"You're all right, mister," he said casually. "This ticket allows a break of journey."

A lady of haughty manner had just purchased a postage stamp at the sub-station.

"Must I stick it on myself?" she asked.

"Positively not, madam," replied the clerk. "It will accomplish more if you stick it on the letter."

With hisses and groans the audience greeted the principal scene of the new drama. All hope then was at an end.

"It's hard to tell just what the public wants," murmured the heart-broken playwright.

"It's easy enough to tell in this case," said the manager grimly. "It wants its money back."

DUCHESSES \$500,000 JEWELS

"DOUBLE" AS EARRINGS, BROOCH AND NECKLACE

Paris, Nov. 5.—A practical duchess, Lucia of Westminster, wife of one of England's wealthiest peers, possesses a coronet of diamonds and platinum valued at more than \$500,000 that can be taken apart and worn as separate necklace, brooch and pair of earrings. It was designed and made for her in the Rue de la Paix and is quite the last word in assemblable jewelry.

Three large diamonds, two almond shaped, form the central stones of the diadem. The almond shaped pair can be attached as pendants to the brooch, which is formed by the peak of the headdress. All three large stones were in the possessions of the Duke of Westminster at the time of his marriage about 18 months ago.

Bronchitis

Every cold is serious. It is only a step from the ordinary cold to bronchitis with soreness and tightness in the chest and the dry, harsh cough and distressing coughing spasms.

Dr. Chase's Syrup of Linseed and Turpentine seems almost like a specific for bronchitis because it is so successful in loosening up the cough, aiding expectoration and relieving inflammation.
