Mr. T. P. Huestis, Summerside, well known inventor has another machine on the market which when introduced promises to be of much value to farmers. A few more summer boarders can be accommodated at Brass Castle Farm, the residence of Mr. David Lefurgey, North Bedeque. Bathing unsurpassed anywhere, stream and sea fishing, boating, etc. Address David Lefurgey, North Bedeque. 8 311 eod

THE success of the the futurity races to take place at Summerside Driving Park on Tuesday, Aug. 14th, is already assured, entries having been received for some seven or eight of the most promising colts ever started on a P. E. Island track. The three-minute class will certainly be the race of the season, among the entries being from Parkside colts. Remember the date Tuesday, Aug. 14th.

Rev. J. G. SHEARER, Field Secretary of the Ontario Lord's Day Alliance, will address a union mass meeting in the Presbyterian Church on Friday evening at 8 o'clock. Mr. Shearer is making a tour of the Maritime Provinces in the interests of the Alliance, and will organize branches in the important cities. A cordial invitation is extended to all citizens and friends of the movement. A silver collection will be taken in aid of the work.

ENQUIRIES for country boarding houses are being made almost daily at this office by summer visitors from abroad. This season, probably because the number of visitors is larger than usual, the accommodation does not appear to be equal to the demand. Farmers who have made preparations for summer boarders should advertise the fact, stating the number of guests they could accommodate, together with such inducements as their location offers in the way of fishing, boating, bathing, etc. Experience proves that such preparation on the part of farmers conveniently situated pays.
