CHINAMEN SEEKS NATURALIZATION.—Mr. Charles Foo, proprietor of the Grand Cafe, Charlottetown has made application for naturalization as a British subject. He seeks this privilege under the Act recently passed by the Dominion Parliament, reciprocal acts having been passed by the other British possessions. Mr. Foo is a well educated Chinaman and some time ago made application for an appointment as interpreter at the Foreign Office in British Columbia. Should he be successful in securing this position, which will mean his taking his departure from Charlottetown, the restaurant business will be conducted as before by the others who are in business with him.

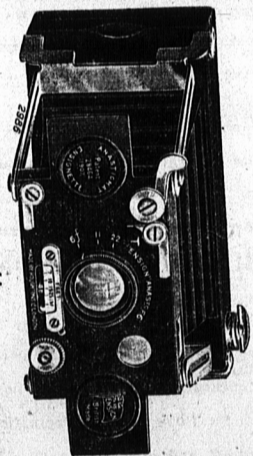

CHURCH WORK PROGRESSES.—The Women's Auxiliary of the Methodist Church, Pleasant Valley, met in the Church on May 3rd, it being the end of the year work. The greater part of the afternoon was taken up in appointing the officers for the coming year and the opening of Easter convocations. The officers for the year are as follows:—Mrs. Isaac Sharpe, President; Mrs. (Rev.) L. J. Leard, Vice President; Mrs. R. E. Keating, Cor. Sec.; Mrs. Howard Weeks, Financial Sec and Treasurer; Mrs. D. McLure, Recording Sec. Receipts for the year including Band amounted to over sixty dollars. A big increase over last year. This speaks well of the Auxiliary. Though small in number they are the kind that do not grow weary in well doing. Their next meeting will be held on June 7th in the Church.

Little, rector of the Church of the Advent, Westmount, Montreal, would conduct a Mission in this Church next October, in connection with the National Mission of Repentance and Hope to be held throughout the Empire in the autumn.

COL. GUTHRIE.—Residents of Murray River and vicinity should make it a point to hear Lt-Col. Guthrie who speaks in the hall there on Wednesday evening, 31st inst. Col. Guthrie has only recently returned from the firing line where he was wounded and is now on furlough. He has much of interest to tell and knows how to tell it.

HEALTH IMPROVED.—The many friends of Mrs. James Dixon, Bradabane, are pleased to see her home again from the P. E. I. Hospital where she has successfully undergone an operation. Mrs. Dixon takes this opportunity of thanking Maron and nurses of P. E. I. Hospital, Mrs. Hamel, Miss Doherty and many other friends for their kindness to her during her recent illness in that institution.

BAND ON ROUTE MARCH.—The 105th Battalion Band had its first route march yesterday morning. Leaving their bandroom in the Offer building, Queen Street, they marched out Victoria Park, branched on to the North River road and which they proceeded for a considerable distance and came in by way of the Lower Spring Park and Malpeque Roads. Opposite the residence of Mr. G. H. Simmons, the well-known manufacturer of aerated beverages the men were invited to step into his home and rest themselves and were generously treated by Mr. Simmons to temperate drinks which needless to say the men greatly appreciated. In return for Mr. Simmons' kindness they played a number of selections and also played in front of the Spring Park School. The band created quite a diversion for the people along the route taken as it was probably the first time it had ever marched over that ground. It is the intention to have these route marches often to start the hardening process which will insure the men for whom they ever hard work may be before them on active service. In addition to practicing music the bandmen receive two lectures daily from Sergeant Roild on "first aid."
