

So genuinely good is its reputation in our Home Provinces here in the East, folks who like good Tea are wont to say: "We use RED ROSE TEA."

The fine quality of RED ROSE COFFEE will please particular people.

**Notice to Visitors at Ch'town Exhibition**

On the ground floor of the show building The Charlottetown Milling Co., will have a display of flour, Lamoges China dinner set, and silverware.

They will take orders for Gold Bond flour in 24 and 98 lb. bags and with every purchase of one 24 lb. bag the purchaser will be given a coupon with a number.

The china dinner set and the silverware will be the prizes for the purchaser getting the lucky number.

There will be a lucky number for each and the purchaser of one bag of flour can choose a chance on either they wish, or the purchase of two bags entitles them to a chance on both.

The flour will be sold at regular retail price.

THE CHARLOTTETOWN MILLING CO.,  
GEO. S. ROBSON, Manager.

Mother says, "It must be FRY'S."

**Master WORKMAN SMOKING TOBACCO**

The Smoke that Lightens the Work

The same rich flavor—the same restful comfort and satisfaction in both Plug and Cut Plug.

Put up in both forms to please ALL Smokers.

At all Tobacconists and General Stores.

**"SOFCO"**

SUNSHINE ONE REGISTER PIPELESS FURNACE

Means summer warmth the whole winter through

McCLARY'S One Register Pipeless System is most economical of fuel. As the register is directly above the furnace every unit of heat passes directly to the rooms to be heated. The cool air is removed from the house as the warm air enters, therefore there is no resistance to the heat circulation and no energy is wasted. The circulation of the air is free throughout the house, doing away with all the friction and pockets which help to retard the circulation of the warm air. The furnace is insulated by the cold air between the outside and inside casings, therefore no heat can escape in

the basement. This is most important where a cool cellar is desired for fruit and vegetables. It is obvious that for houses already built the One Register Pipeless System is the ideal installation. The minimum excavation necessary is 6 ft. square by 6 ft. deep instead of under the whole house. It can be installed for very little more money than the old-fashioned Base-Burner.

The "SOFCO" Sunshine Furnace burns hard or soft coal, coke, wood, or any thing that is combustible as it has a CAST-IRON fire-pot on which the intensest heat has little effect.

Its strength and massive construction, its generous proportions make a heating plant for a lifetime's service.

- No. 91 "SOFCO," Heating Capacity 15,000 ft. Price \$180.00
- No. 93 "SOFCO," Heating Capacity 25,000 ft. Price \$225.00

**RADIUM ONE REGISTER PIPELESS FURNACE**

McCLARY'S RADIUM pipeless furnace is made to meet the demand for a moderate priced heating plant. It is made with a steel fire-pot for the use of hard coal or wood only, and everything that can be said of the "SOFCO" Sunshine applies equally to the RADIUM.

- No. 316 Radium, Heating Capacity 10,000 ft. Price \$125.00
- No. 419 Radium, Heating Capacity 14,000 ft. Price \$148.00
- No. 421 Radium, Heating Capacity 18,000 ft. Price \$177.50
- 16B. Bungalow Radium, Heating Capacity 8,000 ft. Price \$110.00
