A GREAT FARMERS' PAPER.

The sixth annual autumn number of The Farming World, just received, is a most creditable production. It is handsomely illustrated, and contains upwards of a hundred pages. A special feature is an article on Agricultural College Work in Canada; in which is outlined a plan by which the College at Guelph may be used to serve the whole Dominion. "Ranching in the West" and "The Peace River Country" form the headings of two most interesting articles on Western Canada. The French Canadian Farmer and Fruit Culture in Nova Scotia are entertainingly dealt with in two well illustrated papers. The famous stock farms of England and Scotland are well pictured in two special articles, while Canada's Live Stock Industry receives attention in several more. The home features of this number are especially noteworthy, and cover many pages. The number throughout is a credit to the Publishers, and should prove of exceptional interest to farmers. Any of our readers who wish it, may see a copy at this office, or may secure one for themselves by writing to The Farming World, Toronto.

What is undoubtedly the prettiest souvenir of its kind yet seen here has been received by G. F. Hutcheson, the well known jeweler. It is in the form of a tourist cup of silver and has engraved on it views of Island scenes which include A harvesting scene in the land of sunshine, Stanley breaking through the ice, St. Dunstons Cathedral, Island coast of arms, Fort Edward and the dogs of war, Provincial buildings e. c. The souvenir is most interesting as a remembrance of the Province.

A CORRESPONDENT sends following additional particulars of a late wedding in Tryon. It is with pleasure that we chronicle the marriage, of Lucius B. Crue, of Summerside, to Miss Carrie Adelia, third daughter of M. C. and Mrs. DeLaney, North Tryon, which happy event took place at the residence of the bride's parents, on Wednesday evening, Sept. 9th. The wedding march was played by Mrs. John Crue, of Albany, and the nuptial knot was securely tied, by Rev. John Clark pastor of the Tryon Baptist Church. The bride attired in white muslin, trimmed with white satin ribbon and inserting a bouquet of white carnations, looked superb and caused a murmur of admiration, to rise from about ninety guests, as she was given away by her father. Miss Lizie DeLaney, sister of the bride, daintily dressed in white, efficiently performed the duties of bridesmaid while the groom was ably supported by his brother Wesley Crue. After the wants of the inner man had been more than satisfied from a bountiful repast the happy couple left for their future home in Summerside, amidst showers of rice and congratulations. The large number of beautiful and magnificent presents testify to the high esteem in which both bride and groom are held not only in their native town and village, but also in other places distant in the Maritime Provinces where valuable presents arrived from. The Guardian and correspondent joins with the many friends in wishing Mr. and Mrs. Crue every success and joy through life.

HEALTHY, HAPPY BABIES.

Every mother most earnestly desires to see her little ones hearty, rosy and full of life. The hot weather, however, is a time of danger to all little ones, and at the very first symptoms of uneasiness or illness, Baby's Own Tablets should be given. It is easier to prevent illness than to cure it, and an occasional dose of Baby's Own Tablets will keep little ones healthy and happy. If sickness does come, there is no other medicine will so quickly cure the minor ills of babyhood and childhood—and you have guarantee that it contains no opiate or poisonous stuff. Mrs. John Nall, Petersburg, Ont., says:—I have used Baby's Own Tablets and find them a superior remedy for troubles of the stomach and bowels. From my own experience, I can highly recommend the Tablets to other mothers. Mothers should always keep these tablets in the house, ready for any emergency. Sold by medicine dealers or sent postpaid at 25 cents a box, by writing the Dr. Williams Medicine Co., Brockville, Ont.
