A LARGE and enthusiastic meeting of Victoria A.A.A., was held in the Y.M.C.A. building last evening. Speeches were delivered by the Hon. President and other members and forty-five new members were added to the club. The question of uniform was discussed and it was decided to adopt white and blue striped sweaters, blue pants with white stripes on side of leg. It was moved and carried that the colors of the club be white and blue. Chas. McQuillan was appointed the captain of the foot-ball team and W.H. Ritchie manager of track team. The club now includes many of the foremost athletes in the Province and the club and their friends look forward with eager anticipation to the commencement of the athletic season. It is likely that efforts will be made to arrange a football match on Victoria Day and likely an athletic meet on Dominion Day.
