NEW WAY TO BE WELL

Healthfulness of Oranges.

The one lesson which most people never seem to learn is, how to guard their health.

We have been eating oranges since time immemorial, yet how many of us know that orange juice contains a medicinal principle which has a marked action on the stomach, bowels, kidneys and skin. Some physicians go so far as to say that they can cure the average case of indigestion, constipation, biliousness and dry skin with orange juice and proper diet. This can be easily proved to the satisfaction of any sufferer. Take the juice of one or two oranges every morning before breakfast, take one or two "Fruit-a-tives" every night at bed-time, exercise a reasonable care in diet, and the proof will be found in health.

The cure will be greatly assisted and hastened by taking "Fruit-a-tives" in conjunction with the orange juice. "Fruit-a-tives" are fruit juices in which the medicinal principle of oranges, apples, figs and prunes are many times increased by the special way in which they are combined. These tonics are added and the whole made into tablets. "Fruit-a-tives" may be obtained at all dealers, or will be sent postpaid on receipt of price—50c a box—6 for \$3.50. "Fruit-a-tives," Limited, Ottawa.

—Miss Mary Emmerson and her strong company presented the old English Drama Will O' The Wisp in Market Hall Summerside on Tuesday evening last to a good house. That Miss Emmerson pleased her audience was evident from the applause received resulting in several curtain calls. The dancing of Miss Emmerson in the first act was certainly fine. Will O' The Wisp as presented by the company was one of the best if not the best presentation in Summerside for sometime.

This woman says that Lydia E. Pinkham's Vegetable Compound saved her life. Mrs. Emma Chatel, Valleyfield, Bellefleur, Quebec, writes to Mrs. Pinkham: "I want to tell you that without Lydia E. Pinkham's Vegetable Compound, I would not be alive. For months I suffered with painful and irregular periods and inflammation of the feminine organs. Doctors could do nothing for me, and said I must submit to an operation as I had a tumor. One of my cousins advised me to take Lydia E. Pinkham's Vegetable Compound as it had cured her. "I did so and now I have no pain and am entirely cured. Your remedy is deserving of great praise."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness or nervous prostration. Why don't you try it? Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

SOMETHING NEW IN RAINPROOF COATS

We have just received a beautiful and stylish range of ladies' showerproof coats, which are the newest idea in medium priced garments, being very fashionable in American as well as Canadian Cities they are of the celebrated "Hyde-grade" Cravenette, exceedingly light in weight, rain proof and serve also as dusters. Besides they are extremely dressy in appearance, and are equally appropriate for rain or shine. Just the ideal coat for ladies driving to and from the beach in summer, or for a light dressy wrap or evenings or cool days.

We have them in navy, brown, champagne and grey, beautifully made and finished with contrasting collar and cuffs at \$7.50 and 10.00 each. We invite the ladies to see these.

Heatherbloom Taffeta Petticoats

We have just sent in a repeat order on these popular garments which bid fair to altogether supplant silk as they possess the wondrous beauty and sheen with the same swish and rustle of the finest silk taffeta at one half their cost, and three times their wearing qualities.

These beautiful garments come in black white and all the leading shades, are not effected by washing and can be had at a variety of prices from \$3.15 and up. The quality of the material is the same in all the difference in price being due to the style and finish of the garments, many of which are most elaborate.

Heatherbloom Taffeta by the yard

We have the same charming and widely known fabric by the piece also which is shown for the first time in this City on our counters, and to be had exclusively here. It is superior to silk for petticoats waist or coat linings, or as a lining for sheer fabrics, such as Voile, Grenadine etc, no matter how elegant you desire them to be, and is by far the most satisfactory both in appearance and wear at one third its cost. It is 36 in wide, in black and all the popular shades and costs 50 cts a yard.

It has just the soft finish and rustic that style demands, together with the soft silky finish that appeals to cultivated tastes.

So there are inferior imitations, safeguard yourself by insisting on seeing the trade mark "Heatherbloom" stamped on every yard.
