"CASCARETS" BEST IF HEADACHY, BILIOUS, SICK, CONSTIPATED

Best for liver and bowels, bad breath, bad colds, sour stomach.

Get a 10-cent box. Sick headache, biliousness, coated tongue, head and nose clogged up with cold—always trace this to torpid liver, delayed fermenting food in the bowels, or sour, gassy stomach. Poisonous matter clogged in the intestines, instead of being cast out of the system is reabsorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull throbbing sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste water and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet, breath right, complexion rosy and your liver and bowels regular for months.

IN MEMORIAM

MRS. WM. L. MCKINNON

The people of Kilmuir and adjoining vicinity were greatly shocked and grieved to learn of the almost sudden, and altogether unexpected death of one of its most esteemed residents in the person of Mrs. Wm. L. McKinnon which occurred at her home on Saturday the 16th March.

The deceased had been enjoying her usual health up to the 10th of March upon which date she was suddenly stricken with that dread disease, pneumonia, and despite all that skillful medical aid could do in her behalf, she peacefully passed away to the great beyond on the date already announced.

Mrs. McKinnon who was in Boston since last Christmas had left for home the day upon which his wife took ill, and it was not until he arrived at Port Borden did he become aware (by telegram) of her sickness. From this point he was obliged to drive home by team owing to the snow bound condition of the trains, and arrived the day previous to that upon which her death took place.

The late Mrs. McKinnon was a woman of many estimable qualities, and her premature death has not only bereft the home of a devoted wife and a loving and affectionate mother, but the community in which she lived, by her removal, has been called upon to sacrifice of its best and most worthy. She leaves to mourn her departure and to cherish in her memory a sorrowing and disconsolate husband, one daughter and one son all of whom were present when the end came. Also three sisters and four brothers which are as follows:—Mrs. Donald McKenzie, Mrs. Malcolm McKenzie, of Milltown; Miss Flora McGowan of Boston; John McGowan of Dundas; Malcolm McGowan, merchant of Kilmuir; R.P. McGowan of Alaska and J. A. McGowan of Arizona.

The funeral service which was held over until the 21st, awaiting the arrival of her sister Flora from Boston, and who was unduly delayed enroute, was conducted at the home by her pastor, the Rev. Mr. Wright of Montague who delivered an impressive and inspiring discourse. After which the remains were conveyed to Valleyfield Cemetery and there interred in their last resting place in the presence of her sorrowing family, and a large number of sympathizing friends who had gathered to pay a silent, yet reverent tribute to the memory of one who was held in the highest esteem and respect.

JOHN W. McLEOD

After an illness of many weeks the subject of this sketch passed quietly away on February 19th, 1918. He was the youngest son of Samuel and Mrs. McLeod, Murray Harbor and was only in his seventeenth year. A self sacrificing mother and two affectionate sisters watched by his bedside night and day with mingled hopes and fears and after doing all within their power to supplement the doctor's efforts, they were compelled to see the young life close in its early spring time. An impressive funeral service was held on the 22nd by Rev. E. S. Weeks. Besides the parents five sisters and five brothers survive.

IN MEMORIAM

MRS. JOSEPH BROOKS

Mrs. Brooks was the daughter of the late Wm. Derby of White Sands, P. E. I. and was born on December 15, 1835 and died March 13th, 1918, having gone over four score and 12 years. Marriage was contracted with Mr. Brooks in 1860 and a family of two sons and one daughter blessed this union. The sons are Ralph, holding a splendid position in Chicago and Charles at home, White Sands. The daughter is Mrs. Wm. Horton of Annapolis Valley, N. S. These with an aged husband survive, to cherish the memory of a fine Christian woman. She was for many years an active and valiant member of White Sands Methodist Church and Sunday School. The funeral service was conducted by Rev. E. S. Weeks and interment was made in the River Side Cemetery, Murray Harbor.

MRS. ANNIE McQUEEN

At Mount Vernon, P. E. I. on the 18th of March, 1918, Mrs. Annie McQueen, relict of the late Murdoch McQueen, died at the age of 98 years. Deceased though not enjoying good health for some time, bore her illness with true Christian fortitude while in this life. She possessed many amiable qualities being a kind neighbor, a loving wife and an affectionate mother. She leaves to mourn her death one daughter, wife of John McQueen, Mt. Vernon, one step daughter, Christine of Barre, Vt. and grand children 5 boys and one girl, John and Christine McQueen; also 2 boys and two girls, children of the late Archie Martin of Springton, Lot 67 and a number of friends and other relatives. Funeral service was conducted by Rev. M. D. McLeod of Caledonia. The pall bearers were Allan D. Stuart, Dan Nicholson, Thomas and Alex Morrison, John McLennan and Murdoch McPhee. Her remains were interred in Wood Island Cemetery on the 20th inst. May her soul rest in peace.

WILLIAM H. MORROW

There passed peacefully away at Lakeville on February 10, 1918 one of the most respected citizens of that place in the person of Mr. William H. Morrow after an illness of only a few days duration. Deceased who was 76 years of age, had been in his usual good health and his sudden death came as a severe shock to his many friends. He was a member of the South Lake Christian Church into the membership of which he was baptized forty years ago on the same day as his pastor Rev. H. A. MacDonald. He was a man of many sterling qualities of great intellectual ability and was always interested in the leading topics of the day. He leaves to mourn one brother, Elisha on the homestead at North Lake; Mrs. C. F. Morrow, Los Angeles, Cal.; Mrs. H. B. Estabrook of Allston, Mass., besides a number of other near relatives and friends. The services at the house and grave were conducted by his pastor, Rev. H. A. MacDonald and the remains, followed by a large number who were anxious to pay their last tribute of respect to the dead, were laid to rest at South Lake Cemetery.

MRS. JOHN D. MACDONALD

Mrs. John D. MacDonald, a respected resident of Fox River, in Kings County, died on Feb. 25th after a few months illness, which she bore with Christian resignation to the Divine Will, at the comparatively early age of fifty years. The deceased was a daughter of the late Fidalous MacDonald and Nellie (Captain) MacDonald, of Black Bush, Lot 45. By her marriage with Mr. MacDonald she had eight children all living except one, Mary Ann. Of the seven boys and girls living, John A. is at Fox River, Ellie is in Bridgewater, Conn. Clementina, in the Academy de Notre Dame, Souris; while Sarah, Mary Ellen, Ion and D. Hugh Augustus are at home. The funeral took place on Feb. 27th to St. Peter's Bay Church where a Mass of requiem was said by the pastor, Rev. Father McAulay, when all that was mortal of the well beloved Flora Jane was laid in her final resting place in the cemetery near by. The funeral discourse was large and respectable showing the esteem in which she and her family are held in the vicinity. May her soul rest in peace.

Blinded by Indigestion

And Tortured by Headache—Spells Became More and More Frequent Until Cure Was Found

Ingonish Beach, N. S., April 4.—(Chron.) Indigestion is hard to get rid of because the treatments used aim at relief rather than at removing the cause. This letter shows how the trouble develops from constipation until the digestive system is upset, the food ferments, and headaches and blinding dizzy spells result.

In this case cure was effected by the use of Dr. Chase's Kidney-Liver Pills. Mrs. Donovan writes that she has never had a headache since. This seems to be conclusive evidence of the thoroughness of the cure.

Mrs. John J. Donovan, Ingonish Beach, N. S., writes: "I wish to speak a word or two in praise of Dr. Chase's Kidney-Liver Pills. I was troubled for years with sick headache and was so bad that when the pain would strike me, I would get blind, would have to drop everything and go to bed. These spells used to come very frequently—sometimes as often as twice a week. I read in Dr. Chase's Almanac of his Kidney-Liver Pills, and decided to try them. I hadn't used this medicine long until I was completely cured. I have never had a headache since, and feel that I cannot speak too highly in praise of Dr. Chase's Kidney-Liver Pills."

You cannot expect such results from substitutes and imitations, so be sure to see the portrait and signature of A. W. Chase, M. D., on the box you buy.

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c a box, 5 for \$1.00, at all dealers, or Edmanson, Bates & Co., Limited, Toronto.

MRS. WM. H. STEWART

Again the angel of death visited Peters Road claiming for its victim a beloved and respected citizen in the person of Mrs. Isabella Stewart, widow of the late Wm. H. Stewart, who passed peacefully away at the age of 78 years. Death is always sad but its bitterest and sharpest sting is felt when a kind and loving mother is called to her eternal reward, thus leaving a vacancy in the home which can never be filled. Mrs. Stewart enjoyed her usual health until a few days before her demise when she was stricken with a severe attack of pneumonia and on the 1st of March her spirit went forth to meet its creator and hear the "Well done thou good and faithful servant" of a Divine Master whom she faithfully served while in this life. She was a woman who endeared herself to all who knew her and her sudden death has brought much sorrow to a host of friends. Truly it can be said that those who knew her will most sincerely mourn her death. Although the day of the funeral was very unfavorable a large number of friends and relatives gathered at the home to pay their last respects to all that was mortal of a kind friend and neighbor. In the absence of her own pastor Rev. Ewen MacDonald, Rev. Mr. Sweet of Murray River officiated. She leaves to mourn besides a host of friends two children John A. on the old homestead and Mrs. David Horton of Peters Road; one son Charles was killed in Colorado some years ago. Also two step-children, Wm. H. in Oklahoma and Mrs. Isaac Acorn of Mount Vernon besides seven sisters, and one brother George Martin of Medicine Hat, Sask. Mrs. Wm. Chandler and Mrs. Henry Sealey of Mount Albion; Mrs. Alexander MacLennan of Peters Road; Mrs. Robert Whiteaway of Murray River; Mrs. John McMillan, Sydney; Mrs. Matilda Kemp of Milltown, Cross; Mrs. Roger Westaway of Lower Montague. The sympathy of the whole community goes out to the bereaved.

MRS. ELIZABETH HORTON

Mrs. Horton was a daughter of the late Wm. Buell of White Sands, P. E. I. She died at Murray River, very suddenly on March 27th, 1918. Heart failure was the cause. The funeral was held on the 29th and Rev. E. S. Weeks was assisted at the service by Rev. W. N. Sweet and Rev. W. E. Compton. Interment was at Murray River.

LOSS OF APPETITE

Most Successfully Treated by Taking Hood's Sarsaparilla.

Loss of appetite is accompanied by loss of vitality, which is serious. It is common in the spring because in this time the blood is impure and impoverished and fails to give the digestive organs what is absolutely necessary for the proper performance of their functions.

Hood's Sarsaparilla, the old reliable all-the-year-round medicine, is especially useful in the spring. Get it from your druggist today. By purifying and enriching the blood and giving vitality, vigor and tone, it is wonderfully successful in the treatment of loss of appetite and the other ailments prevalent at this time. It is not simply a spring medicine—it is much more than that—but it is the best spring medicine.

Hood's Sarsaparilla makes the rich red blood the digestive organs need.

S.O.S. Soldiers Of the Soil For the Farms

The proof of the value of boy workers on farms is that nearly every farmer who got boys in 1916 wanted them again in 1917. In 1916 a little over 2,000 boys went on the farms in Ontario. In 1917 nearly 8,000 were demanded and this year more than 25,000 will be required.

Hundreds of letters from farmers have been received, speaking in the highest terms of the work done by the boys. In many, many cases no other farm labour was used because none could be had. Nor was any other needed because the boys did all the work well and willingly.

This year Canada asks that no less than 25,000 boys shall enroll in the Soldiers of the Soil to help Canada raise the food our Allies and armies must have to win the war.

25,000 volunteer boy workers will help very materially to solve Canada's farm labour problem.

Enrollment Begins APRIL 8th

and it is necessary that it be complete by April 13 so that the farmers of Canada will know for a certainty that this help will be forthcoming when it is needed. They can then go ahead with seeding, being assured of help for cultivating and harvesting.

Boys from 15 to 19 inclusive, can enroll with High School Teachers, Y.M.C.A. Secretaries, Scout Masters, Etc.

Farmers can apply for boys to the Provincial Minister of Agriculture.
