NEWFOUNDLAND AGREES.

At Once With Canada in its Opinion of Dodd's Kidney Pills.

FORTUNE HARBOR, Nfld, Oct. 7. (Special).—However this Island and the Dominion stand on political questions, there is only theme on which they are unanimous, and that is their opinion of Dodd's Kidney Pills. In Newfoundland Dodd's Kidney Pills have duplicated their Canadian reputation. On all sides they are spoken of as a really wonderful medicine by those that have tried them, whose number increases every day.

Richard Quirk of this place writes about Dodd's Pills in the universal time of high praise.

"No tongue can tell," he says, "the pleasure I feel in being able to say that I am indeed permanently cured of my Backache by Dodd's Kidney Pills. I never imagined that any medicine could cure me of so old a complaint and am high in the praises of Dodd's Kidney Pills to everybody that comes my way."

These carpet squares are ready for laying down, and consist of picked qualities that will give entire satisfaction.
