Robertson, when he was waited on by a messenger from the Ladies' Curling Club and presented with the following address, accompanied by a purse of gold:— Dear Professor Robertson, We, the lady curlers, feel indebted to you for your untiring kindness in teaching us to try to curl.

THE LADY CURLERS. Professor Robertson, to whom the gift and the address were a complete surprise sent the ladies a feeling and appreciative reply acknowledging not only this latest mark of good will but the continued courtesy and kindness received at their hands during his connection with the Curling Club.

Easter

is the great music festival of the year. Without music Easter loses much of its significance. The Victrola brings all the world's wealth of sacred music into your home.

Instead of hearing a few of these beautiful hymns and sacred selections sung only once a year, you can hear them often and come really to know them as they deserve to be known—as they are rendered by the world's best singers, on the Victrola.

Here are some of the favorite Easter selections on Victor Records:

Do You Face the Day's Work With Vim and Energy?

Morning is the time when workers need food that will not overload the stomach, but give strength and mental vigor for the day.

Much depends on the start. For one can't be keen and alert on a heavy, indigestible breakfast.

Grape-Nuts

is not only easy of digestion (digests in about one hour), but it aids in the assimilation of other foods. Made of whole wheat and malted barley, the malting of the barley awakens the digestive ferment, diastase, one of the essentials in the assimilation of all food.

Grape-Nuts comes ready to eat from the package with cream or milk; delicious, economical, and a powerful energizer for folks who "do things."
