The annual fall indoor sport of card plays is now in full swing and being enjoyed by many as each evening witnessed plays held at various places for a variety of prizes. At this season of the year, prior to the opening of the hockey and skating season, the long evenings can be very enjoyably passed by a good tussle with lady luck.

These fine days we are so fortunate to be enjoying in such numbers, sees many a gunner trudging his way to his favourite wood-plot there to hunt down the bounding bunny. Many an experienced gunner, helped with a little luck, is each evening seen bringing home a number of those furry little fellows, who are considered so delicious when they find their way into a pie or a stew.

A very large crowd attended the auction, supplemented by a bus load from Murray Harbour and Murray River. The bidding on each article offered was extremely active with a great deal of competition among the bidders. Many articles sold above their regular price, but most of the articles went below the cost, giving many bidders good buys. Mr. R. K. Clements acted as chairman for the evening assisted by Mr. Douglas MacLaren. The auctioneers for the evening were G. H. Nelson, Montague, Robert Glover, Murray Harbour, and Archie Llewellyn, Montague. Assisting in the evening's program were Harry Johnston, Leroy White, Malcolm Patterson, Gilbert Clements, Bryer Llewellyn, Harry McConnell, and Forest Clow. The auction sale along with the cash donations amounted to a grand total of \$1025, which Mr. R. K. Clements presented to the Rotary in Charlottetown. The new rink is completed, took just a few days over two months to build and the work went on just about as quietly as the erection of Solomon's Temple. Much mention again the fact Murray Harbor was very fortunate in securing the services of Roddie MacMillan of Wood Island. And kind Providence certainly smiled on our labors and gave us excellent weather for outside work.
