OBITUARY.—On Monday the remains of the late Maggie Shaw, of New Perth were laid to rest in the Georgetown Cemetery. Maggie was the youngest daughter of Mr. Robert Shaw and her decease, which, after a long and tedious illness, occurred on Saturday the 16th awakened the deepest sympathy of the community for the afflicted house, which was very manifest at the funeral in the large attendance and long procession of nearly 100 carriages. The deceased was 9 years of age, a member and an active worker in the Presbyterian Church at Montague, and highly esteemed by all who knew her. Trusting in the merits of the Redeemer her death was happy and peaceful.

## The Shoe Dressing You Use

Shoe dressing is something that should be bought very carefully. There is an old saying that "our mans meat is another mans poison" and this applies very forcibly to shoe dressing. Different materials require different treatment—and great care should be used in making your selection especially if you wear such fine materials as Box Calf, Dongola, Millow Calf etc. We can recommend any of the following first class dressings.

- Boulward (black) 10c.
- Eclipse [combination black, tan, and chocolate.] 10c.
- Perfection [tan, and chocolate.] 25c.
- Diamond [black] 25c.
- Congo ["waterproof"] 25c.
- Vicis [for colored Dongolas] 25c.
- Peerless [combination] for box calf, etc. 25c.

Fine leather requires fine treatment.
