Abegweits Take St. John All Stars Into Camp By a Score of 7-0

AYS ABEGWEITS WILL BE STRONG CONTENDERS FOR HIGHEST HOCKEY HONORS

T. JOHN, Jan. 11.—W. A. Hewitt, nager of the Olympics and sport- editor of the Toronto Star, ex essed the opinion last evening the Abbies on their showing st night would be strong con- nders for highest honors. Mr. He- tt said the Islanders compared ry favorably with any team the ympics had met, outside of the o Greyhounds. He said the Olym- cs were out there trying hard last ght to win and he was unstinted in his credit to the island boys for their great work. Mr. Hewitt, who accompanied the Winnipeg Falcons to the 1920 Olympics, received a telegram last evening from the Falcons, wishing him and the Granites the best of luck. "The Maple Leaf Forever," was the ending to the telegram.

The Abbies expect to play in Moncton Saturday night and then will go on to Halifax to take on Crescents, Dartmouth and Wanderers on successive nights.

Dempsey to Fight Tommy Gibbons in June at New York

WORLD'S CHAMPION AND ST. PAUL CHALLENGER HAVE AGREED TO MEET, ANNOUNCES RICKARD

NEW YORK, Jan. 11.—Jack Dempsey, world's heavyweight champion, and Tommy Gibbons, of St. Paul, will fight a return title match in New York, probably early in June, Promoter Tex Rickard announced today after a conference with Eddie Kane, Gibbons' manager.

Rickard came to a definite agreement with Kane after an hour's conference at Madison Square Garden.

Jack Kearns, manager of the champion, has not yet signed articles with Rickard but several day ago h eassured the promoter there would be no hitch in arrangements if Gibbons was signed.

No details of the agreement reached between Kane and Rickard were revealed but Kane who barely made expenses as a result of the financial debacle of the fight in Shelby, Mont., last summer, indicated he was well satisfied with the promoter's proposition.

MONCTON BEAT AMHERST 5-2

Fast Skating a Feature, But Lack of Team Work Noticeable

GERAN WAS MISSING

NEW YORK, Jan. 11.—The United States hockey team which is to represent this country in the Olympic winter sports games at Chamonix, France, sailed for abroad on the President Garfield without its star centre, George "Jerry" Geran, of Boston.

Geran was unable to arrange his business affairs in time to accompany the squad and, according to his friends, there is a possibility he may be unable to make the trip.

A volunteer hockey star, John J. Lyons, of Arlington, Mass., who is accompanying the team at his own expense, may be used should Geran fail to arrive in Chamonix.

The Amherst Bankers, Maritime Champions, 1923 will cross sticks tonight at the Arena with the local bankers.

Four Disqualified in Bicycle Race

KEMPEN, McNAMARA, COBURN AND LANDS SUSPENDED FOR VIOLATING RULES OF SIX DAY BIKE RACE.

CHICAGO, Jan. 11.—Four riders competing in the six-day bicycle race today were disqualified and suspended from all racing in this country and Europe for a period of six months for violating the rules of the race.

The riders disqualified were Peter Van Kempen, the Holland star; Reggie McNamara, Willie Corburn and Divid Land. McNamara and Van Kempen were leading the race on points at the time of their suspension.

McNamara, Coburn and Van Kempen were disqualified and suspended because they quit riding for a time after Grenda and Egg and Declerk and Madden had lapped the field. Lands was disqualified and suspended when he left the track after being fined $25 for stalling.

The suspensions leaves 12 teams in the race, which ends at 11 o'clock Sunday night. Grenda and Egg are in the lead with Kockler and Stockholm, of Chicago, second. The riders have covered 1,382 miles and nine laps, Grenda and Egg being a lap in the lead.

OLIVE TREES

The olive is "beyond all others the tree of civilization. From the day you plant the tree, about sixteen of eighteen years must pass before it begins to produce any return—seventeen years of care, work and unremunerative preparation.

In Southern France, in the Arrondissement Grasse, one-third of the country is planted with olives, and supported a population of 60,000 in the year 1880; the other two-thirds, which grew no olives, contained a population of 10,000. In the olive-growing district of Tunista, 150,000 people live in an area of 600 square kilometres; but close by are districts inhabited by five or six people to the square kilometre."

U. S. Hockey Teams Not Allowed to Play in Ontario

SECRETARY OF UNITED STATES HOCKEY ASSOCIATION NOTIFIED TEAMS TO THAT EFFECT YESTERDAY

PITTSBURGH, Jan. 11.—Officials of all clubs of the United States Amateur Hockey Association were notified tonight by Roy D. Schooley, Secretary Treasurer, that under no circumstances were they to schedule exhibition games with teams of the Ontario Hockey Association until further notice. Mr. Schooley explained that on December 20 last the Ontario Association had decided to discontinue exhibition games after officials of the United States Association had found it impossible to attend a conference called by the Canadian officials to discuss migration of players from Canada to this Country.

"We will see that their wishes are strictly lived up to and that none of their teams come into the United States for the time being," he added. "As I understand it, this affects only those teams that are members of the Ontario Hockey Association and not clubs affiliated with other leagues under the Canadian Amateur Hockey Association.

OLYMPIC TEAM TO PLAY IN ST. JOHN ON RETURN

Probable That Sussex Will be Selected as Opponents.

ST. JOHN, Jan. 11.—An important announcement and one that will be of great interest to Maritime, as well as local, hockey fans was made yesterday by A. W. Covey president of the M. P. B. A. A. U. of Canada, when he declared that assurance had been given him that the Canadian Olympic team would play in St. John following their return to Canada from France. "While no definite date can be set" said Mr. Covey, "it is probable that the Olympics will be unable to leave France until the latter part of February. That means they will not reach here until the beginning of March and I imagine this game will be played here about the first week in March." Mr. Covey said that the matter of selecting the Maritime team that would play the Olympics was for the amateur union to decide. In view of the sportsmanlike attitude by the Sussex team when the matter of the opponents for the Olympics for last night's game was being considered, it is almost a foregone conclusion that the fast Sussex team will have the honor this time of meeting the team, which in all probability will be sporting the proud title of amateur champions of the world.

The only team that will be able to make the Canadian representatives extend themselves in the United States team and this team may be considerably weakened owing to the fact that Geran, their star centre was unable to catch the steamer on which the United States team sailed a few days ago—business reasons preventing. Another factor is that under the Olympic rules, "Herb" Drury, of Pittsburg, is not eligible to compete as he has not been a resident of the United States for the last ten years. Drury played hockey for Midland a few years ago and then went to Pittsburg where he made a great name for himself and has been adopted as a real Pittsburg boy. The only way Drury possibly can be eligible is by producing a birth certificate showing he was born in the United States.

Even with Drury and Geran, the Olympics, barring accident, should win out and if they do, St. John will have the honor of first Canadian city of seeing the new champions in action.

Hockey Challenge

We, the "Bradley Creams" do hereby challenge any local hockey team to a friendly game to be played in the near future. The following is the line-up: Goal, B. Garnhum; defence, F. Kilfoy, W. Henderson; forwards, E. McNevin, S. Steele, E. McNevin; subs, A. Peters, Willie Ward, Coach; F. Bradley, Manager.
