Miss Ed: I wish you wouldn't jump around so much when you dance!
Frog: I can't help it, and besides this is a "hop" anyway!

He: Grace says I'm a good looker.
She: I've noticed it—when there's something good to look at.

JOLTS AND JARS
Eva: Her strength was gained through a vibratory system—jots, you know.
May: And her beauty by means of jars.

She: Dad says you don't know enough to go in when it rains.
He: Does he?
She: He sure does.
He: Well you tell him I stay in the first place.

ITS OTHER NAME
Ivory: Jonesy says he's been taken with locomotor ataxia. Wonder what that is?
Brictopp: Dunno. Must be high brow for taxicab. Jonesy can't afford a car of his own.

Claims Stomach Souring Causes Bad Breath

New York City. Mr Ben Lohde writes: "I was formerly a victim of constant upset stomach, bad taste in the mouth and very disagreeable breath. My bowels were constantly constipated and nothing helped except temporarily. After using Carter's Little Liver Pills I have overcome all troubles and I am especially happy because of a sweet clean healthy breath."
Carter's Little Liver Pills are small, sugar coated easy to take by every member of the family. Their action on the bowels is gentle. 25 & 75c red pkgs. Druggists.

Rev. Mr. Baxter is re-arranging his services so that he may also be present and will be at Wheatley River at 2 o'clock in place of 7 o'clock as previously announced.

The February meeting of the W. M. S. of the United Church met on Thursday evening. There was a good attendance despite the unpleasantness of the weather. Two very interesting papers were prepared and read by Mrs. Pickering on our mission work in Japan and by Mrs. Seaman on the life of our first missionary to the Island of Formosa, George Leslie MacKay. A solo by Miss Florrie MacLeod and a duet by Miss Reta Pickering and Beatrice MacLeod were enjoyable features of the social hour. The annual meeting in March will be held in the church.

The community was shocked and saddened on Saturday afternoon when it became known that Master Leo, the bright little five-year-old grandson of Mr and Mrs W. E. Whitlock had been accidentally drowned while playing on the Mill-pond. He, and an elder brother Reggie came here last September with their father Mr. Wilfred Whitlock of Concord, N. H., who returned some weeks later, leaving the boys for the winter. To the grandmother particularly whose every thought was for their good, the deepest sympathy of the whole countryside goes out in her inconsolable grief. On Sunday morning in the United Church School fitting reference was made by Dr. Green to the deplorable accident and a silent tribute paid to the manly little chap who had been a faithful attendant at the school and whose sunny smile and happy disposition was the open sesame to many homes in the community and to the hearts of all who knew him.
