Trading Easy On Montreal Stock Market

MONTRÉAL, Feb. 24.—(CP)—Trading was only moderately active with prices mixed in papers and industrials and slightly easier in utilities, base metals and liquors on the stock exchange and curb market Sunday. Mining deals were dull and mainly quiet.
Montreal Power, last week's market leader, was again a prominent issue and more than 7,000 shares changed hands today. High for the day was 23 3-8, up 1-8, low was 22 5-8, down 5-8, with the stock selling for 23 at the close for a loss of 1-8. The rumor was still boiling in financial circles here today with regard to unofficial negotiations between the Quebec Hydro-Electric Commission and Montreal Power, but there was no official confirmation from either party that Quebec Hydro was prepared to offer Montreal Power shareholders \$25 a share for their stock-holdings.
In other utilities, Bell was off 1-2 and Shawinigan 1-4. C. P. R. dropped 5-8 in carriers and Royal and Commerce were shaded in banks.
Consolidated was the most active of the paper stocks and closed unchanged after an early fractional rise. Powell River upped 1-4. C. Forest was steady and Donpacca converted a gain into a fractional loss. Abitibi Preferred ended up 1-8 after a temporary loss of 1-4. The rumor was that Lawrence Corporation and Abitibi Common were on the downside.
Massey was among the more active industrial issues with the Common ahead 1-2 and the Preferred 1-8. Tobacco was unchanged while Tar, National Steel Car, Acadia and Sugar improved. Western was Dominions Coal Preferred, Dosco "B", Cement Issues, Dominion Bridge and Asbestos. Seagrams was off 1-4, Walker 1-2 and Canadian Breweries about steady in liquors.
Nickel paced metals in activity as last 1-8. Noranda dropped 3-8 and Inco 1-2 while Imperial Bay recovered a slip. Imperial increased 1-8 and Petroleum lost the same in oils.
In junior mines, Formaque and Regcoat were better and Sheritt and Westville weaker.
Trading box score: Total sales, 173,000; industrials, 100,000; mines, 122,500; stocks higher, 54; lower, 75; unchanged, 76; new highs, 14; new lows, 5.

Dealings Slow On New York Stock Exchange

(By Victor Eubank)
NEW YORK, Feb. 24.—(AP)—Steels, motors, rubbers and industrials led a retreat in today's stock market although selling was exceptionally timid and dealings the slowest for more than a month.
The direction was downward from the start with the ticker tape frequently dozing. While a few pivots managed to close in the plus column and extreme setbacks were reduced here and there losses of fractions to a point or more predominated. Transfers of 810,000 shares compared with 950,000 Friday and were the smallest for a full session since Jan. 22.
The Associated Press 60-stock composite was off 3 of a point at 677.
Among exceptions Norfolk and Western was up 4 points at 234.
