TIRE SURGERY—"Tractor Tire Surgery" is the unique title of a sign recently placed on the Morris building, corner of Queen and Water Streets, which proclaims the fact that Mr. J. J. Trainor, who recently completed a course at the Technical College at Halifax, has opened up a tire repairing business, where autos may have tires repaired with quick despatch. Mr. Trainor has just installed a Haywood Model 8 vulcanizing machine, one of the most up-to-date of the kind, by which the "dry cure process" is done and is also installing a buffing machine which makes a very complete job.
