EXHIBIT OF MANUAL TRAINING AT THE ST. JOHN EXHIBITION

T. B. Kidner Will be in Charge—Student Classes Will Attend—Labour Day Selected as St. John Day at the Fair—Alterations in the Buildings.

At a meeting of the executive of the St. John exhibition committee held in their rooms recently, the chief question discussed was having a St. John day at the fair this year, and it was decided to use every possible effort to have such a day on Labor day, September 3rd.

Another important matter which received attention last evening was the offer of T. B. Kidner to conduct a manual training department at the exhibition.

The association accepted the offer of T. B. Kidner, superintendent of manual training in New Brunswick to supply a working exhibit of manual training with four to six benches in actual operation, by pupils from Kingston Consolidated Schools, who will come to the exhibition in charge of an instructor. This exhibit is in addition to exhibits of manual training work, which are promised from nearly all, if not all, of the schools in the provinces, in which this system is in operation.

It was decided to have season tickets for the public with thirteen admissions for one dollar.

The question of St. John Day was taken up and the feeling was very strong that an organized effort should be made to enlist sympathy and support from the citizens of St. John for this day. Mr. Milligan reported that on account of Monday, September 3rd, being a holiday, none of the railways would run excursions on that day, and it being a holiday for all in St. John that this would be the day for St. John Day. This is considered to be a very wise idea, and all will try to make Labor Day a great success as St. John Day.

SHOCKING TALE OF SLAVERY

ST. LOUIS, Mo., June 22.—Slavery still exists in Missouri. Charles M. Smith, a farmer, estimated to be worth half a million was arrested lately along with his son for peonage. Several others were implicated and warrants are out for them. The warrants are issued on complaint of John Reed and Henry Stokes, negroes, who told the district attorney that they had escaped from the 2,90 acre farm of Smith's where forty other negroes, including two women, whose husbands had deserted them were held prisoners. They said they were kept in a stockade guarded by men with rifles and received no pay for their work. They said that two months ago Charles M. Smith, jr., went to Memphis and hired thirty negroes to work on his farm. They were to get $1.50 a day with board or $2 without board. The work was to clear a large tract of uncleaned swamp and timber lands. Stokes told the district attorney that they were frequently knocked down and beaten with clubs. The women he said were forced to do men's work and not permitted to communicate with their friends who might have taken them away from the camp.

Sore Muscles.

Prominent athletes throughout the country find that the best treatment for sore muscles after severe exercise or hard work of any kind, is a hot bath at bed time, which opens the pores. This should immediately be followed with an application of Chamberlain's Pain Balm vigorously rubbed into the skin. This liniment removes all stiffness and soreness and has become a favorite rub down, as it acts promptly and keeps the muscles in excellent condition. For sale by all druggists.

What Does it Mean?

Dr. Hamilton Gives a Full and Satisfactory Explanation.

Look at your tongue!

Sometimes it's heavily coated sometimes it's clear and red.

Study this out and you'll find some interference with the functional activity of the body.

This means the bowels are not regular, the liver is sluggish and the blood is contaminated.

Strong cathartic pills act so destructively on the intestines as to provoke deathly sickness; this often frightens people from taking medicine when they badly need it.

To the multitude of dangerous purgatives now on the market, Dr. Hamilton's Pills are a notable exception, they neither gripe, cause sickly feeling or headache, yet they cleanse and purify the entire system in one night. No other laxative acts with such mildness and certainty. Giving proper stimulus to the liver and kidneys, strengthening the stomach and lending valuable aid to digestion, it's small wonder that such marvelous results accompany Dr. Hamilton's Pills.

Mr. Geo. O'Hogarty of Amherst, N. S., writes: "Last winter I worked in a lumber camp and neglected my health. I was dreadfully constipated and had a headache that fairly made me reel at times. I was sick and miserable, and hadn't the slightest ambition to work or stir around. I felt heavy and dull and had a bad taste in my mouth. I sent into the city for Dr. Hamilton's Pills, which I knew were good for my condition. They fixed me up very quickly and kept me in good condition ever since. There are other men in the camp that use Dr. Hamilton's Pills also. They say they wouldn't be without the pills for ten times their price."

Every dealer in the land sells Dr. Hamilton's Pills—25c per box or five boxes for $1.00. By mail from N. C. Polson, and Co., Hartford, Conn., U. S. A., and Kingston, Ont.
