Wall Paper Enthusiasm

That our enthusiasm over our handsome new Wall Paper is shared by the public is evident from the hum of business, and the unusually large sales in this department, sales which far eclipse even those of last season, which was considered a record breaker.

Nor is this to be wondered at when one views the extremely handsome and artistic designs, at such very moderate prices.

Without doubt, we are now showing the largest and best selected wall paper stock ever shown here—bought direct from the best and most up-to-date Canadian manufacturers. The designs are all new and selected with care and discriminating taste, and the many new patrons we are daily adding to our list, proves conclusively that the public appreciate a really good article at a moderate price.

Besides these we have a small but exclusive stock of English velours in most artistic designs which are just what many households have been looking for. These are not included in our sample books so don't fail to ask to be shown them.

A notable feature this season is the increased number of mail orders being received from all over the Province. These receive prompt and careful attention, and are shipped out the first train following the receipt of the order. Samples are sent free to all requesting them. Just drop a postal, stating for what rooms required also an idea as to the color preferred, and about what price, and suitable samples will be sent free.

We have opened up a new era of wall paper selling, and if you are one of the few who have not yet bought from us, you will do yourself and us a favor by calling in and seeing our stock.

Large sample books will be sent and called for to any part of the City.

Toilet Sets

There's a reason for our being able to sell crockery cheaper than the man of many lines. It's because all our time and attention is given to crockery—glassware—etc and because we buy in quantities large enough to get best prices from the potteries.
You pay no Middleman's profits here.—We have just opened a new line of printed Toilet Sets, that go your way at a saving of 50 cents a set.
