A splendid programme consisting of choruses, recitations and dialogues was excellently rendered. The class room was attractively decorated for the occasion, and a beautiful Christmas tree stood in one corner of the room, bearing a small remembrance for each pupil as well as a beautiful gift to each teacher from the pupils. After the tree was unloaded, the trustees and many others who were present, expressed themselves as highly pleased with the past six months work. The Singing of the popular choruses "British to the Core" brought the meeting to a close.
