DOWN THE BACK STRETCH

George Turner of Halifax is the owner of Guy Britton 2.03, which he recently purchased from parties in the U. S. A. Guy Britton 2.03 is a bay gelding, nine years old, sired by Great Britain 2.02 1/2 out of Florida Guy, dam of Colorado 2.04 1/2. Guy took a record of 2.03 1/2 as a two-year-old and 2.03 as a three-year-old in the first heat of the Kentucky Futurity. He has paced 25 times over a half-mile track and is charged with winnings of \$8,000 on the pace, making him eligible to the 2.12 class.

Last season Guy was converted to the trot and he hopes in a few days to have the yearling which will give the results of his races at that gait. The last season that he was a factor as any consequence as a race horse on the pace was in 1932 when he started in six events and won two—the 2.12 pace over the half-mile track at Detroit, best time 2.03 1/2, and the 2.12 class at the Saginaw, Mich., 1/2-mile track, best time 2.06 1/2. He does not appear stout enough for the competition that he would be up against in a 2.12 class in this country, but perhaps in his new role as a trotter he may be able to head summies.

Jimmie Sanderson writing from Turro to a friend in this city says: "There are some beautiful colts by Abbe Worthy, 2.05 here. One of the handsomest is owned by Frank McCurdy and is out of Nora Mac, 2.16 1/2. I am sure fond of Abbe Worthy and he could have beaten 2.00 the day he lowered the track record at Charlottetown to 2.10 1/4."

Jimmie has in his stable getting ready for campaigning this season Patrie Direct 2.07 1/4, holder of the Montague track pacing record, Quaker Girl 2.13 and Holly Britton, now a four-year-old. Holly Britton has been changed over to the trot and likes her new way of going very much indeed.

In the letter Jimmie refers to Johnny Conroy and says that he is in to see him every day and wants to be remembered to all the boys. P. E. L. Rumour has it that Johnny will have a fast pace to campaign this season, negotiations being on with parties in the New England States for a real side-wheeler that can pace the twice-around down here in 2.07 or 2.08.

The Austrian trotting season closed at Vienna on December 12th and the champion driver of Austria this year is George Willshire with 73 wins to his credit. That is more than any American driver, but of course in Europe they race on the "dash" system—a race consisting of one heat—whereas on this side of the water while races are sometimes one heat they are usually two or three.

During the month of December, 1935, several days harness racing was held at Rome and Milan, Italy, and it is interesting to note the names of the American horses racing at these Italian cities, such familiar campaigners as Muscletone 2.02 1/2, Mary Sunshine 2.01 1/4, Calumet Midwell 2.04 1/4, Call Money 2.05, etc., are found as winners.

About 785,000 colts were raised in the United States in 1934, the largest number in ten years, an increase of 24% over the 1933 crop, and of 50% over the number raised in 1931, the year of the smallest crop of colts this century. An annual crop of slightly more than 800,000 colts—about the number raised in 1935—probably will maintain the number of work animals needed in the years to come. Horses and mules on farms at the first of 1935 numbered 16,622,000 head, a small decrease from 1934. These figures are taken from the U. S. Department of Agriculture report.

In Canada there is a scarcity of work horses in almost every province and a sharp demand with rising prices is evident for the coming year. Coincident with conditions in the United States there was a drop in breeding for several years and then again the drought in the West took its toll of horses. It will probably be several years before the production will get back to normal figures. Fox farmers are finding it difficult to get a sufficient supply of horse meat for their wants. Other years there was no trouble. The large centres such as Winnipeg, Toronto and Montreal gathered in horses by the thousands, whose carcasses were processed and boxed up for fox feed.

A \$2,500 free-for-all is contemplated for the Showhegan, Maine, meeting next summer. Years ago large purses at Maine tracks brought the cream of the fast pacers to that State and evidently the expectation is that the big purses will draw them there again.

Bert Yeaton starts his 38th year as assistant to the well-known trainer Walter Cox at Goshen, N.Y. Cox was just breaking into the harness game when young Yeaton went to work with him. They must get along well together to have been associated for 38 years.

Already two-year-olds are begin-

ning to step miles against the watch down in Florida. Twilight Song by Peter Volo has been in 2.37 1/2, Torchlight in 2.39 1/4, Silver Queen in 2.39 1/2. Two two-year-old pacers by Mr. McElvyn have worked in 2.38 with quarters in 35 seconds. Over 100 two and three year olds are in training at Longwood, Florida.

We seem to be having comparatively pleasant weather compared to other parts of America. In Winnipeg the thermometer has been nearly fifty degrees below zero and at Lexington, Kentucky, which we associate with pleasant winter training conditions for horses, the Blue Grass section has experienced one of the worst spells of weather in its history. Several heavy snow storms have hit the area. On Wednesday, January 29th, they had a regular blizzard with snow drifts that stopped most of the traffic and on the following day the thermometer dropped to fifteen below zero.

Paul Adams, who raced The Great Guy 2.02 1/4, (now owned by C. M. Alexander, Saint John), so successfully in 1934, has changed to the runners and is campaigning his stable for E. Arthur Ball, glass manufacturer, of Muncy, Indiana.

A winter carnival will be held at Midland, Ontario, from February 12th to 15th. An ice tower illuminated from the outside will adorn the main corner of the business section. There will be skiing, fishing through the ice, dog derbies and toboggan runs, but the biggest feature of all will be harness racing over the ice.

Lyman G. Dodds, seventy years old, and one time Grand Circuit driver, died suddenly on January 22nd at Beaver, Pennsylvania. He was driving his horse and took a sudden heart attack.

Twenty years ago last week Chillicothe by San Francisco, with Nat Ray up, established a world's trotting record over ice with a mile in 2:17 1/4. Chillicothe the next summer was raced on the Grand Circuit and was practically an unbeaten trotter. His record on ice remained until 1924 when it was displaced by the 2:15 1/2 mark of The Yank, owned by the MacKinnon Stables, Charlottetown, record made at Mount Clements, Michigan, January 20th, 1924.

Dr. M. W. Locke, who treats thousands of patients weekly at Williamsburg, Ontario, by his adjustment methods, is an ardent horseman and has six trotters and pacers being prepared by driver J. W. Connors. The driver takes time off every day from his busy practice to visit all the horses, including the twenty-odd Percherons he has on his farm.

In the current issue of the Canadian Sportsman appears a cut of Lusty Prancer 2.07 1/4, owned by Charles Chandler of Charlottetown and with Tom Holmes up.

Fort Fairfield, Maine, will if it has not already done so, stage a series of ice races that will attract the very best performers in the Pine Tree State. For the Free-for-all there are available Zombro Hanover 2.00, Bonnie M. 2.02 1/4, Oh My 2.05 and Silver Evans 2.06 1/4.

E. J. Baker, owner of Greyhound (3:20), world champion three-year-old trotting gelding, has a two-year-old and three-year-old brother and sister that he expects will duplicate or even better the performance of Greyhound. The three-year-old is The Master, that with the handicap of sickness was better than 2.10 as a two-year-old last season. In his recent workouts he has shown sensational development and now Baker predicts that he will out-do the performances of Greyhound.

The two-year-old Princess Marina has been given easy work, but recently trotted a quarter in the handiest possible manner in 35 1/2 seconds. Both the above are by Peter Volo 2.02 and out of Margaret Arion 2.10 1/4, therefore full brother and sister to the world's champion three-year-old trotter (stallion and mare) Protector (3:15 1/4) and The Marchioness (3:15 1/4).

The first purse of \$10,000 ever offered was at a trotting meeting at Buffalo, N.Y. in 1868. In the same city in 1870 a purse of \$20,000 was offered for 230 trotters. Each entrant was required to pay in the sum of \$2,000, but before the race was held one horse, Purdy, died and the management in a spasm of generosity refunded the entrance money. As it was the race only stood the trophy \$2,000 and attracted the attention of the entire continent.

A writer in The Horseman gives the following suggestions to starters. "For the good of the sport I suggest that the field score at will, the usual procedure, then, as an example, a field of eight horses, are starting, the first four horses, according to their positions, start from in front of the starter's stand and walk on the outside of the track down to the assistant starter; from there, all four horses turn to the right and walk into their positions.

W.K.S. Team Wins From Academy 5-2

West Kent hockey team last night defeated the Summerside Academy sextette to the tune of 5-2. The Charlottetown boys were a smooth-working heavy team and from the opening whistle had control of the game with the exception of about ten minutes of the second period, when the Summerside boys showed their mettle.

In the opening period, McEachern scored for West Kent when the puck caromed into the Summerside cage off a skate. Six minutes later Joe Wedge's rebound in the second period, when the Summerside boys showed their mettle. In the opening period, McEachern scored for West Kent when the puck caromed into the Summerside cage off a skate. Six minutes later Joe Wedge's rebound in the second period, when the Summerside boys showed their mettle. In the opening period, McEachern scored for West Kent when the puck caromed into the Summerside cage off a skate. Six minutes later Joe Wedge's rebound in the second period, when the Summerside boys showed their mettle.

SUMMARY

- First Period
1.-W. K. S., McEachern (unassisted) 8:31.
2.-W. K. S., Andrew (McEachern) 14:21.
Penalties: none.
Second Period
3.-W. K. S., Andrew (McEachern) 2:00.
4.-S. H. S., Wedge (unassisted) 10:45.
5.-S. H. S., Wedge, (unassisted) 19:45.
Penalty: Ramsay.
Third Period
6.-W. K. S., Worth (McEachern, Andrew) 9:40.
7.-W. K. S., McEachern (Worth, Andrew) 12:16.
Penalty: Saunders.

LINEUPS

Summerside: goal, E. Boates; defence, N. Sinclair, B. Rankin, R. Ramsay; forwards, J. Wedge, J. Hogan, I. Ross, C. Hickey, C. Hogan, A. Arsenault, P. Dods.
West Kent: goal, G. DeBlois; defence, A. Gillis, D. Saunders, P. Sinclair; forwards, O. McEachern, E. Worth, P. Andrew, G. McLeod, A. Perry, J. Darrach.
Referee, Charles Cahill.

McAvoy Seeks Heavyweight Title Bout

(A. P. By Guardian's Special Wire) NEW YORK, Feb. 7.—Jack McAvoy, British middle and lightweight heavyweight king, wants to take on John Henry Lewis, Jack Peterson and Joe Louis in that order, he said on his return from England today.

He's matched to fight Lewis for the 175-pound world crown May 8. If that fight can be shifted to an early March date, McAvoy will dash back across the ocean to battle Peterson for the British heavyweight title. Then, in the event something should prevent Herr Max Schmeling from keeping his June date with Joe Louis, the trim Briton will offer himself as a substitute. Lewis first was billed April 3, then moved back to May. This is agreeable to Lewis, but not to McAvoy's manager, Dave Lumlanski. Gus Greenlee, Lewis' manager, and Lumlanski, will sit down tomorrow and try to iron out the situation.

MIDGET AUTO PACE TRACK

ST. LOUIS—False starts and poor footing, blamed by Stella Walsh last year for her defeat by Helen Stephens, will be minimized at the national Amateur Athletic Union's women's indoor track championships here Feb. 12. A firm clay track, packed by midget auto racers the night before, will provide good sprinting ground.

At the same time, the other four horses, walk on the inside of the track to the assistant starter, turn to the left and walk into their positions. All horses came slowly and any horse out of line on reaching the starter's stand to be fined \$10 for the first offence. A second offence and a driver is replaced by another driver. A third offence sends the horse and driver to the right and walk into their positions.

BRIDGETOWN, N. S., Feb. 5.—Bridgetown Curling Club held first place in the Western Counties bonspiel at the end of the second day's play with four victories and one loss. The strong Yarmouth entry was eliminated from further competition with three straight losses. It was the only club so far eliminated.

Germany And Norway Tied For Honors

(C.P. By Guardian's Special Wire)

GARMISCH-PARTENKIRCHEN, Germany, Feb. 7.—Canada and the United States clinched places in the second round of hockey competition while Norway's famed skiers streaked off with the first two individual titles of the fourth Winter Olympics and the flames of a new controversy spattered.

No sooner had the row engendered by the suspension of two Canadian-trained members of England's hockey team been settled by their reinstatement than the figure skaters complained bitterly over the lack of an ice-sheet for practice.

Bob-sledding Postponed

Adding further to the woes of the organizing committee, an indefinite postponement of bob-sledding competition, scheduled for tomorrow, was ordered because of the faulty condition of the run.

Canada breezed through Latvia for an 11-0 triumph and continued to dominate the hockey picture. The team apparently destined to win the fourth straight hockey title for the Dominion, was even more impressive than in its opening, 8-1 victory over Poland.

Double Triumph

In fact two victories were scored by the British teams, which had threatened to withdraw after James Foster and Alex Archer, former Winnipeggers, were declared ineligible for breach of the Canadian Amateur Hockey Association transfer rule. The first triumph was the reinstatement of the two players after Canada waived its suspension and the International Hockey Federation concurred. The second came when England, with goalie Foster and Wingman Archer in the lineup, turned back Sweden 1-0.

Tied For Honors

Germany made an excellent showing in both of the tricky dashes, taking four of the first six places in the women's and three of the first six in the men's. Thus the host nation scored 22 points, exactly the same as Norway.

Canada's ski riders finished outside the point-circle in both events. Karl Baskvik of Montreal, best of the Canucks in the men's race, paced 26th. His time of five minutes, 55.2 seconds, was far behind Ruid's winning mark of four minutes, 47.4 seconds. W. J. Ball, "Bud" Clark, Ottawa, 46th, Tom Moberg of Vancouver scratched.

Of the Canadian women, Mrs. Lois Reid Butler was best with a time of six minutes, 20 seconds and placed 17th. The winner's time was five minutes, four seconds. Mrs. Edwina Chemer and Mrs. Diana Gordon-Lennox, both of whom were injured recently, were clocked in 7:21 and 8:37 respectively. Marjorie Millar's time was 7:30.

Summerside Curling

In the first game for the T. A. Campbell Challenge Cup, Monday night, Brooks won from Campbell 15-4. The second game was curling Thursday night when Brooks won from Jardine 10-5. The results in the championship competition thus far for the Tip Top Tailor Trophy are as follows:

Won Lost
L. R. Allen-Skip 9 3
Morley Bell-Skip 6 7
W. R. Brooks-Skip 6 5
T. A. Campbell-Skip 2 8
E. F. Foley-Skip 10 3
F. L. Holman-Skip 3 3
R. Jardine-Skip 4 6
W. E. McDonald-Skip 9 4
L. MacFarlane-Skip 6 5
W. B. McNeill-Skip 1 8
M. Thus-Skip 2 8
W. Willet-Skip 9 5
F. Weeks-Skip 5 3
L. Home-Skip 5 5
E. Parkman-Skip 4 4

WOLFVILLE, N. S., Feb. 5.—Windsor Maple Leafs won over Acadia University 6-3 and Kentville Wildcats, 1935 Nova Scotia champions, defeated Fort Williams 8-4 in two Valley League fixtures at Wolfville and Kentville tonight. The Windsor victory assured Leafs of first place in the League while Wildcats' win kept them in the running for a playoff berth.

Impressive Victory Makes Canadians Heavy Favorites To Retain Olympic Title

United States Hockeyists Keep Pace With Canucks

With 3-0 Triumph Over Switzerland, English Team Blanks Sweden 1-0.

(Canadian Press Cable, by Guardian's Special Wire)

GARMISCH-PARTENKIRCHEN, Germany, Feb. 7.—Aure were many in these snow-clad hills tonight ready to concede the hockey championship of the fourth winter Olympic Games to Canada without further ado.

The Canadians whirled to their second victory of the games by swamping the Latvian team under an 11-0 avalanche today, thus maintaining a hockey record unblemished by a single defeat in the last four international sports meets.

What made their position appear so strong was the difficulty the United States and English teams experienced in subduing their foes.

The English team, with four Canucks in the lineup, barely edged out a 1-0 win over Sweden today. The United States had a hard time turning Germany back yesterday 1-0 and their 3-0 triumph over Switzerland today was only a shade more impressive.

ROYAL PLAYERS STAR

A Montreal threesome from the Royals of that city's senior amateur league formed Canada's starting forward line and swept in nine goals. Hugh Farquharson had four goals and three assists, Ralph St. Germain three goals and two assists. Jim Haggarty, a Port Arthur boy recently connected with an English team, accounted for the other two goals and provided help on another play.

At that, the winners appeared to play all out only in spurts. St. Germain, an Ottawa boy and former McGill football and ice star, fired the initial goal on Haggarty's pass eight minutes after the game opened. "Saint" made it 2-0 four minutes later with the Lakehead speedster again assisting.

NEVILLE TO FARQUHARSON

Farquharson appeared in the repeat goal role in the second period. He flipped the puck to Neville from the opening face-off, then coasted in to take the wingman's pass and the initial goal to tally again on a brilliant solo flight. Farquharson used the first drop of the puck in the third period for another goal.

Art Nash of Port Arthur took over the goal-tending duties Frank score, the Port Colborne veteran, handled so well in the opening game. It was Nash's first Olympic appearance and the shutout was a great send-off. Yet the goalie would probably have been better pleased if there had been more to do.

In the first period he had only a single shot to save. The rest of the game was little more active and he had to skate around in front of his net to keep warm.

The victory lifted Canada into the second round of the playdowns, regardless of the outcome of the engagement tomorrow against Austria. Coach Alf Pudas, pleased no end with the showing of the team, said he planned to use today's lineup against the Austrians, who turned back Poland today, 2-1.

Bulldogs Eke Out Win Over Syracuse 6-5

(C. P. By Guardian's Special Wire) The scoring featured the three International Hockey League games played last night which saw 11 goals scored at Windsor as the Bulldogs beat Syracuse 6-5. Detroit won at London 5-3 and Pittsburgh took a hard-fought overtime decision from the visiting Rochester Canaries 4-3.

Duke McDonald and Aubrey Webster, former Moncton Hawks, combined to give Clarence Brouillard the opening for Windsor's first goal after little more than a minute's play. Syracuse came back to score in the first period. The first goal was scored at Windsor as the Bulldogs beat Syracuse 6-5. Detroit won at London 5-3 and Pittsburgh took a hard-fought overtime decision from the visiting Rochester Canaries 4-3.

Of the Canadian women, Mrs. Lois Reid Butler was best with a time of six minutes, 20 seconds and placed 17th. The winner's time was five minutes, four seconds. Mrs. Edwina Chemer and Mrs. Diana Gordon-Lennox, both of whom were injured recently, were clocked in 7:21 and 8:37 respectively. Marjorie Millar's time was 7:30.

HOOP DOUBLEHEADER AT "T" TONIGHT

F. W. C. Co-eds take on the Nyodas at 7.30 p. m. and 8.30 p. m. see the Navy, last year's runners up to the "Hi Y" Grads struggle for the first time this season. There is lots of rivalry between those two teams and it should be plenty exciting before the timer's whistle ends the game.

MIDGET CANADIENS HOCKEY NOTICE

The following players are asked to be at the Forum this afternoon at 3 o'clock sharp: MacLeod, Wilson, Burke, McDonald, Coyne, Roach, Howatt, Steele, Richard, Roach, Williams.

CHALLENGE

We, the Carleton and Cape Traverse "All Star" school team do hereby accept the challenge of Borden School "Blackhawks" to a friendly game of hockey to be played in Borden Rink Monday, Feb. 10th.

JOHNNIE MacDONALD, Captain.

Forum Program TODAY

- 2 P.M. Midget Beavers vs. Maple Leafs. 3-5 Skating. Admission 10 cents. 9 P.M. First Game City League Finals, Superiors vs. Pirates. Admission 20 cents.

Today's Winter Games Program

- (C. P. by Guardian's Special Wire) Hockey:— 9 a. m.—Latvia vs. Poland. 10 a. m.—England vs. Japan. 10.30 a. m.—Canada vs. Austria. 2.30 p. m.—Czechoslovakia vs. Hungary; France vs. Belgium. 4 p. m.—United States vs. Italy. 9 p. m.—Switzerland vs. Germany. Skating:— 11 a. m.—Slalom race for women. (Subtract five hours for Atlantic Standard Time.) Canada's Olympic Chances Today:— Hockey—Canada vs. Austria. Women's Slalom Ski race—Mrs. Lois Reid Butler, Mrs. Edwina Chemer, Marjorie Miller, Mrs. Diana Gordon-Lennox.

Midget Game

The hockey match between the Silver Foxes, captained by Robert McLeod, and the Buxton Street Tigers will take place this morning between 10 and 11 o'clock. All the boys range between 10 and 12 years of age and have had several practices which have fitted them to put up a fast, classy game. Capt. Donald Seaman of the Tigers will regretfully be absent as he is still suffering from a cold. However, his team will carry on and give a good account of themselves.

Junior Abbie Hockey Practice

Junior Abbie hockey practice this morning 9 to 10. All players are requested to be on hand.
