The Farmer Says:
The farmer says that Hickey's Twist Tobacco is certainly their good old standby in haying time and every other time. Of course they like this tobacco because it puts joy into their work with its lovely flavor and lasting qualities, and no nasty crumblings. Men get in Hickey's what they can't get in any other brand a tobacco with a flavor all its own.

ENID BENNETT
WHAT EVERY WOMAN LEARNS
BY EUGENE B. LEWIS
DIRECTED BY FRED NISLO
PHOTOGRAPHED BY GEORGE BARNEZ
"AT HOME" N. H. INC. PRODUCTION
Now she saw him for what he was; A drunken cad, waiting in jealous rage for the man he intended to kill. Taunting her with the threat that he'd shoot her friend in her own boudoir then call the police.
But when the police finally came, they found a scene quite different from that which he imagined.
A vital searching drama of love and marriage, played by a great cast, including Milton Sills, Theodore Roberts and Irving Cummings.

DECLINES GALLÉ Rev. J. M. Nicholson of Malpeque has declined the pastorate of the parish of Murray Harbor, North, made vacant by the removal of Rev. A. Sutherland to Chipman, N. B.
IN METHODIST CIRCLES The friends of Rev. Henry Penna will be glad to learn that he is much improved in health and able to take some services, assisting the pastor of the Gagetown circuit, also that Mrs. Penna has so far recovered from an attack of inflammatory rheumatism as to be able to dispense with the nurse.
WELL KNOWN HERE.—Rev. Ernest Styles, the new pastor of the Methodist Church, St. John, rejoices in having a hearty co-operating people, who are ready to give and make sacrifices for the church and its work. Hence they have repaired the church at a cost of some \$1,700 during the pastorate of the Rev. Henry Penna whose health compelled him to retire, now they are improving the parsonage at an outlay of some six hundred dollars, besides giving much of their own time and labor.

Why A Farm Needs A Milwaukee Air Power Water System
Combined in a few words the answer is: Because it is the best investment a farmer can make. Time spent in carrying water, in pumping water and in taking the stock to the watering trough is time that can be used to better advantage at other work.
The matter of home comfort also is important. Isn't the wife of the farmer just as good as the city woman?
What about the children? Is there any reason why they should not have a home equipped with a bath room and inside toilet just like their city relations?
And to think what it means in case of fire to have a hose handy and eighty pounds water pressure to fight it with.
Call in the next time you are in town and look over our demonstrating outfit.

DICKY DIPPYS DIARY
TUESDAY: I SAID TO BLONDY: "I CALLED ON DUDD LAST NIGHT JUST IN TIME TO SEE HIM GIVE HIS WIFE AN AWFUL BEATING."
"AND DIDN'T YOU INTERFERE?" ASKED BLONDY.
"NO" SAID I. "I DIDN'T WANT TO SPOIL THE FUN."
"DO YOU MEAN TO SAY YOU STOOD THERE AND LET HIM BEAT HER?"
"SURE! I'D HAVE TAKEN A HAND MYSELF ONLY."
I HAVE FORT LUCK AT CARDS.
