Growing list of those who Testify to Dodd's Kidney Pills in Montreal.

MONTREAL, July 9.—The list of those who have received benefit from the great medicine, Dodd's Kidney Pills, is steadily growing in the city. Since Mr. Robert Thomson's name was published, Mr. M. Mullin, of 4 Elgin Street, has stepped forward and submitted his testimony. His case was Rheumatism which though now generally recognized as a kidney disease is not always treated as such.

People waste a lot of money trying to drive Rheumatism from the system. If they would all follow Mr. Mullin's example they would be saved much pain and expense.

Says he, "I have had Rheumatism for some time and could get nothing to cure me until I used Dodd's Kidney Pills. I have now taken three boxes and am cured."

It is rumored that this institution has on the way from Dawson City about \$2,500,000 in gold.
