NATIONAL DIVISION S. OF T. IN ANNUAL SESSION.

The sixty-sixth annual session of the national Division of the Sons of Temperance of North America was held in the school room of St. David's Presbyterian church, St. John, during the present week. About seventy-five delegates from various parts of Canada and the United States were present. On Sunday last temperance sermons were preached in several of the city churches by the visiting clergymen. On Monday evening a men's meeting was held in the West End Baptist Church. Tuesday evening an informal reception was given in honor of the delegates in the school-room of St. David's Church. The first regular business session was held on Wednesday morning, when the various reports were received and adopted. In the afternoon another business meeting was held while the evening was given up to a social held in the Granite Rock Division Hall.

The morning of Thursday was given to business. At this session the officers for the ensuing year were elected. The election resulted as follows:

M. W. P.—Rev. G. A. Lawson, Halifax.

M. W. A.—E. L. G. Hohenthal, Connecticut.

M. W. S.—Ross Slack, New York.

M. W. T.—Marvin, M. Evanson, Pennsylvania.

M. W. Chap.—Rev. Chas. Flemington, Pettedodiac, N. B.

M. W. Cond.—Mrs. Nettie Kibby, Worcester, Mass.

M. W. Sent.—E. S. Hennigar, St. John.

On Thursday afternoon the delegates and visitors were treated to a delightful sail on the St. John River. In the evening a public meeting was held in St. David's Church where a number of stirring addresses were delivered. The session was brought to a close on Friday. The next annual session will be held in the State of Connecticut on July 18th, 1911.

All the delegates and visitors speak very highly of the kindness shown them by the people of St. John.

The delegates from this province have returned. They were as follows: Samuel Bernard, G. W. P., of Spring Valley, John Anderson, P. G. W. P., of Kensington; John L. Godkin, P. G. W. A., Charlottetown; Mrs. John L. Godkin, P. G. W. A., Charlottetown; James C. Brodie, Charlottetown.

Among those present from New Brunswick was Rev. R. H. Stavert of Harcourt, who is the present Grand Worthy Associate of the Grand Division of New Brunswick.

NEW YORK POLICE HOUND JOHNSON.

NEW YORK, July 26.—"Jack" Johnson, champion heavyweight, was arrested again here this evening. The automobile which is the delight of his life, was again the cause. Being arrested is an old story with Johnson, but it was a real shock when he was arrested this time for standing still. He was accused of obstructing traffic by stopping the machine seven feet from the curb and an additional charge of having a wrong number on his car was placed against him. He gave \$100 cash bail for appearance in court tomorrow.

TROOPS FOR BROCKVILLE TO QUIET THE STRIKERS.

TORONTO, July 27.—Brockville seems to be the only storm centre on the Grand Trunk System in Canada now.

Fifty-four men and five officers with Major Carpenter in command left Stanley barracks for that town fully armed. They will stay until the rioting is past.

Don't Worry About the Wash in Warm Weather

There's nothing quite as laborious as washing in warm weather—soap suds, slush and warm water make the work sickening.

Now you can't afford to even attempt this work because we have every up-to-date facility to do the work well. Then there's "class" to the work done here. Let us have your next laundry work and get acquainted with the "Star Way". Phone 151.

The Telephone and the Store

Any store without a phone is just missing that much of the better business. Telephone subscribers are the very best class of customers, but no matter how much they would like to give you their trade there are times when they must take advantage of the conveniences of the telephone. If they did not appreciate the advantages they would not have it in their house.

The store that helps them by placing within their reach additional conveniences is bound to get their business.

If your store is without a phone it's to your own interests to have one installed promptly and hold your own in business or regain lost ground.

The phone will pay for itself over and over again, and the charges are real reasonable.

Ask contract department for prices.
