.

YOUNG CONSERVATIVES MEET—Two hundred enthusiastic members of the Young Men's National Conservative Association met in Charlottetown last night. The session, originally planned for the committee rooms, McLure Building Kent Street was held in the Board of Trade Rooms when the committee rooms proved inadequate to hold the large numbers of young Conservatives who attended. President of the Association, Don Grant presided and the principal speaker was Mr. R. R. Bell, candidate for the Second District of Queen's. Others who spoke included Hon. Dr. W. J. P. MacMillan, leader of the Conservative Party, Mr. J. H. Myers, federal candidate for Queen's, Percy Turner, president of the Provincial Conservative Association and George Art MacDougall secretary.

KINSMEN MEET—The regular meeting of Kinsmen was held last night at the Canadian National Hotel. Mr. A. R. Cooper, chairman of the general entertainment committee of the Confederation Week celebration and representing the Central Committee, outlined the programme prepared for this great event. Hogg, manager of the Charlottetown branch of the Confederation Life Assurance Co. He took for his topic "Life Insurance in Canada" and showed, by citing particular cases, the great benefits of this form of investment. Kinsman Ernie thanked the speaker on behalf of the club for his very interesting address. The guest of the evening was "Smiley" Sears from the Amherst Club.

Pope Calls For Crusade Of Prayer For Peace

VATICAN CITY, April 20—Pope Pius XII called on Roman Catholics "of all the world today to join through the month of May in a "crusade of prayer" for peace, urging especially participation by children, "who radiate innocence, gentleness and grace."

In the midst of reproaches, rejoinders and bitterness among nations, all insisting they are for peace, the Pontiff asked that Catholics pray to the Virgin Mary, and expressed confidence that "the heavenly mother will intercede, obtaining from her Divine Son liberation from present anxieties, the peace of hearts and fraternal concord among peoples."

A Vatican news service announced that the Pontiff probably would call a consistory for the end of May or the first of June for the naming of new cardinals.

The Pontiff received Premier Count Teleky and Foreign Minister Count Csaky of Hungary today, and foreign observers assumed they discussed conditions in central Europe.

The exhortation to pray for peace was made in a letter the Pope wrote his Secretary of State, Luigi Cardinal Maglione, who was instructed to make it public.

The Pontiff recalled that after his election March 2 and in his Easter homily he exhorted "all nations and their Governments to sentiments of justice and charity" in the interests of "greatly longed for Christian peace."

The letter concluded with a hope that "better times may arise for humanity, once mutual rancors are appeased, minds pacified and dissension among peoples controlled."

Will Strive To Refloat Freighter

As soon as the Northumberland Strait is clear of ice the powerful tug Foundation Franklyn of Halifax will attempt to drag the Norwegian freighter Nandi off the beach at South West Point, it was learned last night The hardy vessel weathered the winter without being harmed by drift ice.

(The Nandi met misfortune last Nov. 25. On her way to Charlottetown from Bathurst, N. B., in ballast, she was caught in a roaring gale and was tossed on the sand beach here which stretches for five miles out into Northumberland Strait.

(The 1,150-ton vessel is situated on the beach with her bow high and dry while her stern is in six feet of water. Two efforts of the Foundation Franklyn last fall to remove the Nandi were fruitless so it was decided to postpone refloating operations until this spring.)

Chief Engineer Jensen of the Nandi and Captain R. Featherstone, skipper of the Foundation Franklyn, visited the scene of the stranded vessel recently and completed plans for refloating her.

To aid the ocean-going tug in dragging the Nandi off the beach, it was understood a trench will be dug around the Norwegian boat, allowing water to flow in and partially support her. This method was expected to eliminate a great part of the dead weight.

BIRCH GROVE W. I.

The members of Birch Grove W. I. met at the home of Mrs. Trueman Paynter on Wednesday evening, April 12th.

The President presided and the meeting opened with the singing of the "Ode" and repeating the Creed. Thirteen members responded to Roll Call and four visitors were present. The minutes of the last meeting were read and approved after which the correspondence was read. A discussion on the Diptheria Clinic and the campaign for Control of Cancer then took place but nothing definite was decided on about the cancer control It was then moved and seconded that the collecting be done for the Red Cross Society as usual. The Government grant of $2.20 was also acknowledged. The collection amounted to 94 cents. The sick committee then reported having made several calls. After hearing the report of the school committee it was voted to get the articles that were needed for the school, also to have the windows cleaned as soon as possible. Mrs. Fred Moase invited the members to her home for the next meeting. Lunch committee: Mrs. John Lewis, Mrs. C.B. Matheson and Mrs. Oatway; program committee: Mrs. Austin Scales, Mrs. Everett Schurman and Mrs. Leslie Simmons. The program for the evening consisted of a reading and two contests. Blood Donors' Club Formed At City Hospital

An event of unusual interest to the people of this Province took place last evening at the Charlottetown Hospital when a group of young men were formed into a Blood Donors' Club. The Club was organized under the direction of Hon. Dr. W. J. P. MacMillan, medical superintendent of the Hospital and Rev. George McCormac of St. Dunstan's Basilica staff. Much credit is due Father McCormac who selected the men and inspired them with the idea of service to the Hospital and to the general public, and he was met with 100 per cent co-operation from those men.

Dr. MacMillan addressed the group and explained the necessity of blood transfusions and the desire of the management of the Charlottetown Hospital to make this service, as are all the other services, available to all, whether the patients are able to pay for it or not. These men are all physically fit, having had blood tests and medical examinations. They are not only doing a service to the patients but to the Hospital, the medical profession and to science.

At the conclusion of Dr. MacMillan's speech the following officers were elected:

Honorary President, Rev. George McCormac.
President, John Leightizer.
Secretary, C. E. Burke.
Treasurer, Sister St. Hugh.
Executive committee, Leo Corcoran, C. E. Burke and Eugene Kelly.

In Memoriam

JAMES HENRY BAKER

This eastern section of our Island has sustained another real loss in the passing on April 1st from this life of James H. Baker of North Lake. He was born where he lived all his life and died at the ripe age of ninety-one years.

Mr. Baker was married to Miss Lillian McDonald of Kingsboro, in December 1917, and she survives him. It was a very happy union and the home has been one with the finest of social and hospitable graces. Mr. Baker was an excellent neighbor, a splendid citizen, and a life long member of the Christian Church. In his church life he was always faithful and had many positions and appointments therein that he filled with dignity and honor.

The funeral was conducted from the Christian Church, South Lake, on April 3rd. The pallbearers were Messrs. J. E. Dingwell, J.A. McDonald, Chas. McCormick, Wm. Fraser, Edward Seaver, and Austin Fraser.

The sincere sympathy of the community goes out to Mrs. Baker in this time of her great loss.

MRS. ALFRED E. FYFE

A well known and beloved citizen of Stanley Bridge passed away at her home on April 5th, in the person of Mrs. Alfred E. Fyfe. Although not in the best of health for the last few years, yet her death came with startling suddenness. A slight stroke was followed by her death in a few hours, and early on Wednesday morning her spirit went to be with the Saviour she loved so well.

Mrs. Fyfe was the daughter of the late Henry and Mrs. McKie of Campbellton, New London, and her whole life was passed in that and the adjoining community of Stanley. Of a quiet, unassuming disposition, her interests were ever for the things of life that are worth while; thus her place in the United Church of which she was a member, especially the Woman's Missionary Society, will be hard to fill.

The funeral was held on Good Friday, and despite bad roads and unfavorable weather, large numbers of friends came from far and near to pay their last tributes of respect. The service was conducted by her pastor, Rev. George Tilley, who took for his text, "A Mother in Israel", paying high tributes to the life of the departed. Hymns sung were Lead Kindly Light, Sleep on Beloved, and Safe in the Arms of Jesus. A duet, The Old Rugged Cross was also sung. The casket buried beneath a wealth of flowers she loved so well, was tenderly borne to its last resting place. Pallbearers were her three sons, John, Gordon, and Elmer, and her three nephews, George MacLeod, Harold McKie and Eric Bell.

There are left to sorrow, her husband and three sons, and a wide circle of relatives and friends who will long cherish happy memories of her especially serene disposition.

Truly, "She being dead, yet speaketh."

MRS. HELEN LORD

The death occurred at Montague on Thursday, March 30th, of Mrs. Helen Lord, widow of the late Capt. Archibald Lord.

The late Mrs. Lord was born in Bedeque, P.E.I., and was a daughter of Edwin Farrow and Ada Baker. She lived there until her marriage to Archibald Lord of Tryon in December, 1869. The earlier years of their married life were spent at Lord's Mills, Tryon, and they afterwards moved to Victoria. After the death of her husband she spent several years with her daughter in Boston, returning to the Island in 1931 and has since made her home with her daughter Mrs. H. J. Mabon of Montague, where she passed away.

The late Mrs. Lord, who had attained the grand old age of 93 years was a fine Christian character. One who believed not alone in the theoretical side of Christianity but in the practical as well.

The fullness of her years lent to her keen mind a knowledge and understanding that did much to ease the way and direct the path of others. Looking always for the good she found and saw in the lives of others only things to laud. Always she sought for the sparks that were worthwhile, for in a life so truly Christian as hers there was neither time nor place for anything else.

For almost a century the late Mrs. Lord was able to look out upon the world; saw many strange dramas enacted upon its shifting stage. Things that happened in the prime of her life are almost, to many of us, ancient history. She was a fine interesting conversationalist; to converse with her was to get a finer, a broader and a more noble view of life. In her passing the home, the church and the community have lost a kindly friend, but the inspiring light of her noble character will long brighten the pathway, making it easier for others to follow.

The following are left to mourn their loss: three daughters, Mrs. H. J. Mabon, Montague; Annie, Montague; Mrs. Ada Spaulding Boston, Mass.; a sister, Mrs. Miller Sinclair of Boston, and a brother, Frank Farrow, Calgary, Alberta. Her husband and two daughters, Mrs. George Hibbett, Georgetown, and Mrs. Wm. Brien, Tisdale, Sask., and one son, Charles, Boston, Mass., predeceased her.

The funeral, after a short service at the home of Mrs. H. J. Mabon, Montague, conducted by Rev. H. Flanagan, pastor of the Baptist Church assisted by Rev. A. H. Long of the Montague United Church, left by motor hearse for Victoria, where interment took place. The service at the grave was conducted by the Rev. Stewart Trites of Tryon Baptist Church, of which the deceased was a member. G
