

# Overworked Women.

The Suffering and Pain Endured by Many Working Women is Almost Beyond Belief.

How distressing to see a woman struggling to earn a livelihood, or perform her household duties when her back and head are aching! She is so tired she can hardly drag about, and every movement causes pain, the origin of which is quickly traced to some derangement of the female organism.

When the monthly periods are painful or irregular, when backaches and headaches drive out all ambition, when "I-can-hardly-drag-about" sensation attacks you, when you are "so-nervous-it-seems-as-though-you-would-fly," it is certain that some female derangement is fastening itself upon you. Do not let the disease make headway; write your symptoms to Mrs. Pinkham at Lynn, Mass., for her free advice, and begin at once the use of the medicine that has restored a million women to health—

### Profit by the Experience of the Women Whose Letters Follow:

"DEAR MRS. PINKHAM:—Your medicine has done so much for me I want to tell everyone how it absolutely cured me. Three years ago, when my dear husband was sick in his last illness, I lifted him and hurt myself. I felt the strain, then I felt something give way inside. Afterwards I found it was my womb, and I suffered the most dreadful agonies from falling of the womb. I began dressmaking, but could not do my work for pain and nervousness. Trying to sit still and sew seemed to drive me nearly crazy, and I did not seem able to get any help from doctors or medicine. I was so unstrung and nervous I hardly dared to go out in the street, for fear I would not get home safely. It would make me scream to see a car coming even, and I was so terribly run down I did not know what would happen. A friend suggested I take Lydia E. Pinkham's Vegetable Compound, and on her advice I bought a bottle. It did me so much good I bought more and kept on taking it, and when I had taken eight bottles I was entirely cured."

"Whenever I hear of a woman suffering I tell her about my cure, for your medicine has helped me so much I knew it would help all suffering women. Women need not get so discouraged over their health, if they would take your advice and medicine."—Mrs. BERTHA HEMMING, 224 East 96th St., New York, N. Y.

"DEAR MRS. PINKHAM:—I cannot tell you with pen and ink what good Lydia E. Pinkham's Vegetable Compound did for me, when suffering from the ill peculiar to the sex, extreme lassitude and that all-gone feeling. I would rise from my bed in the morning feeling more tired than when I went to bed, but before I had used two bottles of Lydia E. Pinkham's Vegetable Compound, I began to feel the buoyancy of my younger days returning, became regular, could do more work and not feel tired than I had ever been able to do before, so I continued to use it until I was restored to perfect health. It is indeed a boon to sick women and I heartily recommend it. Yours very truly, Mrs. ROSA ADAMS, 319 13th St., Louisville, Ky."—Niece of the late General Roger Hanson, C. S. A.
