A very interesting event took place in Methodist church at Bedeque Wednesday, 28th inst. when Dr. James B. Champion was united in marriage to Miss Susan G. Holland daughter of John F. and Mrs. Holland, Bedeque. The church was beautifully decorated with festoons of green, potted plants and cut flowers. The marriage took place beneath a tastefully constructed arch from which hung a large bell made of ferns and flowers. The bride was dressed in cream and wore a bridal veil. She was attended by her sister Emma and by Miss Doris Champion who acted as flower girl. The groom was supported by his cousin Hiram Champion. Dr. Marvin Bell and Charles Wright acted as ushers, while Miss Mary Schurman played the wedding march. The marriage ceremony was performed by the Rev. Neil McLaughlin assisted by the Rev. J. B. Champion brother of the groom. The church was crowded with guests and friends who attended to witness the marriage of the popular young couple. After the marriage the guests repaired to the bride's home where a repast was partaken of and a very pleasant evening spent. The numerous and costly gifts attested to the esteem in which the bride is held and Dr. Champion who has been practicing in Bedeque for the last three months is becoming very popular.

WHEN YOUR CHILD SUFFERS.

For lack of knowledge of the value of Dr. Chase's Ointment as a cure for eczema, many a mother has been worn out in the effort to relieve her child of suffering. Eczema, scald head and other forms of itching skin disease are common to children, especially during the teething period. They are readily cured by Dr. Chase's Ointment, eczema, if neglected, becomes chronic and may last for years.

TEST THE KIDNEYS.

Allow urine to stand in a glass vessel for twenty-four hours and if at the end of that time it is cloudy or has left a sediment at the bottom of the vessel you may be sure that your kidneys are diseased. As a means of diagnosing the condition of the kidneys and making the diagnosis certain, there is no preparation so prompt and effective as Dr. Chase's Kidney Liver Pills.

A BOSTON BLAZE.

Boston, September 30.—A loss of \$25,000 was caused last night by a fire in the building 404-405 Atlantic Avenue, occupied by the Pettingell, Andrews Company, manufacturers of electrical supplies; Wheeler Reflector Company; Boston Coupling Co. and S. H. Couch, telephone supplies. The blaze, which was a stubborn one, started in a crate of straw in which goods were packed.

Whips That Grow on Trees.

In the Island of Jamaica there grows a tree with the botanical name of Daphne Lagotto, from the branches of which native workmen make peculiarly strong and excellent whips, which have the handle and lash all in one piece. The handle consists of a part of the stem retaining the bark. For the lash the stem is deprived of the bark and then split into strips, which are woven together in a flexible cord six or seven feet long. The proper taper is accorded by detaching more and more of the strips as the end of the lash is approached.

"Sorrowful Tree" of Goa.

A unique tree on the Island of Goa, near Bombay, is the "sorrowful tree," as the natives term it. That name is given to it because the tree has a drooping, sad appearance during the day time, but its aspect changes as the sun goes down; then its leaves open and no longer droop, and fragrant blossoms come into bloom upon it. The moment the sun shows itself in the east, the blossoms close, the leaves begin to droop, and the petals of the recent sweet blossoms fall to the ground. This tree blooms thus all the year round.

Easy.

"You know Jones, who was reputed so rich? Well, he died the other day, and the only thing he left was an old Dutch clock."

"Well, there's one good thing about it; it won't be much trouble to wind up his estate."

The Philharmonic Society will resume work this evening at eight o'clock. Members will kindly bring copies of The Holy City.
