ACTED LIKE MAGIC

A French Gentleman's Opinion of Dodd's Kidney Pills and What They did for Him

ST. URBAIN, QUE., August 11.—(Special).—Narcisse Barrette of this place says:—

"For more than 15 years I suffered with a severe malady of the back and Kidneys which caused me horrible pains.

"I tried many doctors but the relief I could get was only temporary and the disease always returned. I suffered almost beyond endurance.

"I had Rheumatism as well as Back Ache, and I would rather die than suffer again the way I did.

"After trying the doctor's treatment and almost everything else without any good result, I began to use Dodd's Kidney Pills. They acted almost like magic. I am now in perfect health and work every day.

Severe Pains in Left Kidney

Mr. Ellis Gallant, Paquetville, Gloucester Co., N.B., writes: "I feel it my duty to write you, as I have received much benefit from the use of Dr. Chase's Kidney-Liver Pills. I was taken three years ago with a pain just below the ribs of the left side, and right over the kidney. At first it did not cause me much suffering, but a year ago the pain, at times, was very severe.

"After hearing repeatedly of the value of Dr. Chase's Kidney-Liver Pills, I decided to make a trial, and after using two boxes the pain had completely disappeared and I am well, thanks to this remedy. I have also used Dr. Chase's Ointment, and found it worth its weight in gold. You may publish this letter if you like, as it may induce some other sufferer to profit by my experience.

You cannot possibly make a mistake in using Dr. Chase's Kidney-Liver Pills for derangements of the kidneys, liver and bowels. It has proven itself worthy of the most hearty endorsement of thousands of people. One pill a dose, 25 cents a box, at all dealers, or Edmondson, Bates & Co., Toronto.
