Toronto Exchange

TORONTO, Oct. 15—(CP)—Base metal stocks turned heavy late in today's stock exchange, closing with an index loss of .15 while golds held their midday gain of about a point. At noon the base metals were up .40. Western oils firmed slightly and industrials finished the session with a net loss of .52. The tone generally was a bit soft at the close. Volume was well down from that of Wednesday at 109,000 shares.

Bids were stronger generally for the senior golds. The close was up 5 to 10 cents for Sylvanite, MacLeod Cockshutt, Central Patricia, Kerr Addison, Perron, Preston and Upper Canada.

Consolidated Smelters, International Nickel and Noranda were down fractions at the close and Hudson Bay held half of an early point gain.

Weakness developed for senior oils, utilities and miscellaneous industrials. Bell Telephone and Weston pfd., weakened a point and Brazilian Traction, Distillers Seagrams, Dominion Steel, Eastern Steel, Ford A., and Gypsum dropped small fractions. Okalta gained 5cents to 25 and Calmont 2 to 14. Other western oils were steady or dormant.

Montreal Exchange

MONTREAL, Oct. 15—(CP)—A narrowly irregular tone prevailed in business today on the stock exchange and curb market. Losses and gains were about evenly split in all groups.

On the stock exchange firmer industrials were Canada Cement preferred, up 3 points, Steel of Canada, up a point, and Cockshutt Plow, with a major fraction lift. Down were Canadian Car preferred, Dosco "B," Massey-Harris and Dominion Tar. Building Products lost an early rise.

Utilities were uncertain, Montreal Power ceding an opening tilt and Brazilian moving from even to the loss column. C.P.R. was modestly improved and Canada Steamship preferred in arrears.

Metals were mixed, Hudson Bay Mining being ahead more than a point at one time and International Nickel fractionally advanced, while Consolidated Smelers and Noranda were shaded. Hollinger did better in golds and Imperial was softer in oils.

National Breweries chalked up a new low in miscellaneous and easier in the balance of the group were Penmans, off a point, Dominion Textiles, down 1¼, and Imperial Tobacco. Tuckett preferred was traded at 2 points higher.

Total sales: 16,300 shares; Industrials, 6,500; Mines, 9,800.

Marist Missionaries Suffer Atrocities

LONDON, Oct. 14 — (CP) — Four Marist missionaries, two priests and two sisters, were slain by Japanese soldiers on Guadalcanal Islands in the South Pacific, British colonial office said today.

The announcement, which said all four were bayoneted in the throat, identified the victims as Father Duhamel, 34, of Boston, Mass., Father Henry Engberink, 33, of Utrecht, Netherlands; and Sisters Sylvia and Odatya, believed to be from France.

Another missionary, Sister Edmee, escaped.

The entire Marist mission in the north Solomons, which came from Boston, included seven priests and seven nuns, and was headed by Bishop Wade.
