

Robinson May Be First Negro Player To Make The Grade

By ARCH MACKENZIE
Canadian Press Staff Writer
 MONTRÉAL, Aug. 7 (CP)—Jackie Robinson, the negro boy who gambled about second base for the Montreal Royals, leaders in the International baseball loop, is being watched by persons other than those jamming the stands around the circuit.
 Not only is the lad a smart ball player but he might be the first negro to hit the big time. That's the opinion of Clay Hopper, the able Mississippian who pilots the Royals.
 "This boy is a very fine ball player," said Hopper, "and although he would be the first negro to go to the big time, I wouldn't be surprised to see him there with the Dodgers next year. He can hit, run, throw and field, and that gets you there."
 Of course Hopper knows better than anyone else that the king of the far-flung Dodger farm system, Mr. Branch Rickey himself, will have the final say as to who goes and who stays. But Mr. Hopper knows a ball player when he sees one.
 The Robinson lad was sprawled out in the dugout staring at his feet and glancing occasionally at his team mates at batting practice. Incidentally, Robinson had five for six against Syracuse last night.
 "I can't say," said Jackie when asked if he thought he might be going to the big time next year. "Naturally, I'd like to go up. I've only seen one big league contest in my life and that was a war-time contest."
 We asked him if he'd seen Roy Partlow, negro left-hand twirler and his old bunk mate on the Royals and then went to Three Rivers, Que. of the Canadian-American League for more seasoning.
 "Sure," said Jackie. "Saw him at Three Rivers when we played our exhibition game there. He's a good great with either five or six wins against no defeats."

Tatamagouche To Play Local Team Here On Sunday

The City League All-Stars will meet the Tatamagouche Senators, Maritime Intermediate champions on the Park diamond this Sunday. The game will be played at 2 p.m. at the home of Sam Doyle, league president, last night. Several mainline teams have been anxious to engage the All-Stars among them Amherst and New Glasgow, but it was felt by league officials it would be more benefit for the local squad to see how they stack up against teams of the calibre they will have to meet when playoff time rolls around. With this in mind, arrangements have been completed to have last year's intermediate champions come here for an exhibition series.

Fly-Casting Tournament

The fly-casting tournament held yesterday at Government Pond was not so largely attended as it would have been had the date not conflicted with the intermediate tournament, which, it is understood, will be held shortly after Old Home Week.
 There will be an important practice for the Knights of Columbus girls All-Stars tonight at 6:30 p.m., all players are asked to be on time.

Legion Meet Anchors In Tonight's Game

A win for the Legionaires in tonight's League game against the P.U. Anchors will give their undisputed possession of the leadership of the third section. This is the Legion's final game as they have already won three and tied one, another victory will make it impossible for either the Rovers or Anchors to catch them.
 With this in mind the Anchors will be sending every effort to carve out their second win this section and prolong their hopes for section honors.

Former Tennis Star Leads First Round In Tournament

NIAKWA GOLF AND COUNTRY CLUB, Winnipeg, Aug. 7—Lanky, bespectacled Ellsworth Vines, Chicago, one of the world's finest tennis players in the early 30's, took the opening round today in the \$10,000 Canadian professional golfers' association open tournament by firing a par-shattering 65 that equalled the 15-year-old course record.
 Only in trouble twice over the tough, 6,504-yard par-72 course, Vines sizzled over the first nine in a three-under par 33 and at an even better pace on the home stretch which he bettered for a four-under 32.
 Four players, including Slim Freddie Wood of Vancouver and amateur Nick Wisnook of Toronto and Windsor, followed Vines for the runner-up spot with three-under-par 69's. Besides the Canadian, second place was shared by long-hitting Jimmy Thomson of New York and Los Angeles and little Ed Purgol of Pontiac, Mich.
 Following this quartet a stroke behind were wise-cracking Freddie Haas, Jr. of New Orleans, La., winner of the 1936 Canadian amateur championship at Winnipeg, and little Ed Purgol of Pontiac, Mich.
