TRYON NOTES.—Mr. Albert N. Robblee, teacher of the Tryon School, having decided to spend his four weeks' vacation in visiting his relatives and friends in the cities of Boston and New York, left Summerside last Friday morning in company with several other gentlemen with whom he is intimately acquainted. We hope that the young pedagogue will enjoy his visit and return home greatly benefited thereby, both socially and intellectually as well as physically.—Also Mr. Artemas Lord, son of Mr. W. W. Lord, of Tryon, has taken his leave of home and friends, and is now en route to the Western States.—The farmers here have completed reaping and gathering in their abundant harvest and are now engaged in digging potatoes. They are expecting good prices for their produce.—Mr. D. McKenzie has been very busy during the past summer in rejuvenating and beautifying the different domiciles in this and other settlements. His skill in painting and particularly in blending colors is of a very high order. He was for years engaged in several cities in the United States.—Our machinist, Mr. Alex. Robblee, who has given such general satisfaction in the construction of threshing machines, track-wagons, carts, &c., has a very large and extensive patronage. He is prompt, courteous and obliging and of a very genial disposition.

Suffering caused by Piles

Is Quickly Ended when—

Dr. A. W. Chase's Ointment is applied

Besides the intense agony caused by the itching, burning sensations of piles, there are other symptoms which produce restlessness and at times excruciating pains known only to the victim of piles.

What would one give to be free of this terrible disease? And yet there is a cure—a positive cure—which does not cost much and is not painful or difficult to apply.

Dr. A. W. Chase's Ointment is, so far as is known, the only absolute cure for blind, itching, bleeding and protruding piles. It gives relief at the first application and affords a perfect cure in the most aggravated cases.

Mr. Isaac Foster, Erieview, Ont., says: "I was troubled with itching piles for two years and could not sleep at night. I was half-crazed and tried everything. Finally seeing Dr. Chase's Ointment advertised I tried it and found it good. After a second application I found relief, and one large box cured me. Have never been bothered since, and I can recommend it to all suffering from the same trouble."

Dr. Chase's Ointment is for sale by all dealers, or Edmanson, Bates & Co., Toronto.
