

Merry Christmas

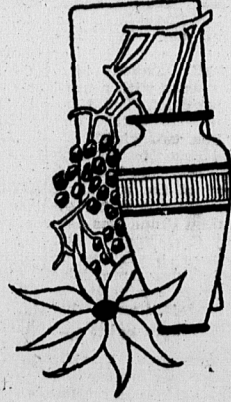

I'VE a fancy that this Christmas
Will be very kind to you,
And what's best about this fancy
Is I know it will come true!

CHRISTMAS WISHES

Peace abiding, Love presiding,
Honor increasing, Joy unceasing!

Davis & Fraser,
Island Cold Storage

IF WE HAVE SNOW ON CHRISTMAS DAY
OH, MAY YOU RIDE IN AN OPEN SLEIGH,
BUT IF THE STREETS BE BARE AND CLEAN
GO YOUR WAY IN A LIMOUSINE!

The sparks that leave
the Yule Log
To dance and leap on high
Exceed no whit the gayety,
Our wishes prophesy!

A. Pickard & Co.

Misfortune is covering,
We've made her skiddo;
Good Luck will be showering,
We've wished him on you!

Yuletide was a jolly season
When they spelt it in this way,
And that, we think, is right good reason
To wish you "Joyous Christmas Day!"

Brown Electric Co.,

As I wish you a Merry Christmas,
So I wish you a great New Year,
I hope it will be the greatest
Of a long and happy career.

WITH Christmas so near all the bells are a-jangle,
My head's in a whirl, my mind's in a tangle,
All I hear, all I think, all I say, all I sing,
Is, "Right Merry Christmas—a ding-a-ling-LING!"

JARVELL BROS.

LET who will be clever,
The best I can do,
Is say, "Merry Christmas—
Happy New Year to you!"

T. White,
Sunnyside.
