MONDAY.

VALUABLE ANIMALS—Messrs George and William Dockendorf have sold their Crown Right mare, weighing 1600 lbs., also her three year old filly, to Mr. W. S. Newsom. Both mares took first prize in their class last week. It appears hardly safe to put a price on the good goods in Mr. Newsom's presence.

DIED AT HALIFAX—A wire was received here yesterday by Mr. R. E. Mutch, of Stanhope, announcing the death at Halifax that afternoon of Mr. Charles Hawkins, a native of this Island, who had made his home in that city. Mr. Hawkins was a brother of Mr. John Hawkins, of Murray Harbor, and great-uncle of Mr. Mutch. He had a son, a Dr. Hawkins, who is practising in Halifax.

POTATO SHIPMENTS—Potatoes are coming in from the Valley, says the Halifax Maritime Merchant, and the quality appears to be very good; but the trade are not yet able to form an estimate respecting the crop. Small shipments of P. E. Island potatoes have also been coming forward by steamer, but it is too early yet to say what the crop of Calicoes will be even in the Island, it seems impossible yet to get a report that will give an idea of what the market will be this fall.

DIED IN CALGARY—Rev. John Gillis of Wood Islands, received a wire on Tuesday 23rd Sept., 1913, apprising him of the death of his son-in-law, Mr. B. J. MacLachlan of Calgary, Alta. The late Mr. MacLachlan, who was in the prime of life, was taken sick of typhoid and succumbed in a few days. He was a well known and much respected citizen of Calgary. He was married to Mr. and Mrs. Gillis' eldest surviving daughter, who is left with two young daughters to mourn the loss of a kind husband and an affectionate father.

ISLANDER HEARD FROM—The many friends and relatives of Mr. A. D. McPhee, late Postmaster of Georgetown, will be pleased to learn that he is now established successfully in business in the City of Moose Jaw, Sask. He has formed a partnership with J. A. McKinnon, formerly of Burnt Point, near Georgetown. They have an office and warehouse on High Street, where they conduct an auctioneering, commission and real estate business. On the eve of their opening the Evening Times of Moose Jaw gave them a "write-up" and recommended them very highly to the people of Moose Jaw.

PRESENTATION—The Park street church ladies' missionary circle says a Halifax exchange met at the home of Mrs. Keith, 12 Carleton street, for a final social cup of tea with Mrs. (Rev.) MacInnis, formerly of Charlottetown before she leaves for her new home in Syracuse, N. J. During the evening Mrs. Keith read a short address expressing to Mrs. MacInnis the very high regard in the ladies held her and their regret at her departure. At the close a brooch set with pearls and peridot was presented for which Mrs. MacInnis gratefully thanked the ladies. Mr. MacInnis, who was also present, made a pleasant speech.

PURIFIED HIS BLOOD

Dr. Morse's Indian Root Pills Healed Mr. Wilson's Sores

When the sewers of the body—bowels, kidneys and skin ducts—get clogged up, the blood quickly becomes impure and frequently sores break out over the body. The way to heal them, as Mr. Richard Wilson, who lives near London, Ont., found, is to purify the blood. He writes:

"For some time I had been in a low, depressed condition. My appetite left me and I soon began to suffer from indigestion. Quite a number of small sores and blotches formed all over my skin. I tried medicine for the blood and used many kinds of ointments, but without satisfactory results. What was wanted was a thorough cleansing of the blood, and I looked about in vain for some medicine that would accomplish this.

At last Dr. Morse's Indian Root Pills were brought to my notice, and they are one of the most wonderful medicines I have ever known. My blood was purified in a very short time, sores healed up, my indigestion vanished. They always have a place in my home and are looked upon as the family remedy."

Dr. Morse's Indian Root Pills cleanse the system thoroughly. Sold by all dealers at 25c a box.

SUIT FOR DAMAGES—The City Council it is understood intend to contest the claim for damages which has been made on behalf of Mrs. McRathern of this city, as the outcome of an injury she sustained through a fall on one of the city's concrete sidewalk. A writ has been filed against the Council for the recovery of damages to the extent of \$800. The Council on the opinion of its legal adviser rejects the liability alleged against it.

SCHOONER COMING—The schooner Alice Gertrude, which recently took a cargo of coal to Shelburne for Capt. John Hipson, has been purchased by Lemuel Clow and others, of Shelburne, and the register has been transferred from Lunenburg to this port. The Alice Gertrude was loaded with lumber by the Bruce Lumber Co., Ltd., for Cape Breton, and from there will proceed to P. E. I. for a load of produce for Shelburne says a Halifax exchange.

FAREWELL—Miss Penelope Davies has completed her engagement as principal soprano soloist of the choir of St. James's Church. In leaving-taking of the congregation she gave a special and short recital at the conclusion of the usual service last evening. Her fine and carefully trained voice was heard to great advantage in several excellent solos while Professor Watkins, the organist, added to the pleasure of the recital with his characteristically splendid accompaniment.

At Cove Head on the 23rd inst., after an illness of several months borne with submission to the Divine will and trusting in the merits of her Saviour, Margaret Ellen Auld aged 71 years, leaving one sister and three brothers to mourn the loss of a kind and loving sister.

Dearest sister thou hast left us
And thy loss we deeply feel
But 'tis God who hath bereft us
He can all our sorrow heal.
Yet again we hope to meet thee
When the day of life is fled
Then in Heaven with joy to greet thee
Where no farewell is said.

SERIOUS ACCIDENT—A nine-year-old boy of Charlottetown, named Keoughan, met with rather a serious accident on Saturday afternoon, while riding a horse belonging to R. Gay, the meat dealer. The boy was riding the horse bareback, though he was using reins. He seems to have lost his hold on the reins through a sudden jolt of the animal, and the horse, finding its head free, began to canter. The boy grasped the main and held on to keep his seat. But the horse increased its speed, and when it was opposite the Morell House, the boy was unseated, and fell over the animal's head and between its hoofs. One of the iron-shod feet caught him a nasty tremendous blow on the head, inflicting a severe lacerated wound on the scalp. Several bystanders, who had witnessed the accident, promptly ran to the boy's assistance, picked him up and carried him across the street to Dr. Dorsey's where he received immediate attention and treatment.

A BRAVE RESCUE—Professor L. McIntyre, who is well known in Charlottetown which he visited last year, is the hero of a thrilling rescue from drowning which took place at Avon-by-the-sea, Newark, recently. A Mr. Harry Sampson while bathing got out of his depth, and was in danger of drowning when her husband went to her rescue. He succeeded in reaching her but strong swimmer though he was he was also carried out by the tide. A Lieut. Murphy, strolling along the beach was a witness of the occurrence, and he promptly sprang in and went out to the rescue of the struggling man and woman. When he reached them, in their panic, they tried to cling to him and he had hard work in keeping them from pulling him under. All three were thus in danger of going down when Professor McIntyre swam out to their help. With difficulty he separated the couple from Lieut. Murphy, and with the latter's assistance succeeded in getting the exhausted people safely to shore. The rescuers' bravery is not to go unrewarded, it is to be noted. There is to be a public meeting held at Newark on October 20, when rewards will be given to the heroes of what is an exceptionally noble rescue.

A deep gloom and sense of sadness, such as is seldom felt, and on every hand was heard expressions of sorrow and sympathy when it became known that Allan D. McDonald, an honorable and respected resident of Cherry Grove, had passed to his eternal reward.

The late Mr. McDonald was a man of splendid habits upright and honest in his relations and dealings with his fellow man and was deservedly esteemed by his many friends and acquaintances. Only a few short months ago he was seen attending to his duties on his farm, but suddenly he was taken down with kidney disease. For some weeks good hopes were entertained for his recovery but suddenly a change for the worse took place and in the spite of the best medical aid and the loving ministrations of his family the end came and on Monday night, Aug. 26th, he quietly breathed his last.

Although his illness was of a very painful nature he bore his sufferings with exemplary patience and recognition to the Divine will and being fortified with the last Rites of the Holy Catholic Church by his pastor, Rev. R. B. McDonald, his virtuous soul went forth to meet his Master.

His funeral took place on Wednesday Aug. 28th to St. Mary's Church and was very largely attended. After the service at the grave his body was laid to rest beside that of his wife who predeceased him four years ago. He leaves to mourn four sons and three daughters (viz). The eldest Mrs. H. MacEachern at Newport, Hugh of the P. E. I. Railway, Joseph and Comelia at home, Donald F. in Western Canada; John J. and

Margaret of Boston. The pall bearers were Messrs George Leslie, Frank McDonald, Nephew of the deceased; Angus McVarish, Michael Campbell, Frank McVarish and Patrick Power. The Guardian extends its sympathy to the bereaved family. May his soul rest in peace.

At a special meeting of Branch 261, C. M. B. A., Souris, on Thursday evening, the 25th inst., an address and fountain pen were presented by the members to Allan Joseph MacDonald, a member of the Branch, who leaves shortly to take up his residence in California. The address, signed by the officers of the Branch on behalf of the members and read by Mr. Laughlin McInnis, was as follows:

Mr. A. J. MacDonald,
Souris, P. E. I.

Dear Sir and Brother:—We, your brother members of Branch 261 of the Catholic Mutual Benefit Association of Canada take this opportunity, in special meeting assembled, to convey to you some expression of our heartfelt sorrow occasioned by your departure from our midst.

Branch 261 has known you for many long years as an active, efficient and enthusiastic member. To recount all you have done for the good of our noble Association in general and of our own Branch in particular, would make an address of this kind too extended. We learn with regret that you are going to take up your abode on the Pacific Coast in far away California, but whatever flag you may live under we feel confident that you will never forget that of your native land for that of the grand Association there-in under whose standard you have the honor to be enrolled. It was through your initiative that our Branch has become the happy possessor of the beautiful banner so often displayed to the admiring gaze of all and which, in recognition may require will be raised aloft in the future as you have been in the past. We beg to say that, though now a distinct and independent corporation in the Dominion of Canada, our noble Association had its origin in the land of your adoption; and in its early years was an integral part of the C. M. B. A. in that country.

This Branch is most grateful for all you have done in its interests both as an officer and member in its ranks. For years you have acted in turn as our Secretary and Treasurer. You leave on file in our minutes a record of work faithfully done. Your name is enrolled on our register along with the names of many others whom you have encouraged to seek the benefits of membership in our grand Association.

In conclusion, we ask you to accept this small gift, not on account of its intrinsic worth but as a token of our deep gratitude, esteem and regard in your behalf. We ask you to still keep us in mind and to send us a few words from time to time from your far-off western abode, a message to be read at our Branch meetings and which will materially assist and greatly encourage your brother members of this Branch in the good work of the Catholic Mutual Benefit Association. We wish you every happiness and blessing from on high in the land of your adoption and in bidding you a fraternal farewell we your brother members of Branch 261 assure you of a hearty welcome back should you at any time return to our midst.

Mr. MacDonald made a suitable reply, thanked the members for their kindness to him and spoke of the great pleasure it had been to him to take an active interest in the work of the Branch, wishing the Association in general and Branch 261 in particular continued and increased.

THE BLESSING OF MOTHERHOOD

Healthy Mothers and Children Make Happy Homes

Motherhood is woman's highest sphere in life. It is the fruition of her dearest hopes and greatest desires; yet thousands of noble women through some derangement have been denied this blessing.

In many homes once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong. This is evidenced by the following letters which are genuine and truthful:

London, Ont.—"I wish to thank you for the benefit I received by taking your famous medicine, Lydia E. Pinkham's Vegetable Compound. Before my baby was born I was so ill I could not stand long or walk any distance. I had to lie down nearly all the time. After I took your medicine I felt like a new woman. I could work from morning till night and was happy and well. I certainly think it relieves pain at childbirth and recommend it to every woman who is pregnant. You may use this testimonial if you like. It may help some other woman."—Mrs. FRANK CORRIE, 132 Adelaide St., London, Ont.

Brooklyn, N.Y.—"I was alling all the time and did not know what the matter was. I wanted a baby but my health would not permit it. I was nervous, my side ached and I was all run down. I heard that Lydia E. Pinkham's Vegetable Compound was good and took the medicine. I have now a beautiful baby and your Compound has helped me in every way."—Mrs. J. J. STEWART, 299 Humboldt St., Brooklyn, N.Y.

ed prosperity. He regretted his departure from their midst but would always keep them in mind and send them a few words from time to time. Several of the members afterwards spoke, expressing their sorrow at Mr. MacDonald's departure, after which the meeting adjourned.

BETTER THAN BLACK FOXES

The Black Fox Industry has proven to be an exceptionally good investment but, well selected Real Estate is better because safer. A \$10,000 fox may die or escape, but real estate in a city which is increasing its population at the rate of 14,000 per year and which has a building programme of \$12,000,000 this year cannot depreciate in value.

Be Wise And Divide Your Investments

We have large holdings in seven of the best cities of Canada, ranging from St. John and Moncton in the East to Calgary in the West. Our last purchase is a most fortunate one, being Four Hundred Dollars per acre less than was paid for the adjoining quarter section. **We Buy at Rock Bottom Prices and Make a Specialty of Syndicating Large Properties.**

You can get into one of our Syndicates 75 per cent. less than you can purchase the same property from the ordinary lot vendor; and then we stay by you and make the resale of the property, so that you know where you are to get off again. Our last Syndicate is in the process of formation and will have in it many of the best financial men in New Brunswick and Prince Edward Island.

The property is a quarter section in the Queen City of the West,—Regina—This quarter has already been subdivided, and is just across from the three-million-dollar Parliament Buildings and the G. T. P. R. million-dollar Hotel, and at the present time can be retailed in lots at double our price to the Syndicate.

The syndicate who bought the adjoining quarter made a profit of \$200,000 for the shareholders.
