The Silver Wings tackle the Aces on Thursday evening in a sudden-death fixture for the right to attend the finals for the Lea and Wright trophy now held by the Kensington Silver Wings.

There is a rumor that Graham's Road hockey team, champions of their league, will cross sticks with the Kensington Silver Wings, winners of the North Shore League, at an early number. Nothing would suit the large number of hockey fans better than to see those two teams in action, and if this game is arranged, it will draw a large number of fans who are always anxious to see outside teams perform; so come on, boys, let's go before the ice begins to soften up.

By the way, we would like to know when does Howard intend to hold his night of sport, for this is the big night of the winter season and all are interested. H

Teams Squabble Over Rookie

NEW ORLEANS, March 9—(AP)—Bill Nowak, the infield rookie from Detroit, fielded a few grounders with his "kidnappers," Cleveland Indians, today as the squabble over his contract gathered new eddies.

C. C. Slapnicka, general manager of the Indians, suggested Bill Terry, manager of New York Giants, call on the G-men "to investigate his charge that Nowak was 'kidnapped' by the Indians."

"Terry falls to state," Slapnicka said, "that Nowak came to Cleveland last September and accepted financial assistance to attend school the past winter, in return agreeing to sign with our Springfield, O., club."

Terry said Nowak had signed a Jersey City "G-men" farm contract. The Indians said he signed with Springfield.

Abbie Sisters Win Game

Scoring a trio of counters in the first period, adding five more in the second session and then winding up their scoring spree by shooting another three goals in the windup session while holding their inexperienced opponents to a lone counter in the second period Abegweit Sisters last night skated to an 11-1 victory over the Prince Street School Girls team in an exhibition game played at the Forum last night.

Led by the McInnis, Jones, Cudmore trio who scored all of the Abbie goals the winners took a 3-6 lead in the first twenty minutes, increased their margin to 8-1 in the middle canto as Marion Matheson punched home the only goal of the losers and then in the windup session added three more goals to run their count into double figures.

Although defeated by a rather large margin the school team put up a game battle all the way through but could not beat the stout defence the Abegweit Sisters threw up in front of their stellar goalies.
