**CONTENTS OF BIBLE STUDY CONTEST**

1. Persons may join the club at any time during the year, but must, of course answer the 52 questions to qualify for the prizes. It is however desirable that the questions be answered as the lessons are read.

2. Each contestant, or his or her family, must be a subscriber to The Guardian, during the continuance of the contest, in order to qualify for membership in the International Newspaper Bible Study Club and this Local Club.

3. Each contestant in this Local Club, must answer each of the written questions, for 52 consecutive weeks, commencing for Sunday, Aug. 23rd, 1908, and the answers must all be in the possession of The Guardian within two weeks of the close of this period, which allows two weeks grace after the close of the contest.

4. Each question must be answered separately, and the paper written on one side only. No answer must exceed two hundred words in length and may be less. It will be a convenience if students will write their answers on letter paper, about 3 1/2 inches wide, and the name and address of the writer at the bottom of the answer, so it can be identified, given a number of the close of the contest, and forwarded to headquarters for independent examination by competent examiners. The prizes will then be awarded according to the highest number of marks won by members of The International Newspaper Bible Study Club, and prizes which may be awarded to members of this Local Club will be given out from this office.

5. Registered and the name cut off so the examiner may know it by number only.

6. Students should be careful to understand the question before answering. To do this, the lesson text must be read and especially the verse, or verses, upon which the question is based.

7. The answers from this Local Club must be delivered to this office, and they will be collected at

**"WOMEN!" "Are You Nervous?"**

The results of modern civilization are evidenced in an increase of nervous disorders. It could not be otherwise with the way we eat, drink, lose sleep, and keep up a continual round of excitement. The work, the worry, the excitement, all tell upon the nerves till they cry out in revolt, and will not be placated till a remedy such as

**MILBURN'S HEART AND NERVE PILLS**

come along with their nerve-strengthening and energizing properties, and restore them to their normal condition.

Mrs. Wm. Levi, Markdale, Ont., writes: "I had for several years been troubled with nervousness, and, like many others, spent lots of money on medicine that did me no good. I was so bad that the least noise would make me jump and my heart would thump so you could hear it plainly and I saw a few testimonials of others and decided to try Milburn's Heart and Nerve Pills, and to my great joy and surprise they completely cured me and it only took six boxes to do it. I have a neighbor, Mrs. Rickard, and I induced her to try them and they effected a cure. I can endorse their use for anyone afflicted as I was."

Price, 50 cents a box, 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

**WAS IN BED FOR THREE MONTHS.**

**PEOPLE SAID SHE HAD CONSUMPTION.**

Read how Mrs. T. G. Buck, Bracebridge, Ont., was cured (and also her little boy) by the use of Dr. Wood's Norway Pine Syrup.

She writes: "I thought I would write and let you know the benefit I have received through the use of your Dr. Wood's Norway Pine Syrup. A few years ago I was so badly troubled with my lungs people said I had Consumption and that I would not live through the Fall. I had two doctors attending me and they were very much alarmed about me. I was in bed three months and when I got up I could not walk, so had to go on my hands and knees for three weeks, and my limbs seemed of no use to me. I gave up all hopes of ever getting better when I happened to see in B.B.B. Almanac that Dr. Wood's Norway Pine Syrup was good for weak lungs. I thought I would try a bottle and by the time I had used it I was a lot better, so got more and it made a complete cure. My little boy was also troubled with weak lungs and it cured him. I keep it in the house all the time and would not be without it for anything."

Price 25 cents at all dealers. Beware of imitations of Dr. Wood's Norway Pine Syrup. Ask for it and insist on getting the original. Put up in a yellow wrapper and three pine trees the trade mark.
