

**Cuticura Helps Clear Away Dandruff and Irritation**

On retiring, comb the hair out straight, then make a pomade, gently rubbing in Cuticura Cream with the end of the fingers. Avoid additional pomades and the whole scalp has been treated. Place a light covering over the hair to protect the pillow from possible stain. The pomade remains on the scalp with Cuticura Soap and hot water, being plenty of soap used with the hands. Rinse in tepid water. Repeat in two weeks if needed. Cuticura Soap, Ointment and Cream, 50c each plus Canadian duties.

**Women! It's Cheap! Use Lemon Juice and Make Lotion**

To keep your skin and complexion naturally soft, white and clear at all times you simply must use a lotion or cream every day. But choose the one that is best and costs the least.

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quart of the most remarkable beauty lotion at about the cost one must pay for a small jar of the ordinary cold cream. (Care should be taken to strain the lemon juice through a fine cloth, so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, warts, and tan, and is the ideal skin softener, smoothes and beautifies.

Just try this lotion! Make up a quarter pint of this sweetly fragrant cream and massage it into the face, neck, arms and hands. It should naturally help to whiten, soften, freshen, and bring out the hidden roses and beauty of any skin.

Your druggist will sell three ounces of orchard white at little cost, and any grocer will supply the lemons.

**TUESDAY RECOGNITION FOR LOCAL FIRM.**

The March Number of the Canadian Fisherman contains two excellent half-tone portraits showing the interior of the Charlottetown Fish Supply Co. and says "that for the sanitary handling of fish and the general attractiveness of display this company has been awarded the Canada Food Board's certificate of commendation".

**GREAT SHOW COMING.**—Manager Gallagher who is always on the look-out for something good for the Prince Edward has succeeded in booking the Halifax Stock Company for a five nights season at the Prince Edward beginning on April 27th. This comedy and dramatic company has played for many seasons at the Maritime in Halifax and is bound to make a hit in Charlottetown. Theatre goers here will look expectantly forward to this visit and to the pleasure of enjoying a really first class dramatic performance.

**LANTERN LECTURE APPRECIATED.**—The people of Craupaud and Springfield listened with much interest and pleasure to the Rev. Mr. Colclough a night or two ago as he gave his lecture on the "Dooms of Alaska and other parts of the great North West territory." As a speaker Mr. Colclough is very ready and on both nights, in these districts, he had a large and appreciative audience. In describing conditions he has an advantage over others, in that he knows, and has seen the thing of which he speaks, having spent some years amongst the people, and seeing the change that took place, during that period, his lecture becomes full of interest. In both places quite a few expressed their appreciation privately while others did so publicly.

**THE SHORT COURSE.**—The Truro Citizen says: The attendance at the short course this year, as might be expected, was somewhat smaller than in previous years, numbering 150 students. In this enrollment all but three counties in N. E. were represented, these being Shelburne, Lunenburg and Yarmouth. The latter two were represented in one or more of the other organizations. There were six students from N. E. and four from P. E. I. The attendance from Colchester was large. When we add those who attended the other meetings, the total runs up to about 400, nearly all of whom took one or more classes at the college in addition to the business of the organization they were attending. No other institution in Canada has had so continuous a record of large attendance at short courses, as the N. E. A. C. and while this year's attendance as anticipated, was somewhat below the average.

**TERRIBLE AGONY FROM RHEUMATISM**

A Sufferer Shows How Complete Relief Was Obtained.

Rheumatism is a trouble extremely difficult to get rid of. If a tendency to rheumatism is established in the system it makes itself manifest by a return of the acute pains with every spell of bad weather. That is why so many people think the trouble is due to cold or damp. The fact is known however, to medical men, that with the appearance of rheumatism there is a rapid thinning of the blood, and that the rheumatic poisons are only expelled from the system when the blood is restored to its normal condition. This means that to drive rheumatism from the system it must be treated through the blood, and for this purpose no other medicine has been so successful as Dr. Williams' Pink Pills. These pills renew and enrich the blood, thus driving out the rheumatic poison, easing the aching, painful swollen joints, and restoring the victim to general good health. Among the rheumatic sufferers who have been cured by the use of this medicine is Mrs. Wm. Johnston, Chatham, Ont., who says: "Some years ago, while living in Mont Forest, I was stricken with inflammatory rheumatism, from which I suffered terrible agony. Neither the doctor who attended me nor the remedies I tried gave more than a little relief for a time, and as a consequence, I grew very weak and was on the verge of nervous prostration. At this stage an uncle advised me to try Dr. Williams' Pink Pills, as they had cured him of a severe attack of rheumatism. I took his advice and faithfully used the pills for several months, when I found myself fully restored to health, with every vestige of the rheumatism, and every symptom of the nerve trouble gone. I have had no return of either trouble since, and feel very grateful for what Dr. Williams' Pink Pills did for me."

Dr. Williams' Pink Pills can be obtained through any medicine dealer, or may be had by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

**A SPLENDID SIGN.**—One of the most attractive electric signs in this city is that of "The Toggery", recently placed over the store about to be opened in the Brown Block within a week or ten days by Mr. George L. Prowse who is taking over the premises now occupied by Reddin Bros. The sign which is vertical and thirty feet long, contains about 100 lamps, and the illuminating effect can well be imagined. It let its magnificent light shine for the first time on Saturday night, and was greatly admired by hundreds of people. The sign is claimed to be the most brilliant in the Maritime Provinces.

**REPEATER AT MONCTON.**—Long distance telephone service in this province and Nova Scotia will be improved shortly when a new repeater is installed at Moncton. The installation of the repeater will obviate the necessity of relaying messages at great distances. For the United States service a repeater has been installed at Bangor and conversations are carried on not with ease from St. John, Moncton and points south as far as the southern states. This week Moncton talked with Pittsburgh without difficulty. Halifax will be able to do the same when the Moncton apparatus is in position. The repeater will be the first of the kind installed in the maritime provinces says a St. John Exchange.

**LADY FOX RANCHER.**—The Black Fox Magazine, New York, for March says:—This month we received a call from a lady who is giving all her time to fox farming, and is making a great success of it.—Mrs. Annie Jackson of Barton, Lot 7, P. E. Island.—She is president of two going fox companies.—The Dalton Jackson Black Fox Company, and the Black Diamond Pelt Company. The ranch is located at Barton on a 100 acre farm, and everything in connection with it is most up-to-date. The Dalton Jackson Co. is a dividend payer, has paid dividends right along, and will pay another this year. Mrs. Jackson keeps a strict supervision over the ranch and has been very successful as a breeder. She obtained a record for one sold last year for \$2,000. Fox ranching, Mrs. Jackson claims is an ideal occupation for women, and she claims that they can get equal results from it as can the men.

**HOLMAN'S SPRING CATALOG.**—This paper acknowledges with thanks a copy of the Spring issue of Holman's Catalog. The cover of this catalog represents the return of Canada's soldiers from overseas and artistically pictures the patriotic sentiments of Canadians. The artwork, engraving, typography and general appearance of this book truly establishes it as a masterpiece of publicity and is a credit to R. T. Holman Limited, as well as any who had anything to do with its production. To say that this catalog will be heartily received and appreciated by Maritime people is stating a foregone conclusion. Perhaps the most important feature of its attractiveness is its low price—a comparison of this catalog with any other catalog will be truly a revelation to the person making the comparison. To commence with there is no more staple line to compare than furniture, and in this Holman's prices outrival any other catalog. The same thing applies to the majority of lines in the catalog including footwear, dry goods.

**WEDNESDAY**

**SOLDIERS ARRIVED.**—Ptes A. Mc Kinnon, Canoe Cove, J. Hayer, High Bank and J. M. Taylor Montague, who were among the soldiers who arrived at Halifax from the Regina reached Charlottetown last evening. Captain Jos. Lightizer is due to arrive today and other officers who were delayed.

**JUDGMENT GIVEN.**—At the Admiralty Court yesterday judgment was given by the Judge in Admiralty, Hon. Mr. Stewart, in the case of Le Blanc vs. the Schooner Emeline Burke, for \$500 and costs, being the full amount claimed. His Lordship delivered a written judgment which went very fully and carefully into the case and the law bearing upon it and in which he exonerated the *Victoria V.* the plaintiff's vessel from all claims and held the defendant's vessel liable. Warburton, K. C. and Shaw for the plaintiff; Gaudet, K.C. and Hynes for the defendant.

**ISLANDER'S DEATH.**—"Painter and Publisher" for March has the following: Charles Willis Gorman, a well-known printer and life-long member of the International Typographical Union, died at his home, 2020 Cartier Street, Montreal, aged 65 years. Mr. Gorman is survived by his widow and one son, the latter having just returned from England. Mr. Gorman was born at Port Hill, P. E. I., a son of Thomas Gorman, late member for the Legislature of Prince Edward Island. Mr. Gorman has been a printer for fifty years and had worked on United States papers and the papers of Montreal, being for the last twenty-five years on the Montreal Herald and Gazette.

**—WELCOMED HOME.**—Among the soldiers who are receiving a hearty welcome to his old home in St. Nicholas is Sgt. Philip Perry who recently returned from England. Sgt. Perry returned out in the trenches, fighting in France for four or five months and has lots of interesting stories to relate.

**APPOINTED WHARFINGER.**—The Canadian Gazette of Saturday contains the following notice of appointment: "Milton Elmer Jenkins, of Georgetown, in the Province of Prince Edward Island, to be Wharfinger of the Government Wharf at that place, in the room and stead of Richard R. Jenkins, deceased."

**TROOP TRAIN'S RECORD TRIP.**—Mayor Wright writes the Guardian from Edmonton, Alberta, stating the "Troop train No. 1215 arrived in Charlottetown at 9 p. m. Monday after a record trip with one of the finest lots of men that ever crossed the continent." He adds: "Will stay here two days and then start for the coast."

**FISHING SEASON OPEN.**—The trout fishing season opened yesterday. Three Charlottetown sportsmen charged with illegal fishing through the ice at North River, appeared before Inspector Gallant recently. They confessed and were fined. It is still illegal to fish through the ice.

**—MEETING OF "CANADIAN FARM PRODUCTS.**—A joint meeting of the Montague, New Perth, Victoria Cross, and Brooklyn branches of Canadian Farm Products, Inc. was held at Montague on the evening of Thursday the 27th inst. to consider the extension of their business to other lines now covered by the charter of the organization. Mr. E. T. Bulfill occupied the chair and Fred R. Mellish acted as secretary. The general manager, Mr. Wm. Kerr, then addressed the meeting on the aims and principles of the movement, the object of which was in brief, to place the stamp of quality on all products of the farm, and so to serve the interests, not only of the producer, but of the consumer and the whole community as well. Much had been accomplished already in this respect, and in the field of effort before them they would continue to apply these principles to all their undertak-

**WEDDING ANNOUNCED.**—Friends in this Province have received the announcement of the marriage in New York City on May 16, 1917, of Miss Hester Eva Campbell, daughter of the late D. M. and Mrs. Campbell of Montague and Dr. Ralph Moore Dod-

son of Baker, Oregon. Dr. Dodson who left immediately after his marriage for overseas where he has been for the past two years with the British Expeditionary force in France, returned in January to New York. Dr. and Mrs. Dodson expect to reside in Portland, Oregon. Mrs. Dodson is well known in this province being a graduate nurse of Malden Hospital and her many home friends will wish her years of happiness after the anxiety of the war.

**Good Bread and Pastry Always**

**QUEEN CITY FLOUR** has the delicacy, the sweet flavor of Ontario Wheat, and the good mixing quality that makes delightful pastry. For bread it contains the exact amount of gluten required to ensure splendid big loaves that rise right up out of the pans. The famous Queen City blend does not vary, because its uniformity is maintained by constant testing of wheat samples in our laboratories.

**QUEEN CITY FLOUR**

(Milled according to Government Standard)

is a reliable flour for both pastry and bread. Our chemists, trained at the Ontario Agricultural College, make certain that Queen City Flour is never stronger one time and weaker another time, as is the case with ordinary blended flours.

Think of what this means to you. It saves expensive shortening. It saves puzzling disappointments in your baking, for, once you are acquainted with Queen City Flour, you always know what it will do for you. Try it.

Made in Most Modern Mills

Queen City Flour represents the perfected results of half a century of milling experience. It is made in mills equipped with every modern advantage that can make for better flour.
